Executive Summary of Amendment to Pregnancy Help Organizations Grant Program Rule Amendment

Amendment to the Rule Regarding Method of Administering the Pregnancy Help Organizations Grant Program

May 27, 2025,

PURPOSE

The Arkansas Department of Finance and Administration is seeking Governor Sarah Sanders review of the amendment of the rule to administer the Pregnancy Help Organizations Grant program.

BACKGROUND

Pursuant to the authority vested in the Secretary of the Department of Finance and Administration (DFA) by Ark. Code Ann. §§ 25-8-102(a) and Act 1006 of the 2025 Regular Session, 95th General Assembly, the Secretary of the Department of Finance and Administration, with the approval of the Governor, will administer the Pregnancy Help Organizations Grant program by making sub-grants to organizations that provide services to pregnant women with the purpose of encouraging them to give birth to their unborn.

KEY POINTS

The proposed amendment to the rule:

- Provides \$2 Million in additional funding and extends the time for the implementation of the Pregnancy Help Organization Grant Program
- Updates defined terms.

DISCUSSION

Pregnancy Help Organizations preserve public peace, health, and safety by providing a range of services to individuals facing unintended pregnancies. These pregnancy help organizations have been underfunded. This amendment will extend the time for the grant program to indefinitely allow centers in need to apply for grant funding to assist with serving pregnant women provided that the General Assembly continues to authorize funding.

RECOMMENDATION

DFA recommends that the proposed amendment to the rule be approved as proposed by DFA.
