

## **NOTICE OF PUBLIC HEARING**

The Arkansas Racing Commission will meet on December 2, 2014, at 11:00 a.m. in the Commission office located in the 1515 Building, 1515 West Seventh Street, Suite 500, Little Rock, Arkansas, to consider the adoption of the following rule:

(1) Thoroughbred Rule 1232(A). This proposed Rule prohibits veterinarians (other than “Designated Lasix Veterinarians”) from administering Lasix (furosemide) to a client’s horse on the day the horse is scheduled to race at Oaklawn Park prior to the running of the race, or after 6:00 p.m. on the day immediately before such race day. The Rule permits the administration of Lasix on race day by “Designated Lasix Veterinarians” who do not perform any other veterinary services for any horse entered or expected to be entered to race at Oaklawn Park, during the then current race meet.

Any persons wishing to speak for or against any of the above proposed rule should appear at the meeting on December 2, 2014, and they will be given the opportunity to express their views. Persons wishing to submit written comments on the above rule should send them to the Arkansas Racing Commission office, P.O. Box 3076, Little Rock, Arkansas 72203, prior to the close of business on December 1, 2014. Copies of the complete text of the rule can be obtained from the Racing Commission office during normal business hours, and from the Secretary of State’s office.
