Ms. Dycus:

Please run the following notice as a Legal Notice on Friday, April 18, 2014 through Sunday, April 20, 2014, for a total of three (3) consecutive days.

The Legal Notice should read as follows:

LEGAL NOTICE

In compliance with Act 434 of 1967, the Arkansas Administrative Procedure Act, as amended, notice is hereby given that the Commissioner of Revenue for the State of Arkansas intends to adopt Rule 2014-2, titled "Alternative Fuels Tax/Liquefied Natural Gas (LNG) Rule." The purpose of this rule is to facilitate compliance with the Alternative Fuels Tax Law, Act 1119 of 1993, as amended, and to facilitate the administration, enforcement, and collection of the taxes levied by Ark. Code Ann. § 26-62-101, *et seq.* as it relates to liquefied natural gas (LNG).

The public hearing will be held May 14, 2014, at 1:00 p. m. in the second floor conference room (#2330) of the Ledbetter Building, 1816 W. 7th Street, Little Rock, Arkansas 72201. All interested parties may attend and present their views on the subjects and issues involved. Written comments may be mailed to John H. Theis, Assistant Commissioner of Revenue, Policy and Legal, Department of Finance and Administration, P. O. Box 1272, Ledbetter Building-Room 2440, Little Rock, Arkansas 72203-1272; or by fax to (501) 683-1161.

NOTE: Upon completion of the running of this Legal Notice, please send my office (Room 2460) a bill in quadruplicate so that a check can be issued to the newspaper.

If you have any questions, or need to discuss this matter further, please contact me. Thank you.

Sincerely,

Monica Carmichael
