Summary

Permits for Overweight Vehicles Carrying Agronomic or Horticultural Products Fee Reduction

Pursuant to Act 1085 of 2017, codified at § 27-35-210(q), the Arkansas Department of Transportation in cooperation with the Arkansas Department of Agriculture created Permit Rules for Overweight Vehicles Carrying Agronomic or Horticultural Products To provide a process for ARDOT and AHP to issue permits to allow qualified overweight agricultural trucks to carry up to 100000 pounds.

The Rules allow for a permit for one tractor and multiple, identical, trailers, to be issued for five different origin and destination routes. Each tractor and trailer is required to undergo a safety inspection prior to issuance of the permit, and the rule calls for additional driver requirements.

Permit fees were initially set at \$1000. However, during the 2021 Session of the Arkansas General Assembly, members raised questions about the amount of the fee. After meeting with members of the Arkansas General Assembly, the Arkansas Department of Transportation agreed to reduce the permit fees to \$800.
