Subject: Publication questions

Good Afternoon.

I need to run a Notice of Rulemaking in the paper for 3 consecutive days.

I have not done this previously and there are a few questions I have. Can I pick a start date? Like March 30th and running the 30th through April 1, 2020.

I have attached the notice. Can you tell me up front what the cost would be? I may be able to shorten if needed.

How do you bill me for the notice? Is the information below enough information?

Sorry for all the questions. I want to do it right.

I am so Sorry!

When reviewing my document, somehow when changing to May 1, it changed to 2016 without me noticing.

I have attached the update, May 1, 2020 notice.

Please forgive me for the additional work.
