

Rule 2163(a) Amendment Summary

This Amendment of Rule 2163(a) sets forth the current standards for jockey and rider headgear.

Rule 2163(a) Mark Up

2163 (a). All jockeys, exercise persons, outriders and other persons riding horses on the grounds of Oaklawn Park shall at all times while mounted on a horse wear appropriate protective headgear and have their chin straps fastened. This rule shall apply from the time the stable is open for training ~~in the fall~~ until it is closed after the race meeting ~~in the spring~~, and shall be enforced by all trainers. The protective headgear must meet any of the following standards:

- (1) American Society for testing and Materials (ASTM 1163);
- (2) UK Standards (EN 1384 and PAS 015);
- (3) Australian/New Zealand Standards (AS/NZ 3838).
