Procedures

RULES GOVERNOR'S SCHOLARS PROGRAM

~~Recognizing that Arkansas' bright young leaders make valuable contributions not only to colleges and universities but also to the state, the Arkansas Legislature enacted the Governor's Scholars Program for the purpose of encouraging Arkansas' best high school students to remain in Arkansas for their college education. Each year, Arkansas' academically superior high school graduates will be offered scholarships from the state to assist them in their undergraduate studies at any of Arkansas' public or private colleges or universities.~~

~~The Governor's Scholars Program is divided into two designations:~~

MARKUP COPY

~~**Governor's Distinguished Scholarships**—students who meet the following minimum eligibility criteria are eligible to be named Governor's Distinguished Scholars: either a 32 composite score on a single ACT or 1410 combined math and critical reasoning score on a single SAT AND 3.50 academic grade point average, OR selection as a National Achievement Finalist or National Merit Finalist. If funding allows, up to 300 375 Governor's Distinguished Scholars may be named. If there are more eligible applicants than available scholarships, the department may determine a procedure for awarding additional scholarships while not exceeding available funds.~~

~~**Governor's Scholarships**—students who do not meet the Governor's Distinguished Scholars criteria compete for the Governor's Scholarship, which will be awarded to the student who scores the highest in each of Arkansas' 75 counties (based on the student's county of residence). Selection is based on the following: 45% ACT or SAT score, 35% high school grade point average in academic courses, 10% class rank, and 10% leadership.~~

~~Act 1218 of 2009 established an additional requirement that an applicant must graduate from an Arkansas high school to be considered for the Governor's Scholarship designation. This act also granted authority to the Arkansas Department of Higher Education (ADHE) to determine the necessary procedures for the awarding of scholarships if the number of eligible applicants exceeds the available funds or available awards.~~

~~In compliance with the Administrative Procedures Act of 1979, a public hearing was announced in a newspaper of general circulation to discuss the rules and regulations that will govern the Governor's Scholars Program. The hearing will be held on _____, in conjunction with a meeting of the Arkansas Higher Education Coordinating Board.~~

The following resolution is offered for the Board's consideration:

~~**RESOLVED**, That the Arkansas Higher Education Coordinating Board adopts the rules and regulations presented in this agenda item for the Governor's Scholars Program, to be administered jointly by the Arkansas Department of Higher Education and approved Arkansas Institutions of Higher Education.~~

~~**FURTHER RESOLVED**, That by the adoption of the rules and regulations presented in this agenda item, the Director of the Arkansas Department of Higher Education or her designee is authorized to promulgate these rules and regulations and to implement them for the 2016-2017 academic year.~~

~~**FURTHER RESOLVED**, That the Director of the Arkansas Department of Higher Education or her designee is authorized to make technical changes and corrections when necessary in the program rules for the Governor's Scholars Program.~~
