Inpatient Reimbursement

Effective for dates of service occurring August 1, 2001 and after, inpatient services that are furnished by CAHs that are enrolled in the Arkansas Medicaid CAH Program will be reimbursed by interim per diem rates with year-end cost settlements. Cost settlements are determined from provider submitted cost reports and are based on 100% of reasonable costs. Reasonable costs is defined as total reimbursable costs under Medicare principles of cost reimbursement for CAHs.

Annual cost reporting requirements are the same as those for hospitals enrolled in the Arkansas Medicaid Hospital Program as found in Attachment 4.19-A of this Plan. In addition to these requirements, a hospital that converts to a CAH, and whose effective date of Medicaid enrollment as a CAH is a date other than the day following the last day of the facility's established cost reporting period under its enrollment in the Arkansas Medicaid Hospital Program, must submit partial-year cost reports under each program in which it maintained enrollment during the cost reporting period.

Interim per diem rate calculations, access to subcontractor's records provisions, audit function responsibility and the rate appeal procedures are the same as those for hospitals enrolled in the Arkansas Medicaid Hospital Program as found in Attachment 4.19-A of this Plan.

In addition to the interim per diem rate calculations identified in Attachment 4.19-A, a CAH's initial interim per diem rate will be the most recent interim per diem rate it received under its prior enrollment in the Arkansas Medicaid Hospital Program; or the interim per diem calculated from the most recent full year's cost report it submitted under its prior enrollment in the Arkansas Medicaid Hospital Program. In the event that a hospital enrolled in the Arkansas Medicaid Hospital Program converts to a CAH before it has had an interim per diem rate in effect for a full cost reporting period, the State will set the facility's CAH interim per diem rate at the mathematical mean of established CAHs per diem rates in effect on the date Medicaid establishes as the facility's date of enrollment in the Arkansas Medicaid Critical Access Hospital Program.
