

ARKANSAS HIGHER EDUCATION COORDINATING BOARD  
PUBLIC NOTICE

Pursuant to Arkansas Code Annotated § 25-15-201 et seq., notice is hereby given that the Arkansas Higher Education Coordinating Board is considering amendments to policies to implement a productivity-based funding model for state-supported institutions of higher education. The amendments address the non-credit workforce productivity metric that was to be included in the funding recommendations for state-supported two year institutions of higher education in future years as well as changes to current metrics for both two year and four year institutions of higher education to address unintended consequences that have arisen since implementation of the model.

The public comment period begins on September 13, 2019 and ends on October 12, 2019 at 5:00 p.m. The proposed rules are available for public review and comments. Copies of the proposed rules are available at the Arkansas Department of Higher Education, 423 Main Street, Suite 400, Little Rock, AR 72201 and are available on our website at [www.adhe.edu/data-publications/higher-education-policies/pending-policies](http://www.adhe.edu/data-publications/higher-education-policies/pending-policies).
