SUBJECT: Boot Camp Program

- I. **Authority:** The authority of the Board of Correction to promulgate this Administrative Regulation is confirmed in Act 50 of 1968 as amended and Act 492 of 1989.
- II. **Purpose:** To establish policy concerning the operation of a boot camp program.
- III. **Applicability:** To eligible inmates and department staff.
- IV. **Policy:** It shall be the policy of the Department of Correction to allow selected inmates of the same sex to voluntarily participate in a 105-day (15 weeks) program of intensive behavior modification in an arduous, physically demanding, military-like environment, otherwise known as a "boot camp." The Boot Camp Program is an intensified correctional program to deter repetition of criminal behavior and illegal drug use reducing the need for long term incarceration. Upon successful completion of the program, as described in the Boot Camp Program Manual, the inmate will be administratively transferred to supervision in the community.
- V. **Procedures:**

Only offenders who have not been previously incarcerated for a felony in an adult facility and are serving sentences of ten years or less for non-violent offenses, as described in the Boot Camp Program Manual will be eligible for the program. The following procedures have been established for the selection of inmates to be assigned to the program.

A. Non-Eligibility:

Inmates who represent an unacceptable threat to the public will be ineligible for the program.
