AUTHORITY

In accordance with A.C.A. 25-17-307, the Board of Trustees of Arkansas Tech University establishes the following rules and regulations for the registration, operation, and parking of motor vehicles on Arkansas Tech University campuses. These rules and regulations are binding on all members of the faculty, staff, student body and others utilizing the lands owned or controlled by Arkansas Tech University. Lands owned or controlled by Tech will henceforth be known as the CAMPUS for purposes of clarification in this brochure.

Arkansas Tech Department of Public Safety officers are constituted peace officers by A.C.A. 25-17-305, by action of the Board of Trustees, and under the laws of this state possess all the authority provided by law for city police and county sheriffs to be exercised as required for the safety and protection of the University community.

Enforcement of traffic regulations on the Tech campus is the responsibility of the Department of Public Safety. All drivers will observe and obey the orders of the Department of Public Safety officers while such officers are engaged in the performance of their respective duties. This includes producing and rendering identification and hangtags requested.

YOU ARE RESPONSIBLE FOR COMPLYING WITH ALL RULES AND REGULATIONS

REGISTRATION OF VEHICLES

Registration shall be accomplished at the time of regular registration for the fall, spring or summer semesters at the Department of Public Safety or at locations and times specified. Only one hangtag may be registered per person and only one vehicle per person shall be parked on campus.

Vehicles are defined as any self-propelled vehicle having two or more wheels.

All vehicles on Tech campuses are required to register and display a current parking hangtag. Parameters for the operation and parking of motor vehicles may be viewed on the campus map.

Hangtags are valid from August 15 one year through August 15 of the next year. After securing a hangtag at the Department of Public Safety, charges are assessed to the individual's account at the Office of Student Accounts.

Hangtags must be displayed by hanging on the rear view mirror so the number can be read through the front windshield from the outside. These hangtags can be moved from vehicle to vehicle. Do not tape hangtag on vehicle or lay on dash or seat.

Lost/stolen hangtags are full price for replacement.

Summer term hangtags will be one-half the original cost.

Hangtags are the responsibility of the purchaser and must be removed prior to sale or transfer of the vehicle or upon termination of employment or withdrawal from the university.

Falsifying registration information, such as buying hangtags for another person in his/her name will be fined \$75.00. Also, the person who allows another individual to purchase a hangtag for him/her will be fined \$75.00.

Charges will be assessed at the time of registration of the vehicle as follows for all faculty, staff and students and other non-Tech employees.

A. \$30.00 for the calendar year (August 15 through August 15)

B. \$30.00 from the beginning of the second semester through August 15

C. \$15.00 for summer term

Hangtag fees are non-refundable

Temporary Hangtags are available at the Department of Public Safety for faculty, staff and students who have misplaced their hangtag. These hangtags are provided at no cost and are valid for a maximum of seven days.

ACCIDENTS

All traffic accidents occurring on the campus or grounds controlled by the University must be reported immediately to the Department of Public Safety by calling on campus 479-968-0222. If you are unable to contact the number, call 911 on campus and ask that the Tech officer on duty be dispatched to your location.

DISABILITY PARKING

As required, a number of parking spaces have been set aside for use by handicapped individuals only. Each space has been marked with signs and or blue and white paint on the space. If these spaces are full, you may park in any color zone but not in spaces marked as loading zones, timed parking and reserved as long as you display your valid disability license plate or placard. Vehicles found illegally parked in these spaces are subject to towing and impoundment fees.

Only individuals who have been issued, and are displaying, a disability license plate or placard issued by the State of Arkansas are permitted to park in spaces marked with blue and white stripes. Vehicles must also have valid Tech hangtag.

License plates, decals and placards may be obtained from the State Revenue Office at 105 South Rodchester, Russellville, AR. For information, call 479-968-1526.

Transfer of a disability license or placard is a violation of the Arkansas state law. The offender will be ticketed accordingly.

TEMPORARY DISABILITY PARKING

Persons requesting temporary disability status for parking must be authorized by the Tech Health and Wellness Center located in Dean Hall and, if eligible, then obtain a special Temporary hangtag from the Department of Public Safety. You will then be eligible to park in the areas marked **RED** or handicapped space only for the dates specified.

SPECIAL EVENT PARKING

Contact the Department of Public Safety at 479-968-0222 or email at dps@atu.edu

VISITOR PARKING

Visitors are always welcome on campus and may park in any non-restricted area. **Currently enrolled students or employees are not considered visitors.** Visitor spaces are never considered part of open parking.

Visitors, please secure a visitor's hangtag at no cost at the Department of Public Safety or through the office you are visiting.

Visitors with the hangtag may use any color parking area. Visitors without the hangtag may park only in the areas marked "Visitors Only." Visitors who park in violation may be issued a parking citation.

MOTORCYCLES AND MOTORBIKES

Motorbikes, motor scooters, motorcycles and bicycles must be operated only on streets normally designated for automobile use. A hangtag must be displayed if parked on campus or an optional decal may be affixed to the left front fork.

APPEALS

All appeals will be dealt with according to the rules and regulations stated in this booklet. All appeals must be made within three school days. Appeals made after three school days will not be considered.

All faculty, staff and student appeals should follow the above procedures. Appeal forms are available at Department of Public Safety.

PARKING REGULATIONS

All parking regulations will be enforced 7 days a week, 24 hours a day.

1. The responsibility for finding a legal parking space rests with the vehicle operator.
2. Lack of space is not a valid excuse for violating a parking regulation.
3. Standard parking/traffic regulations and definitions, as enacted in the Arkansas Motor Vehicle and Traffic Laws and State Highway Commission Regulations will be rigidly enforced on the Tech campus at all times, including legal holidays and the time between semesters when classes are not in session.
4. Violators of established Parking and Traffic Regulations may be issued a Uniform Traffic Ticket payable in Municipal Court in Russellville, Arkansas, in lieu of a Tech citation.
5. Violation notices will be affixed to the motor vehicle or presented to the driver. Payment may be either mailed or paid in person at the Student Accounts Office in the Doc Bryan Building.
6. Vehicles are considered parked when left standing, stopped or unattended for any period of time.
7. It is illegal to re-use a ticket.
8. Pedestrians have the right-of-way at designated crosswalks at all times except at signal-controlled intersections where pedestrians will be expected to comply with the signal.
9. Students, faculty and staff members are expected to be familiar with and abide by the regulations at all times. The fact that any vehicle does not receive a violation notice while his/her vehicle is parked or operated in violation of any regulation or law does not mean or imply that such a regulation or law is invalid.
10. Due to evolving changes, signage will supercede zones as marked on the map.
11. Vehicles are assumed abandoned if left parked and stationary for a period of two weeks. Such vehicles will be towed at the owner's expense.
12. School buses and other large vehicles, as well as special purpose vehicles, are required to park in areas designated by the Department of Public Safety.
13. You are responsible for all violations by a vehicle displaying a hangtag issued in your name. If you lend your car, proper operation of the vehicle is still your responsibility.
14. Only one type of Tech hangtag is to be displayed on a vehicle at a time.
15. Obey regulatory signs and barricades established by the Department of Public Safety.
16. Vehicles will not be operated on the Tech campus without required safety equipment prescribed by the vehicle code of the State of Arkansas.
17. Vehicles parked in parallel parking spaces must be parked with the passengers' door to the curb with flow of traffic.
18. Loading zones around residence halls are to be utilized by students for loading/unloading. A maximum of 15 minutes will be observed at all times.
19. Vehicles will be parked within designated parking boundaries and in no case shall they overlap into or onto roadway, crosswalk or sidewalk. The fact that other vehicles are parked improperly shall not constitute an excuse for parking with any part of the vehicle over the line.
20. The time limit on 15 minute zones will be observed at all times.
