Proposed Rule Regarding Animal Chiropractic

PURPOSE

The Arkansas State Board of Chiropractic Examiners is seeking amendments to the Animal Chiropractic Rule. Amendment is according to Act 390 of 2021.

BACKGROUND

Pursuant to ACA §17-81-101, the Board has authority to promulgate rules necessary to carry out the functions of the Board. Several pieces of legislation were enacted in the 2021 General Session that affected the Board's administrative functions and/or licensure requirements that would require amendments to current rules. The ASBCE Board, Board Director, and legal counsel prepared the attached rule amendments as a result of this legislation. The Board approved these proposed amendments at their November 4, 2021 and December 9, 2021 board meetings.

KEY POINTS

The proposed amendments contain the following changes:

- Adds the statement "or the equivalent thereof" into the current rule according to the new Act, in order to provide additional options for certification programs other than the AVCA.

DISCUSSION

The board's current rule is being updated according to the recent change in Act 390 of 2021.

RECOMMENDATION

We recommend that the proposed amendments to the Board's Rule be approved as proposed by the Board.

Thank you for your time and attention.

Sincerely,

Laurie Mayhan
