

Use only for **FINAL** and **EMERGENCY RULES**

Revised 7/2015 to reflect new legislation passed in the 2015 Regular Session (Act 1258). This act changed the effective date from 30 days to 10 days after filing the rule.

09.01 Possession Of Certain Wildlife In Captivity Prohibited

It is unlawful to possess, hold captive, confine, or enclose any live wildlife, whether native or non-native, migratory or imported, unless otherwise specified herein.

EXCEPTIONS:

- A. Accredited members of the Association of Zoos and Aquariums.
- B. Persons possessing and holding captive wildlife in compliance with Chapter [09.00](#).
- C. Persons possessing and holding captive fish, bullfrogs, mussels, aquatic turtles, alligators, and other aquatic wildlife in compliance with Chapters [29.00](#), [30.00](#), [31.00](#), [32.00](#), [33.00](#), [34.00](#), [35.00](#) and Addendum Chapter [J1.00](#).
- D. Persons may be permitted to possess and hold captive on a temporary basis captive-reared mallards, pen-raised northern bobwhite, coyote, fox, squirrel, or raccoon for the sole purpose of dog training or conducting field trials sanctioned by the American Kennel Club, National Field Retriever Association, North American Hunting Retriever Association, Hunting Retrievers Club, United Kennel Club, Professional Kennel Club, or American Coon Hunters Association upon requesting and receiving a Shoot-to-Kill Retrieving Dog Training Permit (for captive-reared mallards) and/or written approval from the Chief of Wildlife Management.
- E. Persons determined by the Commission to be involved in bona fide scientific research, education, or conservation efforts of significant benefit to wildlife or wildlife habitat in Arkansas may be permitted to possess and hold captive wildlife in compliance with the terms of a special permit issued by the Chief of Wildlife Management.
- F. RESERVED.
- G. Persons with a valid U.S. Fish and Wildlife Service migratory bird permit may possess migratory birds in compliance with the terms of that permit. Holders of this permit are not exempt from subsequent regulations in Chapter [09.00](#). Holders of a valid U.S. Fish and Wildlife Service Raptor Propagation Permit are not required to obtain a Commission Wildlife Breeder/Dealer Permit to propagate or distribute raptors.
- H. Persons may possess species listed in Addendum [R1.01](#).
- I. Persons may possess terrestrial invertebrate species not otherwise prohibited by this Code or by federal or state regulations.

PENALTY: Class 2

- A. Any wildlife possessed in violation of this regulation may be declared contraband and subject to immediate seizure.
- B. Upon conviction, or before, if so ordered by a court having legal jurisdiction, title to the wildlife shall be forfeited to the Commission and released or disposed of in compliance with Commission policy.
- C. Any person convicted of violating this regulation shall be liable for the costs accrued in the storage, care, and maintenance of any equipment or wildlife seized in connection with the violation.
- D. Any person convicted of violating this regulation shall be liable for the costs of any and all tests and/or examinations of the illegal wildlife and also shall be liable for the costs of destruction and/or disposal of the illegal wildlife, as deemed necessary by the Commission for the protection of native wildlife.

Arkansas Game and Fish Commission
Little Rock, Arkansas

MINUTE ORDER NO:	<u>20-021</u>	SUBJECT:	<u>2020-2021 General Hunting</u>
DATE PASSED:	<u>May 21, 2020</u>		<u>Regulations Approval</u>
PAGE <u>1</u> of <u>1</u> PAGES		LOCATION:	<u>Statewide</u>

WHEREAS, the Arkansas Game and Fish Commission and its staff have proposed the attached regulations for 2020-2021 Hunting Seasons, including game seasons, bag limits, geographic zones, wildlife management areas, boating access, weapon restrictions, captive wildlife, and manner-of-taking-game requirements for alligator, bear, deer, elk, furbearing animals, quail, rabbit, squirrel, turkey, dove, waterfowl, and other game species; **and**

WHEREAS, the attached regulations have been communicated through a variety of media avenues to sportsmen and the general public throughout the state for review and comment for at least the past 30 days; **and**

WHEREAS, after carefully considering the recommendations of the Director and Commission staff, as well as comments received from the public, the Commission has determined that the attached regulations promote sound wildlife conservation and management and are consistent with Amendment 35 of the Arkansas Constitution and that these regulations should now be approved for application statewide.

NOW, THEREFORE, BE IT ORDERED this 21st day of May 2020, that the Arkansas Game and Fish Commission hereby approves and adopts the attached regulations, which shall become effective immediately upon public filing or as soon thereafter as possible.

BE IT FURTHER ORDERED that the Commission staff is authorized to proceed with legally certifying and filing the attached regulations with the Secretary of State, State Library, and Bureau of Legislative Research, and incorporating them into the Commission Code Book and Addendum.

EMAIL: mark.hutchings@agfc.ar.gov / matthew.warriner@agfc.ar.gov

SHORT TITLE OF THIS RULE: 2020-2021 Hunting, WMA, Captive Wildlife and Miscellaneous Regulation Proposals.

1. Does this proposed, amended, or repealed rule or regulation have a financial impact?
Yes: X No:
2. Do you believe that the development of a financial impact statement is so speculative as to be cost prohibitive? Yes: X No: If "Yes," please explain: the financial impact of many of the regulation changes is not easily quantifiable due to the nature of the proposed changes.

3. If the purpose of this rule is to implement a **federal** rule or regulation, please give the incremental cost for implementing the regulation. Please indicate if the cost provided is the cost of the program.

<u>Current Fiscal Year</u>		<u>Next Fiscal Year</u>

Federal Funds	\$	Federal Funds	\$
Cash Funds	\$	Cash Funds	\$
Special Revenue	\$	Special Revenue	\$
Other (Identify)	\$	Other (Identify)	\$
Total	\$	Total	\$

4. What is the total estimated cost by fiscal year to any **party** subject to the proposed, amended, or repealed rule? (Estimated cost includes fees, administrative penalties, reporting, record keeping, equipment, construction, labor, professional services, revenue loss, or other costs associated with compliance.) Identify the **party** subject to the proposed rule, and explain how they are impacted.

Current Fiscal Year: N/A

Next Fiscal Year: Unknown

Amend existing and adopt new regulations including:

- Adopt a quota system for alligator hunting on private lands - Alligator Zones 1, 2 and 3
- Increase bear quota in Bear Zone 1 (Ozarks) from 340 to 500
- Reduce the Public Land Elk Quota by 3 either sex and 3 antlerless permits
- Reduce the Private Land Elk Quota from 12 bulls to 10 bulls and from 40 antlerless elk to 25
- Require all Deer, Turkey, Bear, Alligator, and Elk to be checked within 12 hours from the time of harvest

- Require all hunters (including youth) to obtain a Customer Identification Number (CID) in order to check game or apply for permit hunts
- Simplify turkey regulations by reducing the number of turkey zones from 18 to 2 zones (by county)
- Restrict the harvest of bearded hens
- Reduce bag limits for wild turkeys on all Wildlife Management Areas from 2 to 1 legal turkey
- Allow hunters to harvest only 1 turkey during the first seven days of the season and establish a 1 bird bag limit during the special youth turkey hunt.
- Move turkey season to the third Monday in April, and extend season length in proposed Zone 2 to 21 days with a 2 bird bag limit. Proposed Zone 1 will retain the conservative 9 day season and 1 bird bag limit.
- Create a youth and regular permit turkey hunt on Devil's Eyebrow Natural Area
- Create a new youth permit turkey hunt on Shirey Bay Rainey Brake WMA
- Combine Deer Zones 8 and 8A
- Combine Deer Zones 1A, 6, and 6A
- Combine Deer Zones 4 and 4B and align modern gun deer season with zone 4B (extending from 2 days to 9 days)
- Combine Deer Zones 5 and 5B and align modern gun deer season with Zone 5B (extending from 4 days to 9 days)
- Increase bag limits for Deer Zones 3,6,6A,7,8,8A,10,11, and 13 from 4 deer to 5 deer
- Reduce the aggregate bag limit in Deer Zone 12 and Deer Zone 17 from six deer to five deer
- Create a new muzzleloader deer hunt at Bell Slough WMA
- Create a new modern gun mobility impaired hunt for deer and bear on Bearcat Hollow WMA
- Change the current December Special Modern Gun Youth Hunt on Bearcat Hollow WMA to a regular three day muzzleloader hunt
- Add a new Modern Gun Youth Permit Hunt on Stone Prairie WMA (to coincide with statewide youth season)
- Remove permit requirements for youth deer hunts on Ed Gordon and Hope Upland WMAs
- Open a new Youth Deer Hunt on the following 18 WMAs: Bell Slough, Benson Creek Natural Area, Cattail Marsh, Cut Off Creek, Dr. Lester Sitzes III Bois D' Arc, Earl Buss Bayou De View, Ethel, George H. Dunklin Jr. Bayou Meto, Henry Gray Hurricane Lake, McIlroy Madison County, Rex Hancock Black Swamp, Ring Slough, Robert L. Hankins Mud Creek, Scott Henderson Gulf Mountain, Sheffield Nelson Dagmar, Two Bayou Creek, Village Creek and Whitehall
- Move the current Private Lands Antlerless-only Modern Gun Hunt from the 2nd weekend in October to December, and reduce it from a 5 day hunt to a 3 day hunt (Dec. 29-31) statewide
- Clarify that a lesser weapon may be used during the private land antlerless modern gun deer hunt. Hunter orange still required and only one weapon of choice allowed
- Increase the number of days antlerless deer may be taken on Piney Creeks and Sylamore WMAs and change the bag limit on Muddy Creek and Mt. Magazine WMAs to allow one antlerless deer with muzzleloader or one antlerless first two days of modern gun season.

- Move the Modern Gun Deer Permit Hunt on Cypress Bayou WMA from the fourth Friday in November to the second Saturday in November for 5 days
- Provide an annual Disabled Veterans Modern Gun Hunt on Longview Saline and Warren Prairie WMAs
- Add Independence and Jackson County to the CWD Management Zone
- Remove antler restrictions on the following WMAs in Independence and Jackson Counties to comply with CWD Management Zone regulations: Cherokee, Foushee Cave, Jamestown, and Village Creek WMAs
- Open Wylie Cox Field trial Area (140 ac.) on Ed Gordon Point Remove WMA by removing SUA status and adjust the regulations to be consistent with the remainder of the WMA.
- Create a new leased land WMA at Winona to be named Cedar Mountain WMA.
- Include Camp Robinson WMA in the spinning wing decoys restrictions
- Clarify that an electric bicycle is considered a motorized vehicle and must adhere to motorized vehicle restrictions on WMAs
- Remove firewood restrictions on all Commission-owned WMAs
- Open Bobcat, coyote, and fox hunting with shotguns and rimfire rifles at Little Bayou and Crossett Experimental Forest WMAs
- Allow for applications for new fur dealer permits to be denied if they failed to provide a report the previous year.
- Move the last day of muskrat trapping season from March 31 to February 28
- Change furbearer ammunition restrictions on private lands to only apply to raccoon, opossum, and bobcat being hunted at night.
- Require holders of a wildlife depredation or predator control permit and their designees, to purchase a valid hunting license.
- Exclude bats from the list of species that can be killed when a nuisance except for when rabies testing is needed.
- Add the Little Brown Bat (*Myotis Lucifgus*) as a state listed endangered species.
- Edit some of the wording in the season dates for code clarification and correction of errors made during the electronic conversion of codebook.
- Add USFWS Special Purpose Abatement requirements to falconry code.
- Remove 7 species of federally protected birds from the exceptions list of birds that are not protected
- Allow non-resident falconers with a non-resident hunting license to apply for an Arkansas Passage Peregrine Falcon Permit. Also update the falconry data entry website to new web address.
- Increase Quail Habitat Stamp price from \$4.50 to \$9.50
- Re-establish the annual dove season opening date as the first Saturday in September
- Clarify dates for non-resident waterfowl hunters on WMAs
- Reduce the Scaup daily limit from 2 to 1
- Propose two options for white-fronted goose season; either 74 days (current structure) with a 3 bird bag limit or 88 days with a 2 bird bag limit
- Clarify that the Salt ditches on Bayou Meto WMA adhere to Common Restriction A.
- Implement permitted waterfowl hunting on the Red Cut Slough tract at Cypress Bayou WMA during the regular duck season.
- Allow all day waterfowl hunting on WMAs on the last day of regular duck season and

during the special youth/veteran waterfowl hunts.

- Modify Common Restriction A to restrict boat access all day on 21 WMAs for 5 days before waterfowl season and during waterfowl splits. Add Cypress Bayou WMA and 5 additional water bodies on Petit Jean River and Dave Donaldson Black River WMAs and remove 2 from Ed Gordon Point Remove WMA from the exceptions in Common Restriction A.
- Clarify and update definitions relating to captive game birds and Shoot-to-Kill Bird Dog Training permit.
- Clarify exception relating to field trials and eliminate exception relating to USDA Wildlife Exhibition permits.
- Clarify that non-native birds be kept in buildings or covered pens. And clarify what constitutes proof of ownership.
- Clarify which species of quail and pheasant may be released in accordance with certain permits and clarify what methods of confinement for birds are adequate.
- Clarify that the exception from the Wildlife Breeder/Dealer Permit regulations, allowing for the sale of up to 20 individual animals per year of species on the Permitted Species List, does not apply to certain species for which Wildlife Breeder/Dealer Permits are restricted.
- Eliminate Mountain Lion Permit.
- Eliminate certain redundant language in the Game Bird Shooting Resort Permit code.
- Eliminate redundant language in the Commercial Wildlife Hunting Resort Permit code.
- Update reasons for suspension or revocation of Wildlife Breeder/Dealer permits to match language used as reasons for denial of new permit applications.
- Modifying Wildlife Importation Permit requirements to allow those importing birds to provide proof of participation in the National Poultry Improvement Program by the out-of-state facility to satisfy disease testing requirements and to require those importing venomous reptiles into Arkansas for temporary exhibition follow certain caging requirements.
- Clarify that rules regarding temporary display of venomous reptiles in F1. (C) (4) may also apply to individuals without permits. Update terms for suspension or revocation.
- Clarify that captive born native species of birds being kept as pets be kept in buildings or covered pens. Clarify the use of tongs and snake hooks would be allowed to hand capture native wildlife and clarify what constitutes proof of legal possession of captive born native wildlife pets.
- Clarify that holders of the Conservation Education Permit must conduct at least 20 hours of conservation education each year to be eligible for renewal. Update terms for permit suspension or revocation to match terms for which initial application would have been denied.
- Add 3 bird species and 81 reptile species to Addendum R1.01 – Unrestricted Captive Wildlife Species that upon staff review do not appear to be inherently dangerous and pose no significant risk to human health and safety, native fish and wildlife health or populations, agriculture, and can be safely confined in a humane manner.
- Add 4 bird species and 31 mammal species to Addendum R1.02 – Permitted Captive Wildlife Species List that upon staff review appear to pose a moderate but manageable risk to human health and safety, native fish and wildlife health or populations, or agriculture, such that they warrant further restriction or oversight.

- Add 30 mammal, 5 reptile and 123 amphibian species to Addendum R1.03 --Prohibited Captive Wildlife Species List to prohibit the breeding, sale or importation of these species. Importation, breeding and sale of these species (as well as blackbuck antelope black-tailed prairie dogs) will be allowed for those permitted by the required dates.
- Add capybara, nilgai, aoudad sheep, oryx, kudu, lechwe, ibex, jaguar, leopard, snow leopard, hippopotamus, warthog, rhinoceros, newts and fire salamanders, and large Asian and African pythons to Addendum F1.03 for the purpose of prohibiting the sale of these species to only persons who possess a current Wildlife Breeder/Dealer Permit for the respective species or to buyers outside of Arkansas.
- Add a disease testing requirement in Addendum F1.04 – Wildlife Importation Permit Requirements for brindled gnu which is being proposed to be permitted for importation, breeding and sale.
- Extend deadline to apply for Wildlife Breeder/Dealer Permits for those animals that do not meet standard documentation requirements and the deadline by which a Venomous Reptile Permit has to be obtained for those possessing these medically significant venomous species to July 1, 2021. Also extend deadline to July 21, 2021 for certain caging, facility and transport requirements for those with medically significant venomous reptiles kept under the native wildlife pet code.
- Authorize transfer of un-releasable wild animals from rehabilitators to holders of a Commission-issued Conservation Education Permit.
- Add exceptions for possession of certain threatened and endangered species to the Commission's endangered species code.
- Limit the amount of time that holders of Live Fox and Coyote Permits may keep live-caught animals to 30 days or less prior to sale and restrict sales to fox pen owners only.
- Clarify within the Wildlife Breeder/Dealer regulation that a Live Fox and Coyote Permit is needed to sell live fox and coyote.
- Reduce the time for Venomous Reptile Permit holders to correct caging problems from 30 days to 10 days.
- Clarify warning sign requirements for permanent and temporary venomous reptile enclosures.

Party Subject to Rule: hunters, trappers and persons engaged in captive wildlife related activities will be primarily subject to these rules.

Effect on Party Subject to Rule: The proposed changes, as listed above, will effect parties subject to the regulations as categorized to liberalize or expand opportunity (26%); clarify existing code (33%); simplify or reduce regulations (15%) and restrictions (26%).

5. What is the total estimated cost by fiscal year to the **agency** to implement this rule? Explain the financial benefit to the agency from implementing this rule.

Current Fiscal Year: N/A

Next Fiscal Year: Unknown

Financial Benefit to Agency: Increase to price of Voluntary Quail stamp from \$4.50 to \$9.50 could result in increased revenue for habitat management

6. Do alternative means exist for accomplishing the objectives of the rules that might be less burdensome to small business? Yes: No: X

Why were such alternatives not proposed: N/A

7. Compare this rule with federal and state counterparts: Regulations vary greatly among states.

Ms. Kayla Sansom, Rules & Regulation Filing
Office of the Arkansas Secretary of State
500 Woodlane Drive, Room 26
Little Rock, AR 72201

RE: Arkansas Game and Fish Commission Regulation Adopted on May 21, 2020

Dear Ms. Sansom:

Attached please find a link to the 93 regulations approved by the Arkansas Game and Fish Commission on April 23, 2020. Also included for each individual regulation is the required transmittal sheet, and applicable Financial Impact Statement and the signed Minute Order. The Commission respectfully requests that these regulation become effective 10 days after filing.

Notices for the proposed regulations were published in the Arkansas Democrat-Gazette on March 22, 23, and 24, 2020, and April 19, 20, and 21, 2020.

Hard copies of the approved regulations will be in the mail in the next day or so. **Kindly notify April Soman at april.soman@agfc.ar.gov to confirm receipt of both the electronic submission and hard copies.** Should you have any questions or concerns regarding this filing, please do not hesitate to contact me at (501) 223-6327 at your convenience.

Sincerely,

James F. Goodhart
General Counsel
