ARKANSAS ECONOMIC

Executive Summary

The Arkansas Economic Development Commission (the “AEDC”) is proposing amendments to the existing Rural Services Block Grant Program (the “Program”), which increase the maximum grant award from \$75,000 to \$100,000. As background, the Program helps fund vital community development projects in rural communities with populations under 3,000 that are majority low to moderate income. The Program itself is funded through the U.S. Department of Housing and Urban Development’s Small Cities Community Development Block Grant Program.

The proposed amended rule incorporates two changes to the existing Program. First, as stated above, the amended rule increases the maximum grant award from \$75,000 to \$100,000. The increase is necessary to account for the effects of inflation and rising material costs for grant recipients. It should be noted that this does not increase the total amount that will be disbursed under the program. While this may ultimately result in fewer grants being issued, the AEDC believes that increasing the maximum grant award will encourage more communities to apply for funding on impactful development projects. Second, the amended rule formally codifies the Program in a format that complies with the Code of Arkansas Rules’ style requirements.

Who are the Department of Rural Services and the Arkansas Rural Development Commission?

The Department of Rural Services (DRS, formerly the Office of Rural Advocacy) is a state agency charged with assisting rural communities with a population of 20,000 and under. Established under Act 302 of 1991, the Department of Rural Services assists local agencies in rural areas with grant funds and technical assistance.

The Arkansas Rural Development Commission (ARDC) is a group of citizens from around rural Arkansas charged with overseeing the programs of the Department of Rural Services. The Governor appoints seven of the members, two are appointed by the Senate President Pro Tem, and two are appointed by the Speaker of the House. Commissioners serve five-year terms and meet throughout the year to discuss rural issues that affect Arkansans.

The other focus of the agency is to provide funding for worthwhile projects in rural communities. The agency has administered the Rural Community Grant Program for several years, unfortunately many worthy projects remain unfunded due to budget constraints. Recognizing the need for additional resources the Department of Rural Services has begun working to build new partnerships with our sister state agencies and private sector companies. The Rural Services Block Grant Program (RSBGP) is the result of one such partnership with the Arkansas Department of Economic Development.

Who is Eligible to Apply for Funds from the RSBGP?

In accordance with the State of Arkansas Five Year Plan for Arkansas Housing, Community and Economic Development Programs the following entities are eligible for funding under the Rural Services Block Grant Program (RSBGP):

- Incorporated and unincorporated cities and towns in RURAL Arkansas with less than 3,000 people (verifiable by current US census information)
- Population must be at least 51% low to moderate income (LMI). A complete list of Arkansas community LMI percentages is available on the DRS website at www.arkansas.gov/drs.
- In keeping with our enabling legislation, a rural area is defined for the purpose of this program as "all the territory of the State of Arkansas that **is not within the outer boundary of any city or town having a population of 20,000 or more** according to the latest federal census or within such a city or town's neighboring urbanized areas."

For forms and instructions about determining LMI Eligibility for your area See Attachment 1- Determining and Documenting Benefit to Low and Moderate Income Families which has been extracted from the Arkansas Community and Economic Development Program (ACEDP) Guidelines administered by the Arkansas Economic Development Commission.

Are There Other Eligibility Restrictions?

The Rural Services Block Grant Program (RSBGP) is funded through the U.S. Department of Housing and Urban Development (HUD) Small Cities Community Development Block Grant Program and administered for the State and our agency by the Arkansas Economic Development Commission. Cities not currently a party to one categorical grant and counties that are not currently a party to two categorical grants are eligible to apply under the program. Categorical grants include the Arkansas Community and Economic Development Program (ACEDP) and the Rural Services

~~Block Grant Program (RSBGP) administered by the Arkansas Economic Development Commission. Active grants in other Department of Rural Services and Arkansas Economic Development Commission programs are not considered in determining eligibility.~~

~~What Types of Projects Are Eligible?~~

~~In keeping with the Arkansas Economic Development Commission's 5-Year Consolidated Plan, applications for Rural Services Block Grant Program (RSBGP) grant funds will be accepted for the following type projects (please contact the RSBGP Grants Coordinator to ensure that your project is eligible):~~

- ~~• New construction or renovation of community centers or multi-purpose use buildings for the betterment of the community~~
- ~~• New construction or renovation of fire stations~~
- ~~• Purchase of fire trucks, specialized life-saving equipment such as "jaws of life" and protective clothing worn by fire fighters~~

~~If you have a question about project eligibility please contact the RSBGP Coordinator at 1-888-787-2527.~~

~~If the proposed project involves the renovation or rehabilitation of an existing building, you will be required to do the following:~~

- ~~• Have an accredited asbestos inspector/management planner conduct a thorough inspection of the building according to the Asbestos Hazard Emergency Response Act (AHERA) guidelines, including sampling and laboratory analysis. Testing costs will depend on the size and design of the building and are the applicant's responsibility. For inspection information please contact:~~

~~The Arkansas Department of Environmental Quality~~

~~Air Division~~

~~Asbestos and Lead-Based Paint Branch~~

~~Phone: (501) 682-0718~~

~~E-mail: info@adeq.state.ar.us~~

~~Web: www.adeq.state.ar.us~~

- ~~• Sign a waiver releasing and holding harmless the Department of Rural Services, the Arkansas Economic Development Commission and all employees of the two agencies of any liability, claims, judgments or action whatsoever as a result of allowing grant funds to be used in the renovation of a building containing asbestos.~~
- ~~• Establish adequate justification that the cost and time associated with renovating a building containing asbestos is more cost effective than renovating a building that does not contain asbestos or new construction. This justification must be provided as part of the application.~~

~~Each of the above items must be submitted with the application whenever building renovation or rehabilitation is proposed.~~

~~Will We Be Required To Have An Architect or Engineer?~~

~~**Maybe!!!** All projects exceeding \$100,000 are required to have an architect. All projects exceeding \$25,000 are required to have an engineer. Projects must comply with state plumbing and building code requirements.~~

How much funding is available?

Seven hundred thousand dollars (\$700,000) is available for distribution under the Rural Services Block Grant Program (RSBGP).

What is the Maximum Award?

Eligible projects may submit an application for up to \$75,000.

Is There a Matching Requirement?

The RSBGP is a nine to one matching program. This requires that the applicant must be able to match its grant award with cash, in-kind labor, in-kind materials, or land at a rate of one dollar to every nine grant dollars (10%). **Land used for matching purposes must be owned by the city or county applying.** The value of all matching (including in-kind) must be documented by bank statements for cash, official cost estimates for in-kind materials and labor, or official appraisals for land. Official cost estimates for in-kind materials and professional labor should document what the material or professional labor would cost if it were not being donated. Community labor being donated is equal to \$18.04 per hour. Official appraisals for land may be in the form of an appraisal from a certified appraiser or a copy of the property assessment from the county clerk.

Administrative Costs

Each community that receives the RSBGP is responsible for the administration of the grant. The recipient may work with their local Planning and Development District or hire an outside consultant. The fee that the consultant charges can be included in the community's request (this may be done as long as the total request does not exceed the amount for which a community is allowed to apply). The community may use other available funds to pay the administrative fee charged by the consultant. The fee will be a minimum of \$2,000 with a maximum of 10% of the grant. **The administrative consultant must be trained and approved by the Arkansas Economic Development Commission.**

How Do We Apply?

The RSBGP application process requires that communities hold a public hearing and submit an application to be considered for grant funds. The process is as follows:

Public Hearing Requirement

Prior to application submission, applicants will need to hold a public hearing to document the need for the project. All public hearings should be publicized in the appropriate local media at least 7 calendar days before they are to be held, and the hearing should be conducted no later than 2 weeks prior to the application deadline.

Application Submission

Applicants must submit an **original** application and **1 complete copy** of the application to the Department of Rural Services by the application deadline. Applications will be reviewed by the Department of Rural Services for completeness and the RSBGP Grant Review Committee will review eligibility and all complete and eligible applications. The grant review committee will

~~formulate funding recommendations, which will be reviewed and approved by the full ARDC and the Governor's Grant Review Committee.~~

Selected Applications

~~Applications recommended for funding by the Department of Rural Services will be notified in writing and will work with the Arkansas Economic Development Commission throughout the remainder of the project. It is imperative that selected communities wait for instructions from AEDC before beginning any part of their project.~~

~~Successful applicants must first sign a grant agreement before any work is started or any purchases are made.~~

~~Selected communities run the risk of forfeiting their grant award for work done or purchases made toward their project before a grant agreement is executed. Please call 1-888-787-2527 if you have any questions.~~

Unsuccessful Applications

~~Applications not recommended for funding by the Department of Rural Services will be notified in writing and will be encouraged to schedule a conference with the RSBGP Coordinator to discuss deficiencies and areas requiring or needing improvement if it is the applicants desire to apply the following year.~~

Project Information

Enter the name of the City or County as Applicant. If known, enter the Control Number assigned to the project by DRS. Enter a unique name for the Project Name,. Enter the Project Type e.g. Community Development or Fire Protection.

Instructions for Completion of the RSBGP/CDBG Disclosure Report

The Federal government requires that local governments must complete a CDBG Disclosure Report as a part of applying for Community Development Block Grant (CDBG) funds. This federal reporting requirement is intended to gather information concerning any and all funding sources—public, private and local—participating in any way in project funded, in whole or part, with CDBG funds. The DRS/AEDC is prohibited from awarding grant funds to an applicant until a completed Disclosure Report has been submitted.

If at any time during the grant there is any change in the previously reported sources and uses of funds, an Update Disclosure Report must be submitted within 30 days of the change. Requests for payment will not be honored if forms are not received by the DRS/AEDC in the manner described.

The DRS/AEDC must make all initial and Update Disclosure Reports available to the public for five years. Original documents must be submitted to the DRS/AEDC and copies must be retained in the local government's grant files. The DRS/AEDC will, through publication in the Arkansas Democrat-Gazette or other methods, notify the public that it retains grantee Disclosure Reports for the State-administered CDBG program grantees, and provide guidance on how the public may obtain access to this material.

The initial Disclosure Report, as well as any updates, should be filed with other grant-related financial documents.

Following are step-by-step instructions for completion of the RSBGP/CDBG Disclosure Report:

PART I - APPLICANT/GRANTEE INFORMATION

1. Enter Grantee or Applicant's name, address and phone number.
2. a. Check Initial Report if this is the first Disclosure Report completed relative to the grant or Update Report if an Initial Report is already on file.
- b. Leave RSBGP Control Number/Fund Year blank for DRS to complete.
3. Enter Federal employer identification number for local unit of government.
4. Enter at least the type of project, activities to be funded, and location.
5. Check whether grant/application is for a community development or fire protection project.
6. Enter amount of RSBGP funds requested if submitted with an application, or amount under grant agreement, if a signed grant exists.
7. This should be left blank unless specifically advised by the DRS/AEDC. However, if the grant is funded from a local ACEDP Revolving Fund, most or all of the grant may be program income.
8. — Total of c. and d. above.

PART II - OTHER GOVERNMENT ASSISTANCE PROVIDED/APPLIED FOR

Provide name and address of all other State, Federal or Local government agencies either providing assistance with this project or who are being requested to participate in this project. **Program** refers to the name of the program through which assistance is being or will be offered. **Type of Assistance** refers to grant, loan, property donation, etc. **Amount** refers to amount committed or requested by applicant.

PART III – INTERESTED PARTIES

Column (1) Enter an alphabetical listing of all persons with a **reportable** financial interest in the project. A **reportable** (pecuniary) interest is \$50,000 **or** 10% of the amount requested/granted under the RSBGP. Pecuniary interest means any financial involvement in the project, including but not limited to situations in which a person or entity has a 10% or greater equity interest in the project, such as principal officers of a corporation, who share in any profit or resale or any distribution of surplus cash or other assets of the project or receive compensation for any goods or services provided in connection with the project or compensation for any goods or services provided. This list includes consulting engineers, construction contractors, and developers. However, the local RSBGP grant administrator is **not** considered an interested party for the purposes of this report.

It is realized that at the time of application, applicants may not be aware of all interested parties since contracts and agreements for goods and services are not generally awarded until after notice of grant award. After grant award, as the project is being implemented, funds will be committed to interested parties, which will necessitate the submission of an updated Disclosure Report.

Column (2) Enter the Social Security number or Employer Identification number for each person listed.

Column (3) Enter type of participation in the project, e.g., developer, contractor, stockholder, company official.

Column (4) Enter **both** dollar amount and percentage of financial interest in the project for each individual or entity listed in column (1).

PART IV – EXPECTED SOURCES AND USES OF FUNDS

Enter all sources of funds listed in Part II above and identify the uses for each source of funds. All funding sources should be cross-referenced with funding source availability documentation in Appendix B. (See RSBGP Application Proposal Outline Appendix B instructions for reference numbers.)

PART V – CERTIFICATION

This certification requires the signature of the chief local elected official.

UPDATED REPORTS

All applicants/grantees who have submitted initial Disclosure Reports are required to submit updated Disclosure Reports whenever any of the following instances occur:

1. The applicant/grantee discovers that information was omitted from its initial report or last Update Report.
2. Additional persons or entities can be identified as interested parties. These are persons or entities that did not have a pecuniary interest when the initial or last Update Report was submitted (for instance, a construction contractor who is not known until bids are opened), but who can now be identified as having a pecuniary interest that is reportable. An updated Disclosure Report will be required at the preconstruction conference prior to release of the RSBGP construction funding.
3. There is an increase in the amount of pecuniary interest of a person or entity identified in the last report.
4. There is a change in other governmental assistance from that which was provided in the last report.
5. There is a change in the source and/or use of funds from that which was provided in the initial or last update report.

Grantees must constantly monitor their projects to ensure that updated Disclosure Reports are submitted within 30 days of any change and meet one of the five criteria discussed above.

- (b) The Rural Services Block Grant Program (the "RSBG") is funded through the United States Department of Housing and Urban Development's Small Cities Community Development Block Grant Program and is administered for the state by the Division.

Section 2: Definitions

- (a) "Categorical grants" are defined as grants included in the Arkansas Community and Economic Development Program and the RSBGP.
- (b) "LMI" means low to moderate income.
- (c) "Match" is defined as a combination of donated land, materials, or cash comprising at least ten percent (10%) of the project cost estimate provided by the applicant.
- (d) "Rural area" is defined as all the territory of the State of Arkansas that is not within the outer boundary of any city or town having a population of twenty thousand (20,000) or more, according to the latest census, or within such a city or town's neighboring, urbanized areas.

Section 3: Funding Eligibility

- (a) The following entities are eligible for RSBGP funding:
 - (1) Cities and towns in an Arkansas rural area with less than three thousand (3,000) residents;
 - (2) Whose population is at least fifty-one percent (51%) LMI; and
 - (3) Cities not currently a party to one categorical grant and counties that are not currently a party to two categorical grants. Grants awarded through other AEDC programs do not contribute to this threshold.
- (b) The Division shall maintain a list of LMI percentages and forms and instructions for determining LMI eligibility for an area.

Section 4: Project Eligibility
