PARK DIRECTIVE 2000

CALENDAR YEAR 2019 FEES AND RATES

Fees and rates are reviewed each year and are approved for the next calendar year by the State Parks, Recreation, and Travel Commission, and the Legislative Subcommittee on Administrative Rules and Regulations, as required.

All Park Superintendents will provide Regional Supervisors with recommendations and requests. All recommendations and requests will include a comparative list of fees and/or rates from similar local facilities and must be fully substantiated. In addition, requests for concession operated facilities will be submitted, to include justification by each concessionaire.

Regional Supervisors should receive all information in sufficient time to prepare for the scheduled review of fees and rates each year.

I. TAXES

All taxable facilities, services and special events will have applicable state and local taxes added to or included in the fee at the time of use/sale. The gross receipts or gross proceeds derived from sales of tangible personal property or services to churches or charitable organizations are not exempt from the tax unless the items are purchased for resale by the church or charitable organization.

II. LODGING, PACKAGE PLANS, AND FEES

Rates for state operated lodge rooms and cabins are based on standard accommodations double occupancy, with exceptions as noted. Facility Managers are authorized to negotiate room rates with groups in discount increments up to 20%. One room may be comped for each fifteen (15) rooms rented. Flat rate room requests are negotiated from average cost. For tour groups, managers will comp one room per group and one meal for Tour Directors. If the group is sufficiently large, two rooms can be comped.
