Summary of proposed amendments to the Sentencing Standards and Seriousness Reference Table

Pursuant to Arkansas Code Annotated § 16-90-803, the Arkansas Sentencing Standards Seriousness Reference Table (the “Table”) represents the vertical axis of the Sentencing Standards Grid. The horizontal axis of the grid is represented by the offender’s prior criminal history. Offenses are ranked with a seriousness level between one and ten, with ten being the most serious.

In many cases, the seriousness ranking of an offense determines the percentage of an offender’s sentence which must be served prior to become eligible for transfer to community supervision. This proposed amendment will add the rankings of offenses created or modified by the 93rd General Assembly to the Table. This amendment also clarifies policy statements regarding statutory overrides.

POLICY STATEMENTS

Community Correction Centers

Only defendants who have been found guilty of a "target" offense are eligible to be sentenced to a Community Correction Center. Sentences to a Community Correction Center should only be utilized for those who the Court would otherwise sentence to the Division of Correction. The Sentencing Commission strongly encourages local courts to utilize the services of the Community Correction Centers in lieu of penitentiary time in appropriate cases. Offenses designated as "target offenses" are defined in A.C.A. § 16-93-1202(10)(A).

~~Please Note: Target offense designations are made to be helpful, but are **ADVISORY ONLY**. Please refer to A.C.A. §§ 16-93-1201 et seq. for legal definitions.~~

Minimum Sentences

~~The Sentencing Commission recognizes that the presumptive sentences recommended in some cells of the grid may fall below the minimum sentence to imprisonment for the classification of an offense (Pursuant to A.C.A. § 5-4-104). A court may sentence a defendant to a term of imprisonment and suspend imposition of sentence as to an additional term of imprisonment up to or over the minimum sentence. While this is not considered a departure, please use Aggravating Departure Reason 13 to note that this exception applies.~~

Felony DWI/BWI

~~For each felony level of DWI/BWI, a minimum incarceration sentence is required by statute. See A.C.A. § 5-65-111. Since neither probation nor SIS is allowable, no departure reason is required. See A.C.A. § 5-4-104(e).~~

Statutory Override

The Sentencing Commission recognizes that the presumptive sentences recommended in the Sentencing Grid may fall above or below the statutory range for a given offense. The statutory minimum or maximum ranges for a particular crime shall govern over a presumptive sentence if the presumptive sentence should fall below or above such ranges. A.C.A. § 16-90-803(b)(3)(C). While this is not considered a departure, please use Aggravating Departure Reason 13 to note that this exception applies.

Offenses/Offenders that are Statutorily Ineligible for CCC

If an ineligible offender is sentenced to the ADC from a grid cell that has CCC as a presumptive sentence, and the length of the ADC sentence is within the statutory parameters for sentences to CCC, the sentence will NOT be considered a departure for purposes of the Sentencing Guidelines. For example, a sentence of six (6) years in the ADC for Battery in the Second Degree, SL 4, CHS 0 is not a departure. While this is not considered a departure, please use Aggravating Departure Reason 16 to note that this exception applies.
