SUBJECT: Funds/Clothing for Released Inmates

In the event of legitimate need for issuance of clothing to the inmate, clothing will be provided from other than state supported sources.

Upon being notified of an inmate's release date, the Warden/Center Supervisor or his/her designee will determine the inmate's need for clothing upon the inmates's release. The inmate should be asked if he/she desires such clothing and, if so, his/her wardrobe should be examined to determine whether or not there is legitimate need. This determination is based on what personal clothing he/she has and its condition. If deemed necessary, the Department of Correction will furnish the proper size clothing appropriate for the season and current weather conditions.
