Fishing Regulations
Summary of Proposals

General Fishing Regulations

- 1. Proposal:** Temporarily suspend all game fish daily limits on Lake Conway.

Justification: The Arkansas Game and Fish Commission has identified multiple issues with the Lake Conway dam that are in need of immediate attention. To properly resolve these issues it is necessary to fully draw down the lake in order to gain access to both sides of the dam. During this draw down, game fish daily limits will be temporarily suspend to allow anglers to harvest fish that would otherwise expire during this process.
