- ~~vii. If the violation has not been corrected in 10 days, the Commission may revoke any existing permit and may refuse to issue any future permit to the violator. Such revocation or refusal to issue a future permit shall be in addition to any criminal charges that may be filed.~~

D. Reporting and Record-Keeping Requirements:

1. Owners or operators of game bird shooting resorts must keep legible and complete records (on forms provided by the Commission) showing the name and current address of each hunter, the date, number and type of birds released each day and the number taken by each hunter.
2. Records shall include evidence of legal possession of all wildlife kept under this permit, including licenses, bills of sale, bills of lading, receipts, invoices or other satisfactory evidence of ownership. Records shall include the date of acquisition, place of origin, and the name, address and telephone number of the person from whom the wildlife was acquired.

Permits will not be issued to and existing permits may be revoked for facilities that have acquired stock by any other method.

E. Disease Testing and Control:

1. The director of the Commission, in consultation with the director of the Arkansas Livestock and Poultry Commission, or their designees, shall determine mechanisms and procedures for control of diseases and parasites in captive wildlife within Arkansas. Such mechanisms and procedures shall include, but not be limited to, examination, testing, quarantine and slaughter or destruction of individual animals and/or herds or flocks that are, or in the opinion of the Commission may be, infected with a disease or parasite that may have significant detrimental effect on native wildlife, other captive wildlife, livestock or the public health of the citizens of Arkansas.
2. Examinations, testing, quarantine and slaughter of captive wildlife shall be conducted at the expense of the owner. As a condition of any permit issued under this addendum chapter, the Commission may require the captive wildlife be quarantined for a period specified by the Commission.

1. Permit holders shall allow agents of the Commission to enter and inspect the premises, including books, records or permits required to be kept and any wildlife and/or facilities kept under authority of permit.
  2. Each permittee shall pen the captive wildlife in suitable pens and restrain them for inspection, at a reasonable time, when requested to do so by an agent of the Commission.

1. Persons in violation of the terms of this permit, this addendum chapter, Commission Codes, or convicted of violating associated regulations of the U.S. Fish and Wildlife Service, shall be notified in writing and shall have 20 days to respond with just cause as to why their permit should not be suspended or revoked.
  2. If after 20 days just cause has not been given, the Commission may suspend or revoke any existing permit held by the violator and may refuse to issue future permits. Permit suspension, revocation or refusal shall be in addition to any criminal charges that may be filed.
  3. Upon revocation, permit holder must remove by legal means all captive wildlife within the time designated in the revocation, not to exceed 60 days, and failure to do so shall result in the Commission taking action, per Commission policy, at the permit holder's expense.
