

1. Code Clarification: The WMA General Use Permit is for the intention of all hunters and trappers on a WMA.

Justification: This is a clarification to what was known as the Hunter Use Permit for the old “Sweet Sixteen” and “Bayou Meto” permit This would allow a random survey on the following year’s license purchase with the eliminate the use of additional paper to carry. This permit would also require agreement of compliance with the AGFC regulations.

Code: 20.07(D); D1.01 Gen. Use Permit
