

OCTOBER 10, 2008

PARK DIRECTIVE 2000

CALENDAR YEAR 2009 FEES AND RATES

Fees and rates are reviewed each year and are approved for the next calendar year by the State Parks, Recreation, and Travel Commission, and the Legislative Subcommittee on Administrative Rules and Regulations, as required.

All Park Superintendents will provide Regional Supervisors with recommendations and requests. All recommendations and requests will include a comparative list of fees and/or rates from similar local facilities and must be fully substantiated. In addition, requests for concession operated facilities will be submitted, to include justification by each concessionaire.

Regional Supervisors should receive all information in sufficient time to prepare for the scheduled review of fees and rates each year.

I. TAXES

All taxable facilities and services will have applicable state and local taxes added to or included in the fee at the time of use/sale. The gross receipts or gross proceeds derived from sales of tangible personal property or services to churches or charitable organizations are not exempt from the tax unless the items are purchased for resale by the church or charitable organization.

A. EXEMPTIONS

Sellers of tangible personal property or taxable services need not collect the tax upon the gross receipts or gross proceeds derived from the sales of tangible property or services to the following organizations:

The Revenue Division of the Department of Finance and Administration does not issue any exemption certificates except those expressly authorized by the Gross Receipts Tax Act (as amended). Consumers who represent to sellers that their purchases of property or services are exempt from tax by reason of an exemption for which no exemption certificate is issued must conclusively prove entitlement to the exemption to the seller. All permits with 9000 as the last four digits are withdrawn effective January 1, 1987, and holders of said permits should apply to the Sales and Use Tax Section for a new permit.

NOTE: Checking with the Department of Finance and Administration we were told that the department no longer issues exemption certificates. However exemption certificates that were issued in the past have not been revoked and are still valid. If a permit number has six or seven numbers, a dash and the number 84, another dash and additional numbers it is a valid tax exemption certificate.

Park Directive 3155

PET POLICY FOR STATE PARK CABINS

As an accommodation to guests traveling with their dogs, Arkansas State Parks will designate dog friendly cabins. State Park lodges and duplex cabins are not eligible for dog friendly designation (service animals used by disabled guests qualifying under ADA are permitted), but at least one cabin per ten cabins in each of the following locations will be established as “dog friendly”:

Devil’s Den
Lake Catherine
Mount Magazine

Mount Nebo
Petit Jean
Village Creek

However, park staff at each location will keep a list of nearby kennels to direct guests to for their pets.

I. POLICY REQUIREMENTS:

- A. Each guest must sign a dog policy liability agreement and the registration form (see Form 0900 FAC 208 - Attachment A, and Attachment C).
- B. Guests renting/reserving a “dog friendly” cabin will be notified prior to making a reservation that the cabin is designated as pet friendly.
- C. Cabin guests must request a dog-friendly cabin prior to arrival.

II. POLICY REGULATIONS

- A. The number of dogs per cabin is limited to two (2), regardless of size.
- B. A non-refundable fee of \$40 per dog for 2009 will be collected at check-in and covers the duration of the renter’s stay. (See PD 2000 for future fee changes.)
- C. Dogs must be attended all times, at any location in the park, including vehicles. Should it become necessary to leave dogs unattended inside a cabin, they must be crated. Staff will inform guests of this requirement at the time of registration.

- D. Dog owners are responsible for any damages caused by the pet.
- E. Dog owners are responsible for cleaning up after their pets inside and outside the cabin.
- F. Dog owners whose dogs create a disturbance that annoys other guests may be asked to leave the park with no refund of remaining rental fees.
- G. Dog owners must bring proof of current rabies vaccination for each dog.
- H. Dogs must be free of ticks, fleas, and mange.
- I. Female dogs must not be in season (in heat).
- J. Dogs may not be tied to trees, fences, or anchored to the ground.
- K. Dogs may not be taken into any park facility that is not designated as pet friendly.
- L. Dogs must be house trained.
- M. Dogs must be on a leash at all times when outside the cabin.
- N. Extra fees will be assessed when extra cleaning is required or if there is damage to the cabin, furniture, or fixtures. Park management will assess damage fees based on materials and labor required to make the necessary repairs and /or clean-up.
- O. Park management reserves the right to prohibit any dog on the premises that may pose a risk to guests or staff, or has a history of causing trouble.
- P. Housekeeping staff will complete the Housekeeping Check List for Dog Friendly Rentals (Form 0900 FAC 209, Attachment B). No longer than thirty days after each calendar year, park superintendents will provide a summary report from these check lists to the Manager of Operations with a copy to the Regional Supervisor. This report is to include an annual occupancy percentage for each dog friendly cabin.

ARKANSAS STATE PARKS DOG POLICY LIABILITY AGREEMENT

In an effort to accommodate dog owners, Arkansas State Parks now offers designated cabins for guests who travel with their dogs. The new policy has been established to protect you and to insure all guests enjoy their stay at state park cabins.

Rules for guests with dogs staying in pet friendly cabins are as follows:

- There is a \$40.00 fee per dog for the duration of your stay (limit two).
- The fee will be collected at check-in.
- Dogs must always be attended any time, anywhere (cabin, vehicle, etc.) The exception will be when a dog is crated inside a cabin.
- Dog owners are responsible for cleaning up after their pets in and outside the cabin area.
- Dog owners whose dogs create a disturbance and annoy other guests may be asked to leave the park with no refund of remaining rental fees.
- Dog owners must provide proof of current rabies vaccination for each dog.
- Dogs must be free of ticks, fleas, and mange.
- Female dogs must not be in season (in heat).
- Dogs may not be tied to trees, fences, or anchored to the ground.
- Dogs may not be taken into other park facilities that are not designated pet friendly.
- Dogs must be house trained.
- Dogs must be on a leash at all times when outside the cabin.
- Park management reserves the right to prohibit any dog on the premises that may pose a risk to guests or staff or has a history of causing trouble.
- Additional fees may be incurred when extra cleaning is required or if any damage to the cabin or fixtures is discovered. Fee assessments will be based on materials and labor required to make necessary repairs.

As a dog owner, I have read this agreement and will adhere to the terms and conditions herein. I agree to pay any extra charges relating to damage caused by my pet(s). If I have used a credit card to pay the cost of the room or cabin, I authorize you to have the additional charges for damage added to my charge bill. I also agree to indemnify the State of Arkansas, Department of Parks and Tourism, and hold the State (AR/ADPT) and its employees harmless for any damage the pets cause to third parties or the property of third parties. I also understand that the State has no responsibility for the safety or care of my pet(s) and release the State from all liability related to their care and safety.
