CHAPTER 1: GENERAL PROVISIONS

Reg.30.101 Authority

This regulation is promulgated pursuant to provisions of the Remedial Action Trust Fund Act of 1985 (Act 479 of 1985, as amended, A.C.A. § 8-7-509(e)(1).

Reg.30.102 Purpose

The Arkansas Remedial Action Trust Fund Hazardous Substances Site Priority List identifies those hazardous substance sites for which expenditures are authorized from the Hazardous Substances Remedial Action Trust Fund pursuant to the provisions of the Arkansas Code, Annotated, § 8-7-509(d)(2) and (d)(3). It is not a site inventory or historical list. Sites are numbered sequentially as they are added to the list, and a particular site's position on the list is not relative to its hazard ranking or degree of risk or potential risk.

Reg.30.103 Definitions

When used in connection with this regulation, terms shall have the meaning defined at Arkansas Code, Annotated, § 8-7-503, or as defined at APC&EC Regulation No. 23 § 260.10.

Reg.30.104 Severability

If any provision of this Regulation or the application thereof is held invalid, such invalidity shall not effect other provisions of this Regulation which can be given effect without the invalid provision or application and to this end the provisions of this Regulation are declared to be severable.

CHAPTER 2: NATIONAL PRIORITY LIST SITES

Reg.30.201 Description

Hazardous substance sites listed in this Chapter are those which pose a potential substantial endangerment to human health and/or the environment, and for which State funds have been approved to match or supplement Federal funding for remedial actions pursuant to CERCLA. Criteria for listing a particular site is governed by APC&EC Regulation No. 23, §§ 26(c), 26(d), 26(e), and 26(i).
