Arkansas Cemetery Board Rules

Rule 1. — TITLE.

These Rules shall be known as the Rules of the Arkansas Cemetery Board.

Section 1. Authority

This rule is promulgated pursuant to Ark. Code Ann. §§ 23-61-1103(a)(5)(C), 23-61-1109(a)(4), and 20-17-1304(2).

Section 2. Purpose

The purpose of this rule is to provide requirements that are applicable to perpetual care cemeteries and the cemetery companies who own and operate perpetual care cemeteries.

Section 3. Definitions

RULE 2. — DEFINITIONS.

~~When the terms listed below are used in the Act, the Grant Fund Act, any rules or forms promulgated under the Act or Grant Fund Act, or any order of the Cemetery Board under the Act or Grant Fund Act the following definitions shall apply, unless a contrary definition is expressly provided or clearly required by the context, to the extent that they do not conflict with the definitions set forth in the Act or Grant Fund Act.~~

~~2.01 — Act means the Cemetery Act for Perpetually Maintained Cemeteries, Ark. Code Ann. § 20-17-1001 et seq., as the same may be codified and amended from time to time.~~

A. “Board” means the State Board of Embalmers, Funeral Directors, Cemeteries, and Burial Services.

B. “care and maintenance” means the continual maintenance of the cemetery grounds and graves in keeping with a properly maintained cemetery.

C. “cemetery” means any land or structure in this state dedicated to, and used or intended to be used for, interment of human remains. It may be either a burial park for earth interments, a mausoleum for vault or crypt interments, or a combination of one (1) or more burial parks for earth interments and mausoleums for vault or crypt interments.

~~A-D.~~ “cemetery company” means an individual, partnership, corporation, limited liability company, or association, now or hereafter organized, owning or controlling cemetery lands or property, and conducting the business of a cemetery or making an application to the Board to own or control the lands, or conduct the business.

~~2.02 Deed means an instrument of bond, contract, or conveyance used to convey an interest in real property.~~

E. “cemetery deed” or “instrument of conveyance” means a deed or certificate that conveys the right of interment or entombment in the lot or grave space. The right of interment or entombment is subject to the rules of the perpetual care cemetery.

The term “instrument of conveyance” is included here to reference those other documents that convey the burial right, or right to inter, sometimes titled a certificate.

~~2.03 Grand Fund Act means the Insolvent Cemetery Grant Fund Act, Act 429 of 2009 effective July 31, 2009, codified as Ark. Code Ann. § 20-17-1301 et seq. as amended.~~

I. “interment” means the lawful disposition of the remains of a deceased person as provided by law.

~~2.05 Insolvent Cemetery means a cemetery that has been declared Insolvent by a state or federal court.~~

J. “lawn crypt” means an interment space sometimes referred to as a “belowground crypt”, “Westminster”, or “turf top crypt” in a preplaced chamber or burial vault either side-by-side or at multiple depths, covered by earth and sod.

K. “lot or grave space” means a space of ground in a cemetery used or intended to be used for interment therein.

~~L. 2.06~~ M. “mausoleum” means a community-type structure or room or space in a building or structure used or intended to be used for the interment of human remains in crypts or niches, as defined in section 20-17-1002(10) of the Act
