SUMMARY OF AMENDMENTS TO THE RULES AND REGULATIONS FOR COSMETOLOGY IN ARKANSAS

The Rules and Regulations for Cosmetology in Arkansas are being changed to:

1. Change the definition of postsecondary school (Rule 2.20) from the previous version so that only students with a high school diploma or its equivalent can be enrolled.
2. Add language to Rule 3.2 requiring that schools wishing to enroll both secondary and postsecondary students obtain both licenses and have a process in place to ensure that only students with a high school diploma receive Title IV funding.
3. Add the word “appropriate” to Rule 5.1(a)(5) to make it clear that the correct license must be held to operate a school or salon.
4. Add the following requirements to Rules 7.3 & 7.5 for applications for postsecondary schools of cosmetology (public and private):
 - Proof that each student enrolled has a high school diploma or its equivalent.
 - Proof that the school adopts and discloses to the students the complaint process outlined in Rule 11.
5. Add a section on the educational requirements for enrollment in a postsecondary school to Rule 7.11.

RULE NO. 1 COSMETOLOGY SECTION

(1.1) Authority

The following Rules and Regulations for Cosmetology in Arkansas were duly promulgated by the Arkansas State Board of Health pursuant to the authority expressly conferred by the laws of the State of Arkansas in ARK code ann. §17-26-101 et seq. and other applicable laws of the state.

(1.2) Purpose

These Rules and Regulations are prepared for the purpose of establishing standards to regulate the vocation of cosmetology and its related occupations, to provide for the licensing of persons to carry on and to teach such vocation, to regulate the conduct and sanitation of cosmetological establishments, ~~and~~ schools of cosmetology and postsecondary schools of cosmetology so as to prevent the spreading of communicable diseases and, to provide penalties for violation thereof.

(1.3) Investigations, Hearings, or Inspections

(A) The Department of Health shall conduct investigations and inspections as promulgated by rule. Initial, routine and complaint inspections are conducted to ensure compliance with the licensing law and rules. Any inspector shall have the authority to enter into and inspect any cosmetological establishment at any time during business hours. An inspector is a person with five (5) years of experience in the licensed practice of cosmetology. Cosmetological establishments are routinely inspected between 2-4 times a year to ensure compliance with the licensing law and rules promulgated by the Board unless complaints are received by the Department. The inspectors examine licenses; inspect buildings and equipment; check accumulated hours and number of students in ~~cosmetology~~ schools of cosmetology or postsecondary schools of cosmetology; report violations of the law or rules; investigate complaints; rate inspections; and perform yearly initial inspections of new cosmetological establishments.

(B) After final Department action is taken, in the event a licensee should wish to appeal final Department action to the Cosmetology Technical Advisory Committee, this appeal must be made in writing to the Department, and must be made within thirty (30) days of receipt of final Department action.

(1) Hearings conducted by the Cosmetology Technical Advisory Committee may be held bimonthly for review of cases for which disciplinary action may be required.

(2) Except as provided in subdivision B.2.a. of this rule, a hearing attended by two (2) or more members of the committee is a meeting.

(a) A final order shall not be imposed by fewer than three (3) members.

(b) A final order imposed by the committee may be appealed to the state Board of Health within thirty (30) days of its receipt.

(1.4) Location

The office of the Cosmetology Section is located at 4815 West Markham, Little Rock, Arkansas 72205. All matters related to cosmetology licensing should be directed to the Section of Cosmetology office by calling 501-661-2000 or by emailing the Section at Cosmo@arkansas.gov. Information may also be obtained by accessing the Department's Website at www.healthystateofarkansas.com.

RULE NO. 3

REQUIREMENTS FOR COSMETOLOGY AND RELATED OCCUPATIONS

(3.1) Establishment

Any person, firm or corporation conducting or operating a cosmetological establishment ~~or school of cosmetology~~ shall be required to obtain a current establishment license prior to operating said establishment. The proprietor shall be responsible for compliance with the law and all rules promulgated by the Board.

(3.2) School of Cosmetology or Postsecondary School of Cosmetology

(a) Any person, firm or corporation conducting or operating a school of cosmetology or a postsecondary school of cosmetology shall be required to obtain a current school license prior to operating said establishment school. The proprietor shall be responsible for compliance with the law and all rules promulgated by the Board.

(b) An institution wishing to teach both secondary and post-secondary students shall obtain both a license for a School of Cosmetology and a license for a Postsecondary School of Cosmetology. The

institution shall also provide a procedure by which it will ensure that only students with a high school diploma or the equivalent are enrolled in the post-secondary school and receive Title IV funds.

(3.23) Practitioner

No person shall practice any phase of cosmetology and its related occupations with the intent of receiving compensation when the person does not hold a current and valid license issued by the Board, nor can any licensed cosmetologist practice any phase of cosmetology and its related occupations other than in a licensed cosmetological establishment or wig salon, except when services rendered involve a special event in which the cosmetology service is to be performed for an on-site participant of the event.

(3.34) Demonstrator

Demonstrators shall (a) be free from communicable disease, (b) wash hands before serving each client, and (c) maintain good hygiene practices.

Licensed cosmetological establishments employing Demonstrators shall be responsible for ensuring compliance with the Department's health and safety guidelines and failure to follow these guidelines will result in disciplinary action by the Cosmetology Technical Advisory Committee.

**RULE NO. 4
EXAMINATIONS**

(4.1) Eligibility

The Department will admit to examination for a license any person who has acquired training in cosmetology, manicure, aesthetics, electrology, or instructor as stipulated in A.C.A. 17-26-304, 17-26-306, 17-26-307 and 17-26-410. Any person who owes a financial obligation to the Department will be deemed ineligible to examine until the debt is paid in full.

(A) If the training was provided in this state, then the school of cosmetology or postsecondary school of cosmetology is responsible for submitting a Certificate of Training form to the Department confirming the completion of hours. Hours must be certified by the school of cosmetology or postsecondary school of cosmetology in order to be eligible for the examination. Certified hours mean that tuition has either been paid in full or the person has signed a promissory note that is acceptable to the school of cosmetology or postsecondary school of cosmetology.

(B) If the Department's records agree that the person has met all eligibility requirements, and does not owe a financial obligation to the Department, then the person will be deemed eligible to schedule for examination. If the training was provided in another state, then the reciprocity applicant must meet eligibility requirements stipulated in A.C.A. 17-26-315 and Rule 9. In order to determine this has occurred, a reciprocity applicant must complete an Arkansas Reciprocity Form and submit it with the appropriate fee. The applicant is also responsible for arranging to have sent to the Department his/her certification from the other state in which he/she is licensed or has completed an education. If the Department determines eligibility requirements are met, the reciprocity candidate will be required to take either the Arkansas state law examination and, if necessary, the Arkansas written and/or practical exams.

(4.2) General Policies and Procedures

(A) The Department and/or any designated testing provider will establish exam deadline dates, cancellation policies, interpreter policies, supply requirements and dress codes for examinations. All such information shall be made readily available to cosmetology schools of cosmetology, postsecondary schools of cosmetology, students and reciprocity applicants. Updated Candidate Information Bulletins

(CIBs) will be posted on the Department's website and, if appropriate, on the website of the designated testing provider responsible for administering practical examinations.

(B) The Department and/or designated testing providers will comply with the American with Disabilities Act (ADA) of 1990 concerning special accommodations that may be needed by a candidate. Applicants seeking special accommodations must submit the form to the Department along with all required documentation.

(4.3) Grades

A passing grade of seventy-five (75) is required in the practical part and a grade of seventy (70) is required in the written part pertaining to the mandated curriculum, as well as the state law exam. In addition, a grade of seventy (70) is required on the state law exam when taken independently.

RULE NO. 5

REQUIREMENTS FOR ~~BOTH COSMETOLOGICAL SCHOOLS OF COSMETOLOGY,~~ ~~POSTSECONDARY SCHOOLS OF COSMETOLOGY~~ AND ESTABLISHMENTS

(5.1) Health and Safety Rules

(A) Enforcement

(1) A salon owner, ~~or~~ school of cosmetology owner or postsecondary school of cosmetology owner and the person in charge of any such salon, ~~or~~ school of cosmetology or postsecondary school of cosmetology, shall be liable for implementing and maintaining the Health and Safety Rules in the salon, ~~or~~ school of cosmetology or postsecondary school of cosmetology. This shall be done individually and jointly with all persons employed by or working in or on the premises of such salon, ~~or~~ school of cosmetology or postsecondary school of cosmetology. All practitioners, school of cosmetology owners, postsecondary school of cosmetology owners, establishment owners, students and demonstrators shall be held individually liable for implementation and maintenance of the Health and Safety Rules as applicable.

(2) To assure compliance with the laws and rules governing the operations of schools of cosmetology, postsecondary schools of cosmetology and salons, the Department's authorized representatives shall have access to the premises of any school of cosmetology, postsecondary school of cosmetology or salon, at any time that the school, postsecondary school or salon is open for business or at any time that the instruction or practice of cosmetology is being conducted.

(3) Refusal to permit, or interference with, an inspection and/or audit constitutes a cause for disciplinary action.

(4) All persons performing acts of cosmetology and its related occupations except students in schools of cosmetology or postsecondary schools of cosmetology, shall present satisfactory proof of identification upon request by an authorized representative of the Department. All persons working in a salon, school of cosmetology, postsecondary school of cosmetology shall present a photographic driver's license or photographic identification card issued by any state, federal, or other recognized government entity. Failure to present valid proof of identification shall be grounds for disciplinary action.

(5) Conducting or operating a school of cosmetology, postsecondary school of cosmetology or salon without the appropriate current, valid license shall be grounds for disciplinary action.

(6) Allowing a person to engage in or attempt to engage in the occupation of a cosmetologist, manicurist, electrologist, aesthetician or barber in or about a salon or allowing a person to engage

in or about a school of cosmetology or postsecondary school of cosmetology, without a current valid Arkansas license shall be grounds for disciplinary action.

(7) Performing acts of cosmetology or attempting to perform acts of cosmetology, without a current, valid Arkansas license shall be grounds for disciplinary action.

(B) Consumer Information.

(1) A copy of the Health and Safety Rules shall be conspicuously posted in reception areas of ~~both~~ schools of cosmetology, postsecondary schools of cosmetology and establishments and in classrooms of schools.

(2) All establishments, ~~and~~ schools of cosmetology, and postsecondary schools of cosmetology licenses, practitioners' licenses, student permits and instructor licenses shall be conspicuously posted in a designated place in reception areas, at the individual work stations, or in the clinic area.

(3) No license which has expired or become invalid for any reason whatsoever shall be displayed by any person in connection with the practice of cosmetology or any of its branches. Any expired or invalid license so displayed shall be surrendered to the Department upon request.

(C) Physical Facilities

(1) **Water Supply and Sewage** – A safe and adequate supply of continuous hot and cold running water shall be provided from an approved source. All water-carried sewage shall be disposed of by means of an approved sewage disposal system constructed and operated in conformance with the standards established for such systems by the Arkansas Department of Health.

(2) **Plumbing** – Plumbing shall be installed and maintained to promote the following:

(a) to carry adequate quantities of water to required locations throughout the school of cosmetology, postsecondary school of cosmetology or salon;

(b) to prevent contamination of the water supply;

(c) to properly convey sewage and liquid wastes from schools of cosmetology, postsecondary schools of cosmetology or salons to the sewerage or sewage disposal system; and

(d) to not constitute a source of contamination of equipment, implements, supplies, or create an unsanitary condition or nuisance. All plumbing shall conform to the current State Plumbing Code.

(3) **Toilet Facilities, Fixtures and Plumbing** – Where toilet facilities are made available or otherwise required, said facilities, fixtures and other plumbing shall be installed in accordance with the Arkansas State Plumbing Code and meet standards set by the Arkansas Department of Health. No toilet facility shall be used for storage.

(4) **Hand Washing Facilities** – Each school of cosmetology, postsecondary school of cosmetology and each salon shall provide hand washing facilities installed in accordance with the Arkansas State Plumbing Code. The facilities shall have a soap dispenser (with soap) and disposable towels or an air dryer for hands. Common towels are prohibited.

(5) **Drinking Water** – Each school of cosmetology, postsecondary school of cosmetology and each salon shall supply drinking water from a supply meeting the requirements set forth by the Arkansas Department of Health. No school of cosmetology, postsecondary school of cosmetology or salon shall provide any cup, glass, or other receptacle for common use.

(6) **Garbage and Refuse** – Garbage and refuse shall be kept in durable, easily cleanable, insect-proof and rodent-proof containers that do not leak and do not absorb liquids. No school of cosmetology, postsecondary school of cosmetology or salon shall permit an accumulation of garbage or refuse. Garbage and refuse shall be disposed of often enough to prevent the development of odor and the attraction of insects and rodents.

(7) **Insect and Rodent Control** – Each school of cosmetology, each postsecondary school of cosmetology and each salon shall be kept in such condition as to prevent the harborage or feeding of insects or rodents. Openings to the outside shall be effectively protected against the entrance of rodents and insects.

(8) **Cleanliness and Repair** – Each school of cosmetology, each postsecondary school of cosmetology and each salon shall keep the floors, mats, walls, woodwork, ceilings, equipment, doors, windows, mirrors, lights and similar closures, furnishings, attached equipment, decorative materials and fixtures clean and in good repair. Concrete or pumice blocks used for interior wall construction shall be finished, filled and sealed. All of the above mentioned items shall be free of leak spots, mildew, peeling paint and shall be easily cleaned.

(9) **Floor Construction** – Floors and floor coverings of each school of cosmetology, each postsecondary school of cosmetology and each salon in the working area or clinical area shall be constructed of smooth, non-absorbent, durable material such as sealed concrete, terrazzo, ceramic tile, durable grades of linoleum or plastic and shall be maintained in good repair. Worn, torn, or broken floor coverings shall be replaced.

(10) **Carpet** – Carpet shall not be permitted in the working area or clinical area. Carpet, if used as a floor covering in other areas of a school of cosmetology, postsecondary school of cosmetology or salon, shall be of closely woven construction, properly installed, easily cleanable, and maintained in good repair. Worn or torn carpet shall be replaced.

(11) **Lighting** – Permanently fixed artificial light sources shall be installed to provide sufficient light on the working area or clinical area.

CERTIFICATE OF REGISTRATION AND LICENSURE

(6.1) Enforcement

Any person, firm, or corporation conducting or operating a cosmetological establishment shall be responsible for compliance with the licensing code and rules of the Board governing cosmetological establishments. Failure to comply with the licensing code and rules shall be grounds for disciplinary action.

(6.2) Authorization

(A) Any person, firm or corporation who has applied for a license to operate a cosmetological establishment will receive a letter authorizing the owner to operate the establishment, provided that the owner has certified compliance with the licensing code and the rules of the Board. The letter shall be conspicuously posted in the salon.

(B) A letter of authorization to operate a cosmetology establishment will expire within twelve (12) months of the date of issuance and/or upon certification by a representative of the Department that said salon is not in compliance with the licensing requirements (whichever occurs first).

(6.3) Changes and Notification Requirements

(A) **Name Change** – When the name of an established salon is changed from the name which appears on the original application, the owner of record shall file an application with the Department for approval and shall submit the required fee. Failure to comply with this section within thirty (30) days of changing the name of the salon will be grounds for disciplinary action.

(B) **Ownership Change** – When the ownership of an established salon is changed from the ownership that appears on the original application, the owner on file with the Department and the new owner shall complete the change of ownership form and submit it to the Cosmetology Section within thirty (30) days of said sale or transfer. At the same time, the new owner, lessee or other legally responsible party shall submit the required fee. Failure to comply with this section shall be grounds for disciplinary action.

(C) **Relocation** – When the location of an established salon is changed, it shall be classified as a new salon and said owner shall comply with the licensing code and rules relating to the original issuance of a salon license.

(D) **Closure** – Within thirty (30) days after a salon is closed, the owner shall complete the closure form and shall return the salon license to the Department.

(6.4) General Licensure Requirements

(A) **Permits/Licensure** – Selling products, in a salon, that require the seller to hold a special permit

or license by Federal or State authorities shall be classified as another type of business. Other types of businesses shall be separated from a salon in accordance with the requirements specified below in Subdivision B.

(B) Separation of Salon from other businesses

(1) Unsanitary conditions – A salon and any other type of business that may create an unsanitary condition (for example, restaurant, grocery store, pet store, etc.) shall be physically separated by solid walls (from the floor to the ceiling) of permanent construction and shall not have doors or openings of any kind between the businesses. Further, the owner shall submit a document issued by the Arkansas Department of Health certifying that the ventilation system(s) of said businesses meets the minimum requirements of the Arkansas Department of Health.

(2) Other businesses not specified in Subdivision B (1) - A salon shall be permitted to conduct business in conjunction with a health and beauty profession provided the person is licensed and regulated by the State of Arkansas.

(3) Barber Establishment License – Any salon that permits a licensed barber to practice the vocation of barbering in the salon, shall also hold a barber establishment license issued by the Arkansas State Board of Barber Examiners.

(C) Equipment

(1) In addition to the minimum equipment specified in Rule No. 5.1 each salon shall have and maintain a sufficient number of towels, implements, instruments and equipment to ensure that contaminated items are not used on clients.

(2) Each salon shall have and maintain equipment that meets industry standards for the type of cosmetological services provided to clients of the salon. The salon shall have and maintain adequate equipment to ensure the health, safety and welfare of the clients served in the salon.

(3) Electrical and non-electrical equipment in each salon shall be maintained and tested periodically to determine that said equipment is functioning in accordance with the manufacturer's specifications. Equipment that is not operable or functioning in accordance with the manufacturer's specifications shall be repaired or discarded.

(4) Appliances used for the preparation of food shall be prohibited in the working or clinical area or reception area. The use of said appliances is restricted to preparation of food for employees or practitioners working in the salon.

(D) Requirements for testing laboratory products

(1) When laboratory-prepared products are used in a licensed cosmetological establishment, for field testing, full disclosure shall be provided to the model or client so the model or client may make an informed decision as to whether the product should be applied.

(2) The establishment owner or his/her designee will be required to provide the client or model with a data sheet which states: the name and address of the manufacturer which produces the product, the name and address of the practitioner applying the product and the date and results of the test.

(3) The client or model will be required to sign the document which also certifies that the model or client is aware that the product is being applied for testing purposes. A copy of the document is to be kept by the establishment owner and a copy must be given to the client or model for the

records.

(C) All schools [of cosmetology or postsecondary schools of cosmetology](#) shall have an additional Instructor subject to call at all times in the event the regular Instructor is ill or absent from the school [of cosmetology or postsecondary school of cosmetology](#).

(D) Instructors shall be permitted to tutor students after school [of cosmetology or postsecondary school of cosmetology](#) hours providing services are not performed on the public during tutoring sessions and students are not given credit for hours spent in the tutoring capacity.

(7.179) Responsibility of Schools [of Cosmetology or Postsecondary Schools of Cosmetology](#)

(A) Monthly Reports [for Schools of Cosmetology or Postsecondary Schools of Cosmetology](#)

(1) All schools [of cosmetology or postsecondary schools of cosmetology](#) are required to report to the Cosmetology Section office, by the tenth (10th) day of each month, all students currently enrolled in the school during the month. The monthly report shall reflect the number of hours acquired in the school during the month and the accumulated hours during the current enrollment.

(2) The Cosmetology Section will notify the school of cosmetology or postsecondary school of cosmetology when an error has been made on the monthly report. Upon receipt of this notification the school of cosmetology or postsecondary school of cosmetology owner or instructor is required to check their records and appraise the Cosmetology Section office of the corrections made within the week.

(3) All schools of cosmetology or postsecondary schools of cosmetology have thirty (30) calendar days from the submission date of the monthly report to report any errors in the hours submitted on the monthly report. Copies of the time cards and/or supporting documentation related to the error shall support corrections.

(4) No changes to student hours will be made after the thirty (30) day timeframe without good cause.

(5) No school of cosmetology or postsecondary school of cosmetology owner or instructor shall ever refuse to submit a Certificate of Training form for a student, as well as a Balance Due on Tuition form, if applicable, pursuant to Rule 7.102 (D).

(B) Daily Records and Inspection for Schools of Cosmetology or Postsecondary Schools of Cosmetology

(1) Every school of cosmetology or postsecondary school of cosmetology shall keep a daily record of attendance on each student enrolled. A time clock shall be used for the purpose of recording hours.

(2) Every school of cosmetology or postsecondary school of cosmetology shall keep a daily record of the student's activity. The time the student has acquired in the various phases of cosmetology or its related branches shall be recorded on this record.

(3) The school of cosmetology or postsecondary school of cosmetology shall establish a grading system and hold examinations before issuing diplomas.

(4) All necessary basic subjects, in accordance with the Department's curriculum shall be taught in the proper sequence and depth to prepare each student both for the licensing examination and for successful entry level work in the profession.

(5) A course outline and daily lesson plans shall be used by the school of cosmetology or postsecondary school of cosmetology. A course outline shall be provided to students so they will be apprised of the upcoming activities.

(6) Schools of cosmetology or postsecondary schools of cosmetology shall be inspected to determine compliance with applicable licensing code and rules governing ~~cosmetology~~ schools of cosmetology or postsecondary schools of cosmetology and programs administered in a state or public-operated school. A school license will be issued upon receipt of a compliance inspection by a representative of the Department. During an inspection, the inspector may review the records maintained by the school of cosmetology or postsecondary school of cosmetology; review the course outline and lesson plans and generally evaluate the operation of the school of cosmetology or postsecondary school of cosmetology. School of cosmetology or postsecondary school of cosmetology owners may contact the Department to discuss the recommendations and/or to request a

hearing before the Cosmetology Technical Advisory Committee. Failure to comply with the licensing requirements will be grounds for disciplinary action and license denial.

**RULE NO. 12
EQUIPMENT AND CHEMICAL USE
IN COSMETOLOGY AND ITS RELATED BRANCHES**

(A) Equipment

(1) A licensed cosmetologist and aesthetician may use equipment classified by the U. S. Food and Drug Administration (FDA) as a Class I device. Class I devices are considered to be less invasive and the potential for harm to the public is minimal. Examples of a Class I device are electrolysis, red light LED, Galvanic and microdermabrasion.

(2) Equipment classified by the FDA as a Class II device shall not be used in the cosmetology industry. Examples of a Class II device are intense pulse light (IPL), blue light LED, ultrasound and laser.

(3) Equipment classified by the FDA as a Class III or Class IV device shall not be used in the cosmetology industry.

(4) A licensed cosmetologist and aesthetician shall immediately provide proof of the FDA classification for equipment found in their possession during an inspection, as it is the licensee's responsibility to research this matter prior to purchasing the equipment.

(B) Chemical

(1) A licensed cosmetologist and aesthetician may use the following chemical exfoliation substances:

(a) no more than 50% alpha hydroxyl acid (AHAs which includes glycolic, tartaric, malic or lactic acids. Such AHAs shall not be lower than a pH of 2);

(b) no more than 20% beta hydroxyl acid (BHAs which include salicylic acid);

(c) Trichloroacetic Acid (TCA) with levels of less than 20%;

(d) Jessner's solutions;

(e) 2% resorcinol; and

(f) Proteolytic enzymes (such as papain and bromelain) when used with an accelerator.

(2) No person performing any type of cosmetological services is permitted to use the following:

(a) Retinoids;

(b) Carbolic acid (phenol);

(c) Products listed above that exceed the stated maximum levels or combinations thereof;

(d) All adulterated chemical exfoliating/peeling substances.

(C) Equipment and chemical exfoliation substance services shall only be administered in an establishment, ~~or school~~ [of cosmetology or postsecondary schools of cosmetology](#) licensed by the Board and shall only be performed by a licensed practitioner that follows the appropriate health and safety guidelines.

(D) Prior to providing services related to cosmetic resurfacing and/or exfoliating, cosmetologists or aestheticians shall inform each client that the following may increase the client's susceptibility to adverse reactions as a result of the procedure:

(1) currently under physician's care or treatment;

(2) HSV (cold sores) predisposition;

(3) whether client is currently pregnant;

(4) history of cosmetic related irritant or allergic reaction;

(5) frequency of sun exposure or tanning bed use;

(6) use of topical and/or oral medications, such as tretinoin (aka Retin-A, Renova);

(7) isotretinoin (aka Accutane);

(8) previous facial plastic/reconstructive surgery.

(E) If the client history indicates a positive answer to any questions set forth in subsection (D) above, a predisposition patch test must be performed 24-hours before the procedure is performed and/or written approval from a physician must be provided to authorize the procedure.

(F) Prior to providing any services related to cosmetic resurfacing and/or exfoliating, cosmetologists and aestheticians shall do a visual inspection of the client's skin for the following conditions:

(1) degree of sebaceous activity (skin oiliness), acne, telangiectasias (broken capillaries) and degree of photodamage;

(2) open cuts, sores, lesions or apparent skin irritation or sensitivity.

(G) Cosmetologists and aestheticians shall conclude all cosmetic resurfacing and/or exfoliating procedures with application of UVA/UVB SPF 15 (or higher) sunscreen to client before discharge.

(H) Cosmetic resurfacing exfoliating substances shall not be performed when the cosmetologist or aesthetician has reason to believe a client:

(1) is under the supervision of a physician for skin related disorders;

(2) is pregnant;

(3) is post-chemical peel;

(4) has laser treatments or plastic/reconstructive surgery without the written approval of the physician.

(I) Cosmetic resurfacing exfoliating substances shall not be administered to skin exhibiting open cuts, sores, sunburn, chemical or thermal burns, apparent skin irritation or sensitivity.

(J) Disposable implements, including needles and lancets, are recommended, but non-disposable implements if used must be properly sterilized with an autoclave. Implements that cannot be sterilized with an autoclave must be sterilized with an EPA approved disinfectant. Dry sterilizer or UV lights are not acceptable sterilization techniques.

(K) The use of Liquid Methyl Methacrylate (MMA) Monomer is prohibited.

(L) Performing services prohibited under this section shall be grounds for disciplinary action by the Cosmetology Technical Advisory Committee.

7. With respect to the agency's answers to Questions #5 and #6 above, is there a new or increased cost or obligation of at least one hundred thousand dollars (\$100,000) per year to a private individual, private entity, private business, state government, county government, municipal government, or to two (2) or more of those entities combined?

Yes ☐ No ☒

If YES, the agency is required by Ark. Code Ann. § 25-15-204(e)(4) to file written findings at the time of filing the financial impact statement. The written findings shall be filed simultaneously with the financial impact statement and shall include, without limitation, the following:

- (1) a statement of the rule's basis and purpose;
- (2) the problem the agency seeks to address with the proposed rule, including a statement of whether a rule is required by statute;
- (3) a description of the factual evidence that:
 - (a) justifies the agency's need for the proposed rule; and

- (b) describes how the benefits of the rule meet the relevant statutory objectives and justify the rule's costs;
- (4) a list of less costly alternatives to the proposed rule and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
- (5) a list of alternatives to the proposed rule that were suggested as a result of public comment and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
- (6) a statement of whether existing rules have created or contributed to the problem the agency seeks to address with the proposed rule and, if existing rules have created or contributed to the problem, an explanation of why amendment or repeal of the rule creating or contributing to the problem is not a sufficient response; and
- (7) an agency plan for review of the rule no less than every ten (10) years to determine whether, based upon the evidence, there remains a need for the rule including, without limitation, whether:
 - (a) the rule is achieving the statutory objectives;
 - (b) the benefits of the rule continue to justify its costs; and
 - (c) the rule can be amended or repealed to reduce costs while continuing to achieve the statutory objectives.
