7. With respect to the agency's answers to Questions #5 and #6 above, is there a new or increased cost or obligation of at least one hundred thousand dollars (\$100,000) per year to a private individual, private entity, private business, state government, county government, municipal government, or to two (2) or more of those entities combined?

Yes                      No x

If YES, the agency is required by Ark. Code Ann. § 25-15-204(e)(4) to file written findings at the time of filing the financial impact statement. The written findings shall be filed simultaneously with the financial impact statement and shall include, without limitation, the following:

- (1) a statement of the rule's basis and purpose;
- (2) the problem the agency seeks to address with the proposed rule, including a statement of whether a rule is required by statute;
- (3) a description of the factual evidence that:
  - (a) justifies the agency's need for the proposed rule; and
  - (b) describes how the benefits of the rule meet the relevant statutory objectives and justify the rule's costs;
- (4) a list of less costly alternatives to the proposed rule and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;

- (5) a list of alternatives to the proposed rule that were suggested as a result of public comment and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
- (6) a statement of whether existing rules have created or contributed to the problem the agency seeks to address with the proposed rule and, if existing rules have created or contributed to the problem, an explanation of why amendment or repeal of the rule creating or contributing to the problem is not a sufficient response; and
- (7) an agency plan for review of the rule no less than every ten (10) years to determine whether, based upon the evidence, there remains a need for the rule including, without limitation, whether:
  - (a) the rule is achieving the statutory objectives;
  - (b) the benefits of the rule continue to justify its costs; and
  - (c) the rule can be amended or repealed to reduce costs while continuing to achieve the statutory objectives.

## **MARKUP COPY**

Section 1.19(27) ***Microbrewery-Restaurant Distribution Permit*** authorizes a microbrewery-restaurant licensee to sell beer or malt liquors and hard cider of its own manufacture to a wholesale dealer for the purposes of resale to retail licensees in Arkansas under the three-tier system of distribution. The total aggregate brewing limitation for a Microbrewery-Restaurant shall be in the amount of ~~20,000~~ ~~twenty thousand~~ ~~(20,000)~~ forty-five thousand (45,000) barrels per calendar year from all facilities under common ownership with the microbrewery. In addition, any holder of a microbrewery-restaurant distribution permit may transport and ship its beer and malt liquor by appropriate means for delivery outside the State of Arkansas to business entities licensed and qualified to accept such products in their respective states; (Amended 9-16-15)

## **SUMMARY OF SUBSTANTIVE CHANGES**

Act 308 of 2017 increased the barrel production from 20,000 to 45,000 barrels. This change reflects that current limitation.
