100.000 GENERAL INFORMATION

10-13-03

100.100 Introduction

10-13-03

Section I imparts general program information about the Arkansas Medicaid Program. It includes information about recipient eligibility and explains the provider's role and responsibilities in utilizing the program. The Primary Care Case Management (PCCM) Program is explained in detail. The information conveyed will provide users with an understanding of Medicaid Program policy. It also contains information the provider may need to answer questions often asked about the Medicaid Program.

Four major areas are covered in Section I.

-
- A. General information about the program - This area contains information regarding the background, history and scope of the Medicaid Program, including information about Medicaid waivers and/or programs covered by the Division of Medical Services.
 - B. Recipient eligibility - This area contains information about Medicaid recipient aid categories, recipients' eligibility for benefits, an explanation of the Medicaid identification card, the recipients' responsibilities and other recipient information.
 - C. Provider participation - This area specifies the provider enrollment procedures, the general conditions that must be met by providers to begin and to maintain program participation and remedies and sanctions that the Division of Medical Services may employ in the administration and regulation of the Arkansas Medicaid Program.
 - D. Primary Care Case Management Program (PCCM) - This area defines the scope of the Primary Care Case Management program and provider and enrollee participation. It lists the categories of eligibility that are exempt from primary care physician (PCP) referral requirements and itemizes the services that do not require PCP referral. PCP enrollment and enrollment transfer procedures are explained, as are PCP referral requirements and procedures.

101.000**Provider Manuals****10-13-03**

Provider manuals contain the policies and procedures of the Arkansas Medicaid Program. These policies and procedures are generally based on federal and state laws and federal regulations. Medicaid provider manual policy and procedures, and changes thereto, will be promulgated as required by the state's Administrative Procedures Act.

When fully utilized, each program manual is an effective tool for the provider. It provides information about the Medicaid Program, covered and non-covered services, billing procedures and detailed instructions for accurate completion of claims.

Provider manuals are available at the Arkansas Medicaid Web site (<http://www.medicaid.state.ar.us>), on the Arkansas Medicaid Provider Reference compact disc (CD) and on paper. As new providers are enrolled, they will be asked if they have Internet access to the provider manuals. Those who do not have Internet access will be asked to specify the medium they will use. Providers are encouraged, however, to use an electronic medium.

101.100**Provider Manual Organization****10-13-03**

The manuals are organized as follows:

- A. Section I – general information
- B. Section II – program policy and program-specific billing information, including special billing
- C. Section III – generic billing information
- D. Section IV – glossary
- E. Section V – forms and contact information
- F. Appendix A – update log followed by transmittal letters
- G. Official Notices
- H. Remittance Advice messages (RAs)

Sections I, III, IV and V are the same in each manual; only Section II is program and provider specific.

The manuals are divided into numbered sections with a heading and a revision date such as “101.000 Provider Manuals 10-13-03”. Text that appears underlined and in blue to Web site and CD users is “linked” to the information being referenced so that it may be viewed or printed. The paper version contains the same underlined text, though not in blue, so paper users must locate the “linked” information in Section V.

101.200 Updates**10-13-03**

Provider manuals are updated when necessitated by changes in federal or state laws, changes in interpretations of the law, changes in federal regulations, changes in DMS policy and procedures and when clarifications are warranted. These changes are released to the provider in the form of a manual update, an official notice or a remittance advice (RA) message.

As changes are made, the changed sections are dated with the revision date of the change. The provider manuals on the Arkansas Medicaid Provider Reference CD, issued quarterly, display the quarterly issuance date in the footer on the left. This will enable the user to ensure that the latest version is being used. Since paper copies may be printed from the CD, the date will appear in the footer of printed copies.

Provider manual changes are made automatically on the Arkansas Medicaid Web site; providers are notified via e-mail or paper when an applicable manual update, official notice or RA is issued. Providers must supply an e-mail address to receive e-mail notification of any supplementary material.

Providers who receive paper copies of manual updates, official notices and RAs must maintain the paper supplements as they are received. Only the revised section(s) are issued in manual updates.

The Arkansas Medicaid Provider Reference CD is updated and issued quarterly; manual updates, official notices and RAs issued during the previous quarter will be incorporated into the CD.

Policy and procedure changes are highlighted in the electronic media (Web site and CD) and are shaded in the paper manuals to aid the provider in quickly reviewing changes; minor wording changes are not highlighted. The highlighting feature is provided as a convenience to providers.

An update transmittal letter accompanies each manual update. Manual updates have sequential identification numbers assigned, e.g., Update Transmittal #1. The transmittal letter identifies the new sections being added and/or the sections being replaced or deleted, explains what is being changed and provides any other information about the update. Manual updates are recorded on the update log located in Appendix A of the manual.

For persons maintaining a printed copy of a manual, the updated manual sections should be manually filed in the provider manual, and the outdated sections should be crossed out or removed, as appropriate. The effective date should be entered on the update log opposite the appropriate update number. Transmittal letters should be filed immediately following the update log in descending numerical order by update number. Immediately following the transmittal letters should be the official notices, which are numbered sequentially and should be filed with the most recent first. The RAs will follow the official notices, with the most recent filed first.

The fiscal agent, EDS, will issue changes as directed by the Division of Medical Services (DMS).

101.300 Obtaining Provider Manuals**10-13-03**

All provider manuals, manual updates, official notices and RAs are available for downloading, without charge, from the Arkansas Medicaid Web site (<http://www.medicaid.state.ar.us/>).

Prior to enrollment, providers will be asked if they have Internet access. Those who do not have Internet access will choose if they want to receive their manual by CD or on paper.

At that time, providers choosing to use the CD will receive a copy of the Arkansas Medicaid Provider Reference CD and will receive the quarterly issues of the CD without charge. The providers using the CD will be asked if they want to receive manual updates, official notices and RAs pertaining to their program through e-mail notification or mailed paper copies. E-mail notifications contain a link to the Arkansas Medicaid Web site; therefore, Internet access is required for e-mail notifications.

Providers choosing a paper copy of their provider manual will be issued a paper copy without charge. These providers will receive paper copies of all manual updates, official notices and RAs that pertain to their program through the mail.

Persons, entities and organizations that are not enrolled providers may purchase a copy of the Arkansas Medicaid Provider Reference CD or a paper copy of a provider manual through EDS.

Enrolled providers may purchase extra copies of the Arkansas Medicaid Provider Reference CD or extra paper copies of a manual through EDS. See information below regarding purchasing copies.

A. Arkansas Medicaid Provider Reference CD

The cost for a copy of the most recent Arkansas Medicaid Provider Reference CD is \$10.00.

B. Paper Manuals

The cost for a printed copy of an Arkansas Medicaid provider manual is \$125.00.

Orders for CDs and printed manuals should be sent to EDS, Technical Publications. A check for the appropriate amount should be included with the order and be written to "EDS". [View or print the EDS manual order contact information.](#)

102.000 Legal Basis of the Medicaid Program

10-13-03

Titles XIX and XXI of the Social Security Act created a joint federal-state medical assistance program commonly referred to as Medicaid. Chapter 77 of the Arkansas Code and Arkansas Code 20-76-201 authorize the Department of Human Services to establish a Medicaid Program.

Title XIX of the Social Security Act provides for federal grants to states for medical assistance programs. The stated purpose of Title XIX is to enable the states to furnish the following:

- A. Medical assistance to families with dependent children, the aged, the blind, the permanently and totally disabled, the medically needy and children under 18 whose income and resources are insufficient to meet the costs of necessary medical services.
- B. Rehabilitation and other services to help these families and individuals attain or retain the capability for independence or self-care.

The Medicaid Program is a joint federal-state program that provides necessary medical services to eligible persons who would not be able to pay for such services.

In Arkansas, the Division of Medical Services administers the program. Within the Division, the Office of Long Term Care is responsible for nursing home policy and procedures.

103.000 Scope of Program

10-13-03

The Arkansas Medicaid Program provides, with limitations, the services listed in Sections 103.100 and 103.200.

103.100 Federally Mandated Services

10-13-03

Program	Coverage
Early and Periodic Screening, Diagnosis and Treatment (EPSDT) (Child Health Services)	Under Age 21
Family Planning	All Ages
Federally Qualified Health Center (FQHC)	All Ages
Home Health	All Ages
Inpatient Hospital	All Ages
Laboratory and X-Ray	All Ages
Certified Nurse-Midwife	All Ages
Nurse Practitioner	All Ages
Nursing Facility	Age 21 or Older
Outpatient Hospital	All Ages
Physician	All Ages
Rural Health Clinic	All Ages

103.200 Optional Services

10-13-03

Program	Coverage
Ambulatory Surgical Center	All Ages
Audiological	Under Age 21
Certified Registered Nurse Anesthetist (CRNA)	All Ages
Child Health Management Services (CHMS)	Under Age 21
Chiropractic Services	All Ages
Dental Services	Under Age 21
Developmental Day Treatment Clinic Services (DDTCS)	Pre-School and Ages 18 and Over
Developmental Rehabilitation Services	Under Age 3
Domiciliary Care	All Ages
Durable Medical Equipment	All Ages
End-Stage Renal Disease (ESRD) Facility Services	All Ages
Hearing Aid Services	Under Age 21
Hospice	All Ages
Hyperalimentation	All Ages
Inpatient Psychiatric Services	Under Age 21
Intermediate Care Facility Services for Mentally Retarded	All Ages
Medical Supplies	All Ages

PROPOSED

Section I

Nursing Facility	Under Age 21
Occupational, Physical and Speech Therapy	Under Age 21
Outpatient Mental Health Services	All Ages
Orthotic Appliances	All Ages
Personal Care	All Ages
Podiatrist	All Ages
Portable X-Ray	All Ages
Prescription Drugs	All Ages
Private Duty Nursing Services (High Technology, Non-Ventilator Dependant, EPSDT Program)	Under Age 21
Private Duty Nursing Services (Ventilator-Dependent)	All Ages
Prosthetic Devices	All Ages
Rehabilitative Hospital and Extended Rehabilitative Hospital Services	All Ages
Rehabilitative Services for Persons with Mental Illness (RSPMI)	All Ages
Rehabilitative Services for Persons with Physical Disabilities (RSPD)	Under Age 21
Respiratory Care	Under Age 21
Respite Care	Under Age 19
Targeted Case Management for Recipients of Children's Medical Services (CMS)	Under Age 21
Targeted Case Management for Pregnant Women	Women Ages 14 to 44
Targeted Case Management for Recipients Age 22 and Older with a Developmental Disability	Age 22 or Older
Targeted Case Management for Recipients Age 60 and Older	Age 60 or Older
Targeted Case Management for Recipients in the Division of Children and Family Services	Under Age 21
Targeted Case Management for Recipients in the Division of Youth Services	Under Age 21
Targeted Case Management for Recipients in the Child Health Services (EPSDT) Program	Under Age 21
Targeted Case Management for Recipients under Age 21 with a Developmental Disability	Under Age 21
Targeted Case Management for SSI Recipients and TEFRA Waiver Recipients	Under Age 17
Transportation Services (Ambulance, Non-Emergency)	All Ages
Ventilator Equipment	All Ages
Visual Care	All Ages

104.000 Services Available through the Child Health Services (EPSDT) Program 10-13-03

Medicaid covers certain services only through the Child Health Services (EPSDT) Program for individuals under age 21. See the Child Health Services (EPSDT) manual and the appropriate provider program manual for more information.

105.000 Services Available through Demonstration Projects and Waivers 10-13-03

The services detailed in Sections 105.100 through 105.190 are available for eligible recipients through waivers of federal regulations.

105.100 Alternatives for Adults with Physical Disabilities 10-13-03

The Alternatives for Adults with Physical Disabilities (APD) waiver has been designed for disabled individuals age 21 through 64 who receive Supplemental Security Income (SSI) or are Medicaid eligible by virtue of their disability and who, without the provision of the services, would require a nursing facility level of care.

APD eligibility requires a determination of categorical eligibility, a level of care determination, the development of a plan of care, a cost comparison to determine the cost-effectiveness of the plan of care and notification of a choice between home and community-based services and institutional services.

The services offered through the waiver are:

- A. Environmental Accessibility/Adaptations/Adaptive Equipment
- B. Attendant Care

These services are available only to individuals who are eligible under the waiver's conditions. More detailed information is found in the APD provider manual.

105.110 ARKids First-B 10-13-03

ARKids First-B was designed to integrate uninsured children age 18 and under into the health care system. ARKids First-B benefits are comparable to those of the state employees/teachers insurance program. Most services require cost sharing.

The following is a summary of the eligibility criteria for ARKids First-B:

- A. Family income must be at or below 200% of the Federal Poverty Level (FPL).
- B. Applicants must be age 18 and under.
- C. Applicants must have had no health insurance that covers comprehensive medical services, other than Medicaid, within the preceding six months (unless insurance coverage was lost through no fault of the applicant).
- D. Applicants whose health insurance is inaccessible are considered to be uninsured. An example of "inaccessible" is when an out of state, non-custodial parent, has HMO insurance for his or her children but the HMO network does not contain medical providers where the children reside, etc.
- E. Children who do not have primary comprehensive health insurance or have non-group or non-employer sponsored insurance are considered to be uninsured. Primary comprehensive health insurance is defined as insurance that covers both physician and hospital charges.

For more information, refer to the ARKids First-B provider manual and to the Arkansas Medicaid Web site at www.medicaid.state.ar.us.

105.120 ConnectCare: Primary Care Case Management (PCCM)**10-13-03**

In ConnectCare, a Medicaid beneficiary selects and enrolls with a primary care physician (PCP) that has contracted with Medicaid to be responsible for managing the health care of a limited number (a number chosen by the PCP, between 10 and 1000) of Medicaid beneficiaries.

PCPs contract with Medicaid to provide primary care, health education and case management for a self-limited number of Medicaid enrollees, in consideration of a monthly per-enrollee case management fee that Medicaid pays him or her in addition to the PCP's regular Medicaid fee-for-service reimbursement.

The PCP is responsible for referring enrollees to specialists and other providers, which includes the responsibility for deciding whether a particular referral is medically necessary. A PCP may make such decisions in consultation with physicians or other professionals as needed and in accordance with his or her medical training and experience; however, PCPs are not required to make any referral simply because it is requested.

A PCP coordinates his or her enrollees' medical and rehabilitative services with the providers of those services. Medical and rehabilitative professionals to whom a PCP refers a patient are required to report to or consult with the PCP, even when the PCP does not so request or protocol does not require a report in order to assist the PCP in coordinating care and in monitoring enrollee's status, progress and outcomes.

Most Medicaid-eligible individuals, as well as children participating in ARKids First-B, must enroll with PCPs in order to receive Medicaid-covered or ARKids First-B services. Some individuals are not required to enroll with a PCP. A few services are covered for all Medicaid and ARKids First-B eligibles without PCP referral. See Sections 170.000 through 183.000 for details regarding ConnectCare.

105.130 DDS Alternative Community Services (ACS)**10-13-03**

The Developmental Disability Services Alternative Community Services (DDS ACS) Waiver is designed for individuals who, without the services, would require institutionalization and could not otherwise reside in the community. Participants must not be residents of a hospital, nursing facility or intermediate care facility for the mentally retarded (ICF/MR).

DDS ACS eligibility requires a determination of categorical eligibility, a level of care determination, the development of a plan of care, a cost comparison to determine the cost-effectiveness of the plan of care and notification of a choice between home and community-based services and institutional services.

Services supplied through this program are:

- A. Case management
- B. Respite care
- C. Supportive living
- D. Community experiences
- E. Consultation services
- F. Waiver coordination
- G. Non-Medical Transportation

- H. Supported employment services
- I. Adaptive equipment
- J. Environment modifications
- K. Supplemental support services
- L. Crisis intervention services
- M. Crisis center

More detailed information may be found in the DDS ACS Waiver provider manual.

105.140 ElderChoices

10-13-03

ElderChoices is designed for individuals age 65 and over, who, without the services, would require an intermediate level of care in a nursing home. The services listed below are designed to maintain Medicaid-eligible individuals at home in order to preclude or postpone institutionalization.

- A. Adult foster care
- B. Homemaker services
- C. Chore services
- D. Home delivered meals
- E. Personal emergency response system
- F. Adult day care
- G. Adult day health care
- H. Respite care

ElderChoices eligibility requires a determination of categorical eligibility, a level of care determination, the development of a plan of care, a cost comparison to determine the cost-effectiveness of the plan of care and notification of a choice between home and community-based waiver services and institutional services.

More detailed information may be found in the ElderChoices provider manual.

105.150 Independent Choices

10-13-03

The Division of Aging and Adult Services (DAAS) and the Division of Medical Services (DMS) jointly administer Independent Choices, a Section 1115 demonstration project. Participants in this project choose to forego traditional personal care services furnished by a Medicaid-enrolled agency in exchange for the right to direct their own care (consumer-direction). Individuals that choose Independent Choices accept the risks, rights and responsibilities that consumer direction involves.

A participant may hire one or more assistants, employing whomever he or she wishes except his or her spouse or a person to whom a court of law has granted legal responsibility for the participant ("a guardian of the person"). Medicaid provides each participant with a cash allowance that the participant uses to meet his or her personal care needs. Participants pay their assistants from their cash allowance. Additionally, the participants may use cash allowance funds for certain other purchases when those purchases are included in their individualized cash expenditure plan.

Independent Choices includes individualized counseling and fiscal agent services provided by counseling fiscal agencies (CFA) that contract with Medicaid for those purposes. Each participant has a designated CFA. A CFA is responsible for educating each of its assigned Independent Choices participants in consumer direction. CFAs are also required to help participants develop and maintain an individualized cash expenditure plan and to provide participants with bookkeeping services related to cash allowance receipts and disbursements.

More detailed information may be found in the Independent Choices Manual.

105.160 Living Choices Assisted Living

10-13-03

Living Choices Assisted Living is a home and community-based services waiver that is administered jointly by the Division of Aging and Adult Services (DAAS) and the Division of Medical Services (DMS). Qualifying individuals are persons aged 21 and older who are blind, elderly or disabled and who have been determined by Medicaid to be eligible for an intermediate level of care in a nursing facility.

Participants in Living Choices must reside in Level II assisted living facilities (ALFs), in apartment-style living units. The assisted living environment encourages and protects individuality, privacy, dignity and independence. Each Living Choices participant receives personal, health and social services in accordance with an individualized plan of care developed and maintained in cooperation with a DAAS-employed registered nurse. A participant's individualized plan of care is designed to promote and nurture his or her optimal health and well being.

Living Choices providers furnish "bundled services" in the amount, frequency and duration required by the Living Choices plans of care. They facilitate participants' access to medically necessary services that are not components of Living Choices bundled services, but which are ordered by participants' plans of care. Living Choices providers receive per diem Medicaid reimbursement for each day a participant is in residence and receives services. The per diem amount is based on a participant's "tier of need", which DAAS-employed RNs determine and periodically re-determine by means of comprehensive assessments performed in accordance with established medical criteria. There are four tiers of need.

Living Choices participants are eligible to receive up to nine Medicaid-covered prescriptions per month. More detailed information may be found in the Living Choices Assisted Living provider manual.

105.170 Non-Emergency Transportation Services (NET)

10-13-03

Medicaid non-emergency transportation (NET) services for Medicaid recipients are furnished, under the authority of a capitated selective contract waiver, by twelve regional brokers. Medicaid recipients contact their local transportation broker for non-emergency transportation to appointments with Medicaid providers.

Providers transporting Medicaid beneficiaries to Developmental Day Treatment Clinic Service (DDTCS) providers for DDTCS services have been allowed to remain enrolled as fee for service providers for that purpose only, if they so choose. All other Medicaid non-emergency transportation for DDTCS clients must be obtained through the regional broker.

The Arkansas Medicaid non-emergency transportation waiver program does not include transportation services for:

- A. Nursing facility residents
- B. Residents of intermediate care facilities for the mentally retarded (ICF-MR)
- C. Qualified Medicare Beneficiaries (QMB)
- D. Special Low Income Qualified Medicare Beneficiaries (SMB)

- E. Qualifying Individual-1 (QI-1 eligibles)
- F. ARKids First-B participants
- G. Women's Health (Family Planning) FP-W category eligibles
- H. Tuberculosis (TB) category eligibles

More detailed information may be found in the Transportation provider manual and on the Arkansas Medicaid Web site at www.medicaid.state.ar.us.

105.180 Respite Care

10-13-03

Respite Care for Children with Physical Disabilities and Respite Care for Children with Mental Retardation or Developmental Disabilities cover respite care for children from birth to 19 years of age.

The purpose of respite care is to decrease the likelihood of an individual's institutionalization by directly assisting the individual. Services provide temporary physical and emotional relief to families who are caring for children with disabilities.

To qualify for respite care, children must be Medicaid eligible as Supplemental Security Income (SSI) beneficiaries or through the Tax Equity and Fiscal Responsibility Act (TEFRA) demonstration project.

Eligibility criteria include a determination of categorical eligibility and a nursing facility or institutional level of care, the development of a plan of care and notification of a choice between home and community-based services or institutional services.

More detailed information may be found in the CMS Respite Care provider manual.

105.190 Women's Health (Family Planning)

10-13-03

The Arkansas Department of Human Services, in collaboration with the Arkansas Department of Health, established the Family Planning Demonstration Waiver Program, renamed the Women's Health Demonstration Waiver Program. Eligibility for the program is limited to women of childbearing age who are not currently certified in any other Medicaid category. The target population contains women age 14 to age 44, but all women at risk of unintended pregnancy are allowed to apply for the program. The family income must be at or below 200% of the Federal Poverty Level.

Participants are not required to have a photo Medicaid identification card. Their Medicaid coverage entitles them to receive only Medicaid covered family planning services. Recipients may use the participating and willing provider of their choice.

106.000 Utilization Review (UR)

10-13-03

The Utilization Review (UR) Section of the Arkansas Medicaid Program has the responsibility for assuring quality medical care for Medicaid eligibles along with protecting the integrity of both state and federal funds supporting the Medical Assistance Program.

The tasks of the Utilization Review Section are mandated by federal regulations. To realize completion of the tasks assigned, a system has been developed which retrospectively evaluates medical practice patterns by comparing each provider's pattern to norms and limits set by all providers of the same specialty. This system utilizes the information that appears on the Medicaid claim.

Utilization Review reports are then printed for all providers who exceed the norms or limits established by their peers. The staff evaluating these computerized reports are experienced medical review analysts who work under the direction of the Medicaid Program's Medical

Director, and who have access to the expertise of a peer review committee plus a full complement of specialty consultants on an as-needed basis.

Review analysts may, from time to time, contact a provider to supply the provider with information from these reports as well as to request additional information regarding their medical practice. The provider's cooperation in responding to these contacts will allow for greater accuracy in evaluation.

The Utilization Review Section is also responsible for conducting on-site medical audits for the purpose of verifying the nature and extent of services paid for by the Medicaid Program. Providers to be reviewed on-site are selected based on Surveillance and Utilization Review Subsystem (SURS) exceptions (the peer weighted computerized program), random sample selection and community referrals. Providers selected for an on-site audit will not be notified in advance.

All Medicaid providers are required to keep and maintain records that fully disclose the type and extent of services provided to an Arkansas Medicaid recipient. Providers are reminded that pertinent records concerning the provision of Medicaid covered health care services are to be made available during regular business hours to all Division of Medical Services staff acting within the scope and course of their employment.

Pertinent records are also to be made available to the Division's contractual review organization, which is Arkansas Foundation for Medical Care, Inc./Quality Improvement Organization (AFMC/QIO).

The nature of the reviews will be to primarily review documentation for services provided, but will, at certain times, be used to evaluate the medical necessity of the delivered services in the view of the professional staff and consultants of the Medicaid Program.

When records are stored off-premise or are in active use, the audited provider may certify, in writing, that the records in question are in active use or off-premise storage and set a date and hour within three (3) working days, at which time the records will be available. However, the audited provider will not be allowed to delay the audit for matters of convenience, including availability of personnel.

This section is responsible for researching all inquiries from recipients in response to the Explanation of Medicaid Benefits (EOMB) and for approving requests for procedures requiring prior authorization.

106.100 Utilization Review Recoupment Process

10-13-03

The Utilization Review Section is responsible for recovering Medicaid funds from providers when necessary. Situations resulting in recoupment include, but are not limited to, the following:

- A. When duplicate payments are made.
- B. When the Quality Improvement Organization (QIO) denies all or part of a hospital admission.
- C. When medical consultants to the Medicaid Program determine lack of medical necessity.
- D. When Medicaid, Medicare or the Attorney General's Medicaid Fraud Unit discovers evidence of overpayment.
- E. When documentation of a billed service is inadequate or non-existent.

When a recoupment decision is made, Utilization Review forwards an Explanation of Recoupment notice to the provider. This explanation includes the name(s) of the patient(s), date(s) of service, date(s) of payment and the reason for the repayment request.

Upon receipt of this notice, the provider has thirty days to forward a check for the refund amount or appeal the recoupment action. Failure to respond to the recoupment notice will result in the recoupment amount being deducted from future Medicaid reimbursement.

106.200 Recoupment Appeal Process

10-13-03

Upon receipt of an Explanation of Recoupment, the provider has thirty (30) days in which to supply written notice of appeal. The appeal process is fully explained in the letter that accompanies the Explanation of Recoupment. In brief, the process is as follows:

A. QIO Denials

1. In situations where the QIO agent, Arkansas Foundation for Medical Care, Inc. (AFMC), denies all or part of a hospital admission, the Utilization Review Section recoups any Medicaid funds expended in connection with the denied services. In these situations, all appeals must be directed to AFMC, in writing, within thirty days of receiving the denial from AFMC.

B. Utilization Review Denials

Denials issued by Utilization Review result from two instances:

- a. The provider's failure to comply with administrative policy
- b. Lack of documented medical necessity or adequate justification
1. There are two types of Utilization Review denials.
 - a. Administrative policy denials: Denials resulting from failure to comply with administrative policy are not subject to appeal by the provider
 - b. Lack of medical necessity or adequate justification denials: Denials resulting from a lack of medical necessity or adequate justification are determined by the appropriate Medicaid Program consultants.
2. Documentation
 - a. The provider is entitled to submit any documentation to the Utilization Review Section refuting the stated reason for recoupment.
3. Utilization Review Appeal Process
 - a. The appeal and related documentation will be reviewed by the medical director and/or the appropriate Medicaid Program consultant(s).
 - b. In the event the original decision is upheld, the provider will be notified in writing.
 - c. If a further appeal is desired, the Utilization Review Section must receive the written request within thirty days of the date of the provider's notification of the review decision.
 - d. If desired, the provider may request an appeal of the action before the appropriate peer review committee's next scheduled meeting. These committees are composed of the executive officers of the appropriate professional organization, e.g., the Arkansas Medical Society, the Arkansas Dental Association, the Arkansas Optometric Association, etc.
 - e. The committee will review all submitted documentation and make a recommendation to the Medicaid Program regarding the service in question.
 - f. The Medicaid Program will advise the provider of its decision once the recommendation has been received and considered.

110.100 Provider Enrollment Unit 10-13-03

Any questions regarding provider enrollment, participation requirements and/or contracts should be directed to the Provider Enrollment unit. [View or print the Provider Enrollment contact information.](#)

110.200 Provider Relations and Claims Processing Contractor 10-13-03

EDS, a contractor, performs provider relations and the processing of Medicaid claims. EDS Provider Representatives are available to assist providers with detailed billing or policy questions and to schedule on-site technical assistance. To contact a representative, providers may call the Provider Assistance Center. [View or print the EDS Provider Assistance Center contact information.](#)

110.300 Utilization Review Section 10-13-03

The Utilization Review Section of the Division of Medical Services is available to assist providers with questions regarding extension of benefits and prior authorization of services for individuals age 21 and over, and for specified services for individuals under age 21, with the exception of prescription drug prior authorizations. [View or print the Utilization Review contact information.](#) The Personal Care, Inpatient Psychiatric and Home Health Units are located within the Utilization Review Section.

110.400 Arkansas Foundation for Medical Care, Inc. (AFMC) 10-13-03

Arkansas Foundation for Medical Care, Inc., (AFMC) performs medical and/or surgical prior authorizations. [View or print the AFMC contact information.](#)

110.500 Customer Assistance 10-13-03

Customer Assistance, a section of the Division of County Operations, handles recipient inquiries regarding Medicaid eligibility and their Medicaid identification card. [View or print the Division of County Operations Customer Assistance Section contact information.](#)

110.600 Americans with Disabilities Act 10-13-03

Any materials needed in an alternate format, such as large print, can be obtained by contacting the Americans with Disabilities Act Coordinator. [View or print the Americans with Disabilities Act Coordinator contact information.](#)

110.700 Program Communications Unit 10-13-03

This unit responds to Medicaid recipient inquiries regarding Medicaid coverage and benefits, assists out-of-state providers with claim filing procedures, verifies recipient eligibility and maintains recipient correspondence files. [View or print the Program Communications Unit contact information.](#)

110.800 Dental Care Unit 10-13-03

The dental coordinator assists providers with questions regarding dental services. [View or print the Dental Coordinator contact information.](#)

110.900 Visual Care Unit 10-13-03

The visual care coordinator assists providers with questions regarding visual care services. [View or print the Visual Care Coordinator contact information.](#)

111.000 DMS and Fiscal Agent (EDS) Office Hours 10-13-03

EDS, the fiscal agent, has a Provider Assistance Center that is available for billing questions. [View or print the EDS Provider Assistance Center contact information.](#)

The state's Program Communications Unit is available to answer providers' questions and direct their telephone calls. [View or print the Program Communications Unit contact information.](#)

120.000 RECIPIENT ELIGIBILITY 10-13-03
121.000 Introduction 10-13-03

Recipient eligibility is based on many factors that vary depending on the recipient's aid category. Eligibility factors often include income, resources, age or disability, current residency in Arkansas and other factors.

122.000 Agencies Responsible for Determining Eligibility 10-13-03

The Department of Human Services (DHS) local county offices or district Social Security offices determine recipient eligibility certification. The category of aid each office is responsible for is described below. The Department of Health determines presumptive eligibility for certain Medicaid categories.

122.100 Department of Human Services County Offices 10-13-03

Family Support Specialists in the DHS county offices are responsible for evaluating the circumstances of an individual or family to determine eligibility, and if eligible, the proper aid category through which Medicaid should be received.

After evaluation, the DHS county office establishes Medicaid eligibility dates in accordance with state and federal policy and regulations. See Sections 123.000 and 124.000 of this manual for further explanation.

122.200 District Social Security Offices 10-13-03

Social Security representatives are responsible for evaluating an individual's circumstances to determine eligibility for the Supplementary Security Income (SSI) program administered by the Social Security Administration. SSI includes aged, blind and disabled categories. The SSI aid categories are listed in Section 124.000.

To be eligible for SSI, an aged, blind or disabled person must also meet income, resource and other eligibility criteria.

Individuals entitled to SSI automatically receive Medicaid.

122.300 Department of Health 10-13-03

The Arkansas Department of Health (ADH) determines presumptive eligibility for category 62, titled Pregnant Women-Presumptive Eligibility. ADH is the designated application point for Breast and Cervical Cancer Prevention and Treatment and for Tuberculosis aid categories; however, the Division of County Operations, located within the Department of Human Services, makes the final eligibility determination.

123.000 Medicaid Eligibility 10-13-03

Under its contract with the Division of Medical Services, EDS has deployed Provider Electronic Solutions Application (PES) technology. With PES, Medicaid providers are able to verify a

patient's Medicaid eligibility for a specific date or range of dates, including retroactive eligibility for the past year. Providers may obtain other useful information, such as the status of benefits used during the current fiscal year, other insurance or Medicare coverage, etc. See Section III of this manual for further information on PES and other electronic solutions.

EDS and the Division of Medical Services (DMS) will verify Medicaid eligibility by telephone only for "Limited Services Providers" (see Section II) in non-bordering states and in the case of retroactive eligibility for dates of service that are more than a year prior to the eligibility authorization date.

123.100 Date Specific Medicaid Eligibility

10-13-03

Recipient eligibility in the Arkansas Medicaid Program is date specific. Medicaid eligibility may begin or end on any day of a month. A PES electronic response displays the current eligibility period through the date of the inquiry.

123.200 Retroactive Medicaid Eligibility

10-13-03

Medicaid recipients may be eligible for Medicaid benefits for the three-month period prior to the date of application provided eligibility requirements for that three-month period are met. The DHS county office establishes retroactive eligibility.

123.300 Recipient Notification of a Denied Medicaid Claim

10-13-03

By federal mandate, the Division of Medical Services must notify Medicaid recipients when a claim for Medicaid payment is denied. A letter is forwarded to recipients each time a medical claim for payment is denied by the Medicaid Program. The notice includes the recipient's name, provider's name, date of service, description of the service and the reason for denial. The notice indicates whether there is recipient responsibility for payment of the denied service.

If the letter indicates the recipient is not responsible for the unpaid amount, the provider may not request payment from the recipient. If the letter indicates the recipient is responsible for the unpaid amount, the provider may contact the recipient for payment. For program information regarding the recipient's responsibilities, refer to Section 132.000 of this manual. [View or print an example of the recipient notification of denied Medicaid claim.](#)

When a recipient disagrees with the Medicaid claim denial, he or she may file for a fair hearing with the Department of Human Services.

123.400 Recipient Lock-In

10-13-03

The purposes of the recipient lock-in rule are to better enable physicians and pharmacists to provide quality care and to assure that the Medicaid Program does not unintentionally facilitate recipient drug abuse or injury from overmedication or drug interaction. An eligible individual, when correctly identified by a computerized algorithm and clinical review to have utilized Medicaid pharmacy services at a frequency or amount not medically necessary, will be required to select one provider of pharmacy services and will be informed that Medicaid will deny claims for pharmacy services submitted by any provider other than the single provider selected.

At least 30 days before implementing a recipient lock-in, the Division of Medical Services (DMS) or its agents will mail a notice to the recipient at the address listed on the recipient's eligibility records stating the reasons for the intended action. This notice will inform the recipient of his or her right to request a reconsideration and provide the reconsideration process. If, after reconsideration by DMS or its agent, the recipient is not satisfied with the decision to be locked-in to one pharmacy provider, the recipient will be notified by the state of the process to appeal in accordance with the Department of Human Services appeal procedures.

Within 10 days of receiving the notice of the decision to be locked-in, the recipient must select one pharmacy provider.

In cases of provider restriction, the provider selected will be notified prior to the actual “lock-in,” so that adequate time is allowed for selection of another provider should the first provider find he cannot provide the needed services. If a recipient fails or refuses to choose one provider, a list of providers used by the recipient will be reviewed and a provider will be chosen.

When a recipient has been restricted, eligibility verification transactions will reflect “lock-in to other provider.” The restriction will be removed after demonstration by the recipient that the abusive situation has been corrected.

Application of this rule will not result in the denial, suspension, termination, reduction or delay of medical assistance to any recipient.

Any provider who believes that a particular recipient should be considered for recipient lock-in should notify the Division of Medical Services, Pharmacy Unit/Utilization Review Section. [View or print the Division of Medical Services, Pharmacy Unit/Utilization Review Section contact information.](#)

124.000 Recipient Aid Categories

10-13-03

The following is the full list of recipient aid categories. Some categories may provide a full range of benefits, may offer limited benefits or may be a category that requires cost sharing by a recipient. The following codes describe each level of coverage.

FR full range

LB limited benefits

AC additional cost sharing

MNLB medically needy limited benefits

Category	Description	Code
01 ARKIDS B	ARKids First Demonstration	LB, AC
07 BCC	Breast and Cervical Cancer Prevention and Treatment	FR
08 TB-Limited	Tuberculosis – Limited Benefits	LB
1N WD NewCo*	Working Disabled – New Cost Sharing (N)	FR, AC
1R WD RegCo*	Working Disabled – Regular Medicaid Cost Sharing (R)	FR, AC
11 AABD	AABD	FR
13 SSI	SSI	FR
14 SSI	SSI	FR
16 AA-EC	AA-EC	MNLB
17 AA-SD	Aid to the Aged Medically Needy Spend Down	MNLB

81 RRP-NG	Refugee Resettlement No Grant	FR
86 RRP-EC	Refugee Resettlement Medically Needy Exceptional	MNLB

Category		
87 RRP-SD	Refugee Resettlement Medically Needy Spend Down	MNLB
88 SLI-QMB	Specified Low Income Qualified Medicare Beneficiary (SMB) (Medicaid pays <u>only</u> the Medicare premium.)	LB
8S AR Seniors*	ARSeniors	FR
91 FC	Foster Care	FR
92 IVE-FC	IV-E Foster Care	FR
96 FC-EC	Foster Care Medically Needy Exceptional Category	MNLB
97 FC-SD	Foster Care Medically Needy Spend Down	MNLB

* In the system design, only 2 spaces have been allotted to the numerical designation for categories. Therefore, the Working Disabled category, which is category 10, is shown on the system as 1, plus the alpha character that designates the individual's level of cost sharing, i.e., 1N or 1R. See list for explanation. Similarly QMB-AA is category 18, however those who are ARSeniors are coded with an alpha character (S). ARSeniors are actually shown on the system as 8S (rather than 18S).

124.100 Recipient Aid Categories with Limited Benefits

10-13-03

Most Medicaid categories provide the full range of Medicaid services as specified in the Arkansas Medicaid State Plan. However, certain categories offer a limited benefit package. These categories are discussed below.

124.110 ARKids First-B

10-13-03

Act 407 of 1997 established the ARKids First Program. The ARKids First-B Program integrates uninsured children into the health care system. ARKids First-B benefits are comparable to the Arkansas state employees/teachers insurance program.

Covered services provided to ARKids First-B participants are within the same scope of services provided to Arkansas Medicaid recipients, but may be subject to different benefit limits.

Refer to the ARKids First-B provider manual for the scope of each service covered under the ARKids First-B Program.

124.120 Medically Needy

10-13-03

The medically needy category was established to provide medical care for those individuals who are medically eligible for benefits, but whose income and/or resources exceed the limits for other types of assistance but are insufficient to provide for all or part of their medical care. A full range of benefits is available for those individuals with the exception of long term care (which includes ICF/MR) and personal care services.

For more information regarding the medically needy program, providers may access the Medicaid Web site at www.medicaid.state.ar.us.

124.130 Pregnant Women Infants & Children Poverty Level (SOBRA)

10-13-03

The infants and children in the SOBRA (Sixth Omnibus Budget Reconciliation Act of 1986) aid category receive the full range of Medicaid benefits; however, the pregnant women receive only services related to the pregnancy and services that if not provided could complicate the pregnancy.

124.140 Pregnant Women Presumptive Eligibility

10-13-03

Covered services are those that are related to the pregnancy and services that, if not provided, could complicate the pregnancy. Services are further limited to ambulatory prenatal care (hospitalization is not covered).

124.150 Qualified Medicare Beneficiaries (QMB)

10-13-03

The Qualified Medicare Beneficiary (QMB) aid category was created by the Medicare Catastrophic Coverage Act and uses Medicaid funds to assist low-income Medicare beneficiaries. If a person is eligible for QMB, Medicaid will pay the Medicare Part B premium, the Medicare Part B deductible and the Medicare Part B coinsurance, less any Medicaid cost sharing, for other medical services. Medicaid will also pay the Medicare Part A premium, the Medicare Part A hospital deductible and the Medicare Part A coinsurance, less any Medicaid cost sharing. Certain QMBs are also eligible for Medicaid services.

To be eligible for QMB, individuals must be age 65 or older, blind or disabled and enrolled in Medicare Part A or conditionally eligible for Medicare Part A. Their countable income may equal but cannot exceed 100% of the Federal Poverty Level (FPL).

Countable resources may equal but cannot exceed twice the current Supplemental Security Income (SSI) resource limitations.

Generally, individuals may not be certified in a QMB category and in another Medicaid category for simultaneous periods. However, QMBs may simultaneously receive assistance in the medically needy spend down categories of SOBRA pregnant women (61 and 62), Family Planning (69) and TB (08).

QMBs do not receive the full range of Medicaid benefits. For example, QMBs do not receive prescription drug benefits.

For a QMB eligible, Medicaid pays only his or her Medicare cost sharing (less the individual's Medicaid cost-sharing) for **Medicare** covered services.

Individuals eligible for QMB receive a plastic Medicaid ID card. Providers must view the electronic eligibility display to verify the QMB category of service. The category of service for a QMB will reflect QMB-AA, QMB-AB or QMB-AD. The system will display the current eligibility.

Not all providers are mandated to accept Medicare assignment on QMB eligibles (See Section 142.100). However, if a non-physician desires Medicaid reimbursement for coinsurance or deductible on a Medicare claim, he or she must accept assignment on that claim and enter the information required by Medicare on assigned claims.

When treated by a provider who must accept Medicare assignment according to Section 142.000, Conditions of Participation, the recipient is not responsible for the difference between the billed charges and the Medicare allowed amount.

Interested individuals may apply for the QMB program at their local Department of Human Services (DHS) county office.

124.160 Qualifying Individuals-1 (QI-1)

10-13-03

The Balanced Budget Act of 1997, Section 4732, (Public law 105-33) created the Qualifying Individuals-1 (QI-1) aid category. Individuals eligible as QI-1 are not eligible for Medicaid benefits. They are eligible only for the payment of their Medicare Part B premium. No other Medicare cost sharing charges will be covered. Individuals eligible for QI-1 will not receive a Medicaid card, and, unlike QMBs and SMBs, may not be certified in another Medicaid category for simultaneous periods. Individuals who meet the eligibility requirements for both QI-1 and

medically needy spend down will have to choose which coverage is wanted for a particular period of time.

Eligibility for the QI-1 program is similar to that of the QMB program. The individuals must be age 65 or older, blind or disabled and entitled to receive Medicare Part A hospital insurance and Medicare Part B medical insurance. Countable income must be at least 120% but less than 135% of the current Federal Poverty Level.

Countable resources may equal but cannot exceed twice the current SSI resource limitations.

124.170 Specified Low-Income Medicare Beneficiaries (SMB)

10-13-03

The Specified Low Income Medicare Beneficiaries Program (SMB) was mandated by Section 4501 of the Omnibus Budget Reconciliation Act of 1990.

Individuals eligible as specified low income Medicare beneficiaries (SMB) are not eligible for the full range of Medicaid benefits. They are eligible for only the payment of their Medicare Part B premium. No other Medicare cost sharing charges will be covered. SMB individuals do not receive a Medicaid card.

Eligibility criteria for the SMB program are similar to that of the QMB program. The individuals must be age 65 or older, blind or disabled and entitled to receive Medicare Part A hospital insurance and Medicare Part B medical insurance. Their countable income must be greater than, but not equal to 100% of the current Federal Poverty Level, and less than, but not equal to 120% of the current Federal Poverty Level.

The resource limit may be equal to but cannot exceed twice the current SSI resource limitations.

Interested individuals may apply for services at their local Department of Human Services (DHS) county office.

124.180 Tuberculosis (TB)

10-13-03

The TB aid category is for low-income individuals of all ages who are infected or who are suspected to be infected with TB. Applications may be made through the Arkansas Department of Health by contacting the local health unit. Providers may refer potential eligibles to local health units.

Individuals eligible in the TB aid category are not required to select a Primary Care Physician (PCP) since this is a limited services category.

Eligible individuals will receive *only* TB related services and *only* from the following service categories:

A. Prescribed drugs

Only the following drugs are covered through the TB aid category:

Capreomycin/1 gm vial	Mycobutin/150 mg capsules
Ethambutol/400 mg tablets	Pyrazinamide/500 mg tablets
Isoniazid/100 mg tablets	Rifampin/150 mg capsules
Isoniazid/300 mg tablets	Rifampin/300 mg capsules
Levofloxacin/250 mg tablets	Isoniazid/Rifampin 150/300 mg capsules
Levofloxacin/500 mg tablets	Streptomycin Sulfate, USP Sterile 1 gm/vial

B. Physician services

C. Outpatient hospital services (inpatient hospital services are *not* covered)

- D. Rural Health Clinic services
- E. Federally Qualified Health Center services
- F. Laboratory and X-ray services, including services to confirm the presence of infection
- G. Clinic services

124.190 Women's Health (Family Planning)**10-13-03**

Women in aid category 69 (FP-W) are eligible for all family planning services, subject to the benefit limits listed in the appropriate provider manual.

Women in the FP-W category who elect sterilization are covered for one post-sterilization visit per state fiscal year (July 1 through June 30).

124.200 Recipient Aid Categories with Additional Cost Sharing**10-13-03**

Certain programs require recipients to share the cost for Medicaid services received. The programs are discussed below.

124.210 ARKids First-B**10-13-03**

Covered services provided to ARKids First-B participants are within the same scope of services provided to Arkansas Medicaid recipients, but may be subject to cost sharing requirements. See Section II of the ARKids First-B provider manual for a list of services that require cost sharing and the amount of participant liability for each service.

124.220 TEFRA**10-13-03**

Eligibility category 49 contains children under age 19 who are eligible for Medicaid services as authorized by Section 134 of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and amended of the Omnibus Budget Reduction Act. Children in category 49 receive the full range of Medicaid services. However, there are cost sharing requirements. Some parents are required to pay monthly premiums according to the chart below.

TEFRA Cost Share Schedule

Family Income		Monthly Premiums		
From	To	%	From	To
\$0	\$25,000	0.00%	\$0	\$0
\$25,001	\$50,000	1.00%	\$21	\$42
\$50,001	\$75,000	1.25%	\$52	\$78
\$75,001	\$100,000	1.50%	\$94	\$125
\$100,001	\$125,000	1.75%	\$146	\$182
\$125,001	\$150,000	2.00%	\$208	\$250
\$150,001	\$175,000	2.25%	\$281	\$328
\$175,001	\$200,000	2.50%	\$365	\$417
\$200,001	And above	2.75%	\$458	\$458

The maximum premium is \$5,500 per year (\$458 per month) for income levels of \$200,001 and above.

The premiums listed above represent family responsibility. They will not increase if a family has more than one TEFRA eligible child.

124.230 Working Disabled**10-13-03**

The Working Disabled category is an employment initiative designed to serve as a “bridge” to enable people with disabilities to gain employment without losing medical benefits. Eligibles in this category are individuals who are ages 16 through 64 and who are disabled according to Supplemental Security Income (SSI) criteria.

There are two levels of cost sharing in this aid category, depending on the individual's income:

- A. Regular Medicaid cost sharing.
- B. New cost sharing requirements.

Eligibles with gross income below 100% of the Federal Poverty Level (FPL) are responsible for the regular Medicaid cost sharing (pharmacy and inpatient hospital). They are designated in the system as “WD RegCO”.

Eligibles with gross income equal to or greater than 100% FPL, have cost sharing for more services and are designated in the system as “WD NewCo”.

The cost sharing amounts for the “WD NewCo” eligibles is listed in the chart below:

Program Services	New Co-Payment*
Ambulance	\$10 per trip
Ambulatory Surgical Center	\$10 per visit
Audiological Services	\$10 per visit
Augmentative Communication Devices	10% of the Medicaid maximum allowable amount
Child Health Management Services	\$10 per day
Chiropractor	\$10 per visit
Dental (limited to individuals under age 21)**	\$10 per visit (no co-pay on EPSDT dental screens)
Developmental Disability Treatment Center Services	\$10 per day
Diapers, Underpads and Incontinence Supplies	None
Domiciliary Care	None
Durable Medical Equipment (DME)	20% of Medicaid maximum allowable amount per DME item
Emergency Department: Emergency Services	\$10 per visit
Emergency Department: Non-emergency Services	\$10 per visit
End Stage Renal Disease Services	None
Early and Periodic Screening, Diagnosis and Treatment	None
Eyeglasses	None

PROPOSED

Section I

Family Planning Services	None
Federally Qualified Health Center (FQHC)	\$10 per visit
Hearing Aids (not covered for individuals age 21 and over)	10% of Medicaid maximum allowable amount.
Home Health Services	\$10 per visit
Hospice	None
Hospital: Inpatient	25% of the hospital's Medicaid per diem for the first Medicaid-covered inpatient day
Hospital: Outpatient	\$10 per visit
Hyperalimentation	10% of Medicaid maximum allowable amount
Immunizations	None
Laboratory and X-Ray	\$10 per encounter, regardless of the number of services per encounter
Medical Supplies	None
Inpatient Psychiatric Services for Under Age 21	25% of the hospital's Medicaid per diem for the first Medicaid-covered day
Outpatient Mental and Behavioral Health	\$10 per visit
Nurse Practitioner	\$10 per visit
Private Duty Nursing	\$10 per visit
Certified Nurse Midwife	\$10 per visit
Orthodontia (not covered for individuals age 21 and older)	None
Orthotic Appliances	10% of Medicaid maximum allowable amount
Personal Care	None
Physician	\$10 per visit
Podiatry	\$10 per visit
Prescription Drugs	\$10 for generic drugs; \$15 for brand name
Prosthetic Devices	\$10% of Medicaid maximum allowable amount
Rehabilitation Services for Persons with Physical Disabilities (RSPD)	25% of first day's Medicaid in-patient per diem (first covered day)
Rural Health Clinic	\$10 per core service encounter
Targeted Case Management	10% of Medicaid maximum allowable rate per unit
Occupational Therapy (Age 21 and older have limited coverage***)	\$10 per visit

Physical Therapy (Age 21 and older have limited coverage***)	\$10 per visit
Speech Therapy (Age 21 and older have limited coverage***)	\$10 per visit
Transportation (non-emergency)	None
Ventilator Services	None
Vision Care	\$10 per visit

*** Exception:** Cost sharing for nursing facility services is in the form of “patient liability” which generally requires that patients contribute most of their monthly income toward their nursing facility care. Therefore, WD recipients (Aid Category 10) who temporarily enter a nursing home and continue to meet WD eligibility criteria will be exempt from the co-payments listed above.

**** Exception:** Dental services for individuals age 21 and older must be medically necessary, because the individual is experiencing a life-threatening condition.

***** Exception:** This service is NOT covered for individuals age 21 and older in the Occupational, Physical and Speech Therapy Program.

NOTE: Providers should consult the appropriate provider manual to determine coverage and benefits.

125.000 Medicaid Identification Card

10-13-03

125.100 Explanation of Medicaid Identification Card

10-13-03

Medicaid recipients are issued a magnetic identification card similar to a credit card. Each identification card displays a hologram, and for most Medicaid categories, a picture of the recipient. Children under the age of five, ARKids-B, nursing home and home and community-based waiver recipients are not pictured. New recipients of the Family Planning Wavier (Category 69) and ARKids-A are not pictured unless they were certified using an existing case number and have a previously issued photo ID card. The Division of County Operations issues the Medicaid identification card to Medicaid recipients.

THE MEDICAID IDENTIFICATION CARD DOES NOT GUARANTEE ELIGIBILITY FOR A RECIPIENT. Payment is subject to verification of recipient eligibility at the time services are provided. See Section 123.000 for verification of recipient eligibility procedures, and Section III for electronic eligibility verification information.

The following is an explanation of information contained on a Medicaid ID card:

- A. Identification Number - A unique ten-digit number assigned to each individual Medicaid recipient by the Arkansas Division of County Operations.
- B. Name of Eligible Recipient - Identifies the name of the recipient who is eligible to receive Medicaid benefits. The card reflects the recipient's name at time of issuance.
- C. Birthdate - Month/Day/Year - This date represents the month, day and year of birth of the recipient listed.
- D. Date of Issuance - This date represents the month, day and year the card was issued to the recipient.
- E. Signature - This is the signature of the recipient named on the I.D. card.

[View or print an example of the Medicaid ID card.](#)

NOTE: ARKids First-B identification cards have a different appearance than the Medicaid identification card. See the ARKids First-B Manual for more information.

125.200 Non-Receipt or Loss of Card by Recipient 10-13-03

When recipients report non-receipt or loss of a Medicaid card, refer the recipients to the local DHS County Office or the Division of County Operations, Customer Assistance. [View or print the Division of County Operations, Customer Assistance contact information.](#)

125.300 Reporting Suspected Misuse of I.D. Card 10-13-03

When a provider suspects misuse of a Medicaid identification card, the provider should contact the Utilization Review Section of Arkansas Division of Medical Services. An investigation will then be made. [View or print the Utilization Review Section contact information.](#)

130.000 RECIPIENT RESPONSIBILITIES 10-13-03

131.000 Charges that are not the Responsibility of the Recipient 10-13-03

The recipient is not responsible for payment of a provider's charges for Medicaid covered services in the following situations:

- A. The recipient may not be held liable for a claim or portion of a claim when a determination that the services were not medically necessary is made based on the professional opinion of appropriate and qualified persons performing peer review of Medicaid cases.
- B. The recipient may not be held liable for billed charges above the Medicaid maximum allowable.
- C. The recipient will not be responsible for billings denied because of provider errors. It is the responsibility of the provider to file claims in a timely manner, correct inappropriate codes and typographical errors and to provide essential information necessary to process the Medicaid claim.
- D. The recipient will not be responsible for billings denied because of errors made by Medicaid or the fiscal agent or due to changes in state or federal mandates.
- E. The recipient may not be billed for services denied because a provider failed to request required approval for a service or failed to meet procedural requirements. For instance, a provider may not bill a recipient for a non-emergency surgery for which prior authorization is required but was not requested.
- F. The recipient is not responsible for the difference between the recipient Medicaid cost sharing responsibility, if any, and the Medicare deductible and co-insurance. This exclusion does not eliminate the client's responsibility for applicable Medicaid cost sharing when a recipient is dually eligible for Medicare and Medicaid.
- G. If an individual who makes payment at the time of service is later found to be Medicaid eligible and Medicaid is billed, the individual must be refunded the full amount of his or her payment for covered services. If it is agreeable with the individual, these funds may be credited against unpaid non-covered services that are the responsibility of the recipient.
- H. The recipient may not be billed for the completion and submission of a Medicaid claim form. If the provider agrees to accept the patient as a Medicaid recipient and agrees to bill Medicaid for the services rendered, the recipient may not be charged for this billing procedure.

132.000 Charges that are the Responsibility of the Recipient 10-13-03

- A. Individuals may be billed if they are ineligible or if they have chosen to receive and agreed to pay for care not covered by the Medicaid Program.
- B. If a Medicaid-eligible patient elects to receive a service for which DMS has denied a benefit extension or for which DMS subsequently denies a benefit extension, the patient is responsible for the payment.
- C. If the provider chooses not to accept the recipient as a Medicaid patient in advance of providing the service, the recipient may be billed for care he or she has chosen to receive as a private pay patient.
- D. The recipient is responsible for all expenses for non-covered services, such as services that are not covered under the scope of the Medicaid Program, services received in excess of Program benefit limitations or services received for which the provider and recipient agreed the Medicaid Program would not be billed.
- E. The recipient is responsible for charges incurred during a time of ineligibility.
- F. The recipient is responsible for the spend down liability on the first day of spend down eligibility.
- G. The recipient is responsible for any applicable cost-sharing amount applied by the Medicaid Program.
- H. Section 1902(a)(14) of the Social Security Act permits states to require certain recipients to share some of the costs of Medicaid by imposing upon them such payments as enrollment fees, premiums, deductibles, coinsurance, co-payments or similar cost sharing charges.
- I. Information relating to cost sharing follows in Sections 133.000 through 133.400.

133.000 Cost Sharing 10-13-03

There are three forms of cost sharing in the Medicaid Program: co-insurance, co-payment and premiums. Each is discussed below.

133.100 Inpatient Hospital Coinsurance Charge to Non-Medicare Medicaid Recipients 10-13-03

For inpatient admissions, the coinsurance charge per admission for non-exempt Medicaid recipients age 18 and older is **10%** of the hospital's interim Medicaid per diem, applied on the first Medicaid covered day.

Example:

A Medicaid recipient is an inpatient for 4 days in a hospital whose Arkansas Medicaid interim per diem is \$500.00. When the hospital files a claim for 4 days, Medicaid will pay \$1950.00; the recipient will pay \$50.00 (10% Medicaid coinsurance rate).

1. Four (4 days) times \$500.00 (the hospital per diem) = \$2000.00 (hospital allowed amount).
2. Ten percent (10% Medicaid coinsurance rate) of \$500.00 = \$50.00 coinsurance.
3. Two thousand dollars (\$2000.00 hospital allowed amount) minus \$50.00 (coinsurance) = \$1950.00 (Medicaid payment).

133.200 Inpatient Hospital Coinsurance Charge to ARKids First-B Recipients 10-13-03

For inpatient admissions, the coinsurance charge per admission for ARKids First-B recipients is 20% of the hospital's Medicaid per diem, applied on the first Medicaid covered day.

Example:

An ARKids First-B recipient is an inpatient for 4 days in a hospital whose Arkansas Medicaid per diem amount is \$500.00. When the hospital files a claim for 4 days, Medicaid will pay \$1900.00 and the recipient will pay \$100.00 (20% Medicaid coinsurance rate).

1. Four (4 days) times \$500.00 (the hospital per-diem) = \$2000.00 (hospital allowed amount).
2. Twenty percent (20% Medicaid coinsurance rate) of \$500.00 = \$100.00 coinsurance.
3. Two thousand dollars (\$2000.00 hospital allowed amount) minus \$100.00 (coinsurance) = \$1900.00 (Medicaid payment).

133.300

Inpatient Hospital Coinsurance Charge to Medicare-Medicaid Dually Eligible Recipients

10-13-03

The coinsurance charge per admission for Medicaid recipients who are also Medicare Part A beneficiaries, is **10%** of the hospital's Arkansas Medicaid per diem amount, applied on the first Medicaid covered day only.

Example:

A Medicare beneficiary, also eligible for Medicaid, is an inpatient for 4 days in a hospital whose Arkansas Medicaid per diem amount is \$500.00.

1. This is a patient's first hospitalization for the Medicare benefit year; so the patient has not met their Medicare Part A deductible.
2. Medicare pays the hospital its allowed Part A charges, less the \$760.00 deductible, and forwards the payment information to Medicaid.
3. Ten percent (10% Medicaid coinsurance rate) of \$500.00 (the Arkansas Medicaid hospital per diem) = \$50.00 (Medicaid coinsurance). Medicaid coinsurance is due for the first day only of each admission covered by Medicare Part A.
4. Seven hundred sixty dollars (\$760.00 Medicare Part A deductible) minus \$50.00 (Medicaid coinsurance) = \$710.00 (Medicaid payment).

If, on a subsequent admission, Medicare Part A assesses coinsurance; Medicaid will deduct from the Medicaid payment, an amount equal to 10% of one day's Medicaid per diem. The patient will be responsible for that amount.

133.400

Co-payment on Prescription Drugs

10-13-03

Arkansas Medicaid has a recipient co-payment policy in the Pharmacy Program. The co-payment for the Pharmacy Program is applied per prescription. Non-exempt recipients age 18 and older are responsible for paying the provider a co-payment amount based on the following table:

Medicaid Maximum Amount	Recipient Co-pay
\$10.00 or less	\$0.50
\$10.01 to \$25.00	\$1.00
\$25.01 to \$50.00	\$2.00
\$50.01 or more	\$3.00

134.000 Exclusions from Cost Sharing Policy**10-13-03**

As required by 42 CFR 447.53(b), the following services are excluded from the recipient cost sharing (coinsurance/co-payment) policy:

Services provided to individuals under 18 years of age.

1. There are two exceptions to the exclusion from cost sharing policy.
 - a. ARKids First-B is an 1115 demonstration project for which Arkansas was granted permission to require cost sharing for individuals under age 18.
 - b. Working Disabled is a category that specifically allows cost sharing for individuals under age 18.

J. Services provided to pregnant women.

K. Emergency services - Services provided in a hospital, clinic, office or other facility that is equipped to furnish the required care after the sudden onset of a medical condition manifesting itself by acute symptoms of sufficient severity that the absence of immediate medical attention could reasonably be expected to result in:

1. Placing the patient's health in serious jeopardy
2. Serious impairment to bodily functions or
3. Serious dysfunction of any bodily organ or part

L. Services provided to individuals who are inpatients in a long term care facility (nursing facility and intermediate care/MR facility) when, as a condition for receiving the institutional services, the individual is required to spend all but a minimal amount of his or her income required for personal needs for medical care costs.

The fact that a recipient is a resident of a nursing facility does not on its own exclude the Medicaid services provided to the recipient from the cost sharing policy. Unless a Medicaid recipient has applied for long term care assistance through the Arkansas Medicaid Program, been found eligible and Medicaid is making a vendor payment to the nursing facility (NF or ICF/MR) for the recipient, the Medicaid services are not excluded from the cost sharing policy.

M. Family planning services and supplies provided to individuals of childbearing age.

The provider must maintain sufficient documentation in the recipient's medical record that substantiates the exclusion from the recipient cost sharing policy.

135.000 Collection of Coinsurance/Co-payment**10-13-03**

The method of collecting the coinsurance/co-payment amount from the recipient is the responsibility of the provider. In cases of claim adjustments, the responsibility of refunding or collecting additional cost sharing (coinsurance/co-payment) from the recipient will remain the responsibility of the provider.

The provider may not deny services to any eligible individual due to the individual's inability to pay the cost of the coinsurance/co-payment amount. However, the individual's inability to pay does not eliminate his or her liability for the coinsurance/co-payment charge.

The recipient's inability to pay the coinsurance/co-payment amount will not alter the Medicaid reimbursement amount for the claim. Unless the recipient or service is excluded from the coinsurance/co-payment policy as listed in Section 134.000, the Medicaid reimbursement amount will be calculated according to current reimbursement methodology minus the appropriate coinsurance amount or appropriate co-payment amount.

136.000

Patient Self Determination Act

10-13-03

The Patient Self Determination Act of 1990, Sections 4206 and 4751 of the Omnibus Budget Reconciliation Act of 1990, P.L.101-508 requires that Medicaid certified hospitals and other health care providers and organizations, give patients information about their right to make their own health decisions, including the right to accept or refuse medical treatment. This legislation does not require individuals to execute advance directives.

Medicaid certified hospitals, nursing facilities, hospices, home health agencies and personal care agencies must conform to the requirements imposed by Centers for Medicare & Medicaid Services (CMS). The federal requirements mandate conformity to current state law.

Accordingly, providers must:

- A. Provide all adult patients (not just Medicaid patients) with written information about their rights under state law to make health care decisions, including the right to accept or refuse medical or surgical treatment and the right to execute advance directives. This information must be provided:
 1. By hospitals at the time of the individual's admission as an inpatient.
 2. By nursing facilities when the individual is admitted as a resident.
 3. By a provider of home health or personal care services in advance of the individual receiving care.
 4. By hospices at the time of initial election of hospice care.
- B. Maintain written policies, procedures and materials concerning advance directives to ensure compliance with the law.
- C. Inform all patients and residents about the provider's policy on implementing advance directives.
- D. Document in each patient's medical record whether the patient has received information regarding advance directives. Providers must also document whether patients have signed an advance directive and must record the terms of the advance directive.
- E. Not discriminate against an individual based on whether they have executed an advance directive. All parties responsible for the patient's care are obligated to honor the patient's wishes as stated in the patient's advance directive. A provider who objects to a patient's advance directive on moral grounds must, as promptly as practicable, take all reasonable steps to transfer care to another provider.
- F. Educate staff and the community on advance directives.
- G. Tell patients if they wish to complete a health care declaration, the health care provider will provide them with information and a health care declaration form. Providers should acquire a supply of the declaration forms and become familiar with the form.
- H. Tell patients they have a right to reaffirm advance directives, to change the advance directive or to revoke the advance directive at any time and in any manner, including an oral statement to the attending physician or other health care provider.

A description of advance directive must be distributed to each patient. [View or print a sample form describing advance directives and a sample declaration form that meets the requirements of law.](#)

140.000

PROVIDER PARTICIPATION

10-13-03

141.000 Provider Enrollment

1-1-05

Any provider of services must be enrolled in the Arkansas Medicaid Program before reimbursement may be made for any services provided to Arkansas Medicaid recipients.

The Division of Medical Services has contracted with EDS to provide enrollment services for new providers and changes to current provider enrollment files. However, the unit will still be known as the Medicaid Provider Enrollment Unit.

Providers must complete a provider application (form DMS-652), a Medicaid contract (form DMS-653) and a Request for Taxpayer Identification Number and Certification (Form W-9).

[View or print the provider application \(Form DMS-652\), the Medicaid contract \(Form DMS-653\) and the Request for Taxpayer Identification Number and Certification \(Form W-9\).](#)

A potential provider may complete the necessary forms for enrollment and submit them via the Internet by connecting to the Arkansas Medicaid web site at www.medicaid.state.ar.us or they may return the printed forms to the Medicaid Provider Enrollment Unit. [View or print the Medicaid Provider Enrollment Unit contact information.](#)

Section II of all provider manuals contains information relative to provider participation requirements.

Upon receipt and approval of the above information by the Medicaid Provider Enrollment Unit, a provider number will be assigned to each approved provider. This number must be used on all claims and correspondence submitted to Arkansas Medicaid.

Provider eligibility will be retroactive 1 year from the date the provider agreement is approved, the effective date of the provider's license or certification or the date the service became a part of the Arkansas Medicaid Program, whichever date is the latest.

Instructions for billing and specific details concerning the Arkansas Medicaid Program are contained within this manual. Providers must read all sections of the manual **before** signing the contract. The manual is an extension of the Medicaid contract and providers must comply with its requirements in order to participate in the Arkansas Medicaid Program.

All providers must sign an Arkansas Medicaid Provider Contract. The signature must be an original signature of the individual provider. The authorized representative of the provider must sign the contract for a group practice, hospital, agency or other institution.

142.000 Conditions of Participation

12-01-03

Providers enrolled in the Arkansas Medicaid Program must agree to and meet the conditions of participation contained in Sections 142.000 through 142.600.

- A. Failure to comply with the requirements contained in Sections 142.000 through 142.600 may result in termination from the Medicaid Program and/or recovery of money paid for services by the Division of Medical Services.
- B. Nothing in the conditions of participation is a limitation on the ability of the Medicaid Program to take any action that is authorized by federal or state laws, regulations or rules or to refrain from taking any action that is not mandated by federal or state laws, regulations or rules.

142.100 General Conditions

1-1-05

- A. Each provider must be licensed, certified or both, as required by law, to furnish all goods or services that may be reimbursed by the Arkansas Medicaid Program.

- B. Providers must comply with applicable standards for professional and quality care.
- C. It is the responsibility of each provider to read the Arkansas Medicaid provider manual provided by the Division of Medical Services and to abide by the rules and regulations specified in the manual.
- D. All services provided must be medically necessary. The recipient is not liable for a claim or portion of a claim when the Medicaid Program, either directly or through a designee, determines that the services were not medically necessary.
- E. Services will be provided to qualified recipients without regard to race, color, national origin or disability within the provisions of Title VI of the Federal Civil Rights Act, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.
- F. Each provider must notify the **Medicaid Provider Enrollment Unit** in writing immediately regarding any changes to its application or contract, such as:
 5. Change of address
 6. Change in members of group, professional association or affiliations
 7. Change in practice or specialty
 8. Change in Federal Employee Identification Number (FEIN)
 9. Retirement or death of provider
 10. Change of ownership
- G. The Medicaid Program has a compelling interest in preventing unnecessary provider costs and program utilization associated with provider efforts to encourage, solicit, induce or cause an individual to seek or obtain a Medicaid covered service. Therefore, except for Medicaid covered services and other professional services furnished in exchange for the provider's usual and customary charges, no Medicaid provider may knowingly give, offer, furnish, provide or transfer money, services or any thing of value to any Medicaid recipient, to anyone related to any Medicaid recipient within the third degree or any person residing in the household of a recipient for less than fair market value.

This rule does not apply to:

1. Pharmaceutical samples provided to a physician at no cost or to other comparable circumstances where the provider obtains the sample at no cost and distributes the samples without regard to Medicaid eligibility.
2. Provider actions taken under the express authority of state or federal Medicaid laws or rules or the provider's agreement to participate in the Medicaid Program.

142.200 Conditions Related to Billing for Medicaid Services

12-01-03

- A. Any covered service performed by a provider must be billed only after the service has been provided. No service or procedure may be pre-billed.
- B. Endorsement of the provider check issued by the Medicaid fiscal agent certifies that the services were rendered by or under the direct supervision of the provider as billed.
- C. It is the responsibility of each provider to be alert to the possibility of third party sources of payment and to report receipt of funds from these sources to the Division of Medical Services.
- D. Each provider must accept Medicare assignment under Title XVIII (Medicare) in order to receive payment under Title XIX (Medicaid) for any Medicare deductible or coinsurance due and payable under Title XIX (Medicaid).

- E. Each provider must accept payment from Medicaid as payment in full for covered services, make no additional charges and accept no additional payment from the recipient for these services.
- F. Medicaid providers may not charge Medicaid recipients for the completion and submission of a Medicaid claim form. If the provider agrees to accept the patient as a Medicaid recipient and agrees to bill Medicaid for the services rendered, the recipient may not be charged for this billing procedure.
- G. Claims for services provided to eligible Medicaid recipients must be submitted to the Medicaid fiscal agent within twelve months from the date of service.

142.300 Conditions Related to Record Keeping**12-01-03**

- A. Each provider must prepare and keep complete and accurate original records that fully disclose the nature and extent of goods, services or both provided to and for eligible recipients. The delivery of all goods and services billed to Medicaid must be documented in the recipient's medical record.
- B. If a provider maintains more than one office in the state, the provider must designate one such office as a home office. Original records must be maintained at the provider's home office. A copy of the records must be maintained at the provider's service delivery site. If the provider changes ownership or ceases doing business in the state, all required original records must be maintained at a site in the state that is readily accessible by the Arkansas Medicaid Program and its agents and designees.
- C. Each provider must retain all records for five (5) years from the date of service or until all audit questions or review issues, appeal hearings, investigations or administrative or judicial litigation to which the records may relate are finally concluded, whichever period is longer.
- D. Upon request, each provider must immediately furnish all original records in its possession regarding the furnishing or billing of Medicaid goods or services, upon request, to authorized representatives of the Division of Medical Services or their designated representatives, state Medicaid Fraud Control Unit and representatives of the Department of Health and Human Services. The request may be made in writing or in person. No advance notice is required for an in-person request.
- E. Each provider must immediately furnish records, upon request, establishing the provider's charges to private patients for services that are the same as or substantially similar to services billed to Medicaid patients.

142.400 Conditions Related to Disclosure**12-01-03****142.410 Disclosures of Ownership and Control****12-01-03**

- A. The Division of Medical Services (DMS) requires that providers disclose the following information regarding ownership and control.
 - 1. The name and address of each person with an ownership or control interest in the disclosing entity or in any subcontractor in which the disclosing entity has direct or indirect ownership of five percent or more.
 - 2. In compliance with information shown above, the provider must also disclose if any person named above is related to another as a spouse, parent, child or sibling.
 - 3. The name of any other disclosing entity in which a person with an ownership or control interest in the disclosing entity also has an ownership or control interest. This

requirement applies to the extent that the disclosing entity can obtain this information by requesting it in writing from the person. The disclosing entity must:

- a. Keep copies of all these requests and the responses to them;
- b. Make them available to representatives of the Secretary of Health and Human Services or to the Division of Medical Services upon request, and
- c. Advise DMS when there is no response to a request.

B. Any disclosing entity that is subject to periodic survey and certification of its compliance with Medicaid standards must supply the information specified above to representatives of an Arkansas survey agency at the time of a survey. The survey agency must promptly furnish the information to the Secretary of Health and Human Services and to the Division of Medical Services.

C. Any disclosing entity that is not subject to periodic survey and certification and has not supplied the information specified above to the Secretary of Health and Human Services within the prior twelve month period, must submit the information to the Division of Medical Services before entering into a contract or agreement to participate in the program.

142.420 Disclosures of Business Transactions

12-01-03

A provider must submit, within 35 days of the date of a request by representatives of the Secretary of Health and Human Services or the Division of Medical Services, full and complete information about:

- A. The ownership of any subcontractor with whom the provider has business transactions totaling more than \$25,000 during the 12-month request, and
- B. Any significant business transactions between the provider and any wholly owned supplier, or between the provider and any subcontractor, during the five-year period ending on the date of the request.

142.430 Disclosures of Information Regarding Personnel Convicted of Crime

12-01-03

Before the Division of Medical Services enters into or renews a provider agreement, or at any time upon written request by DMS, the provider must disclose to DMS the identity of any person who:

- A. Has ownership or control interest in the provider, or is an agent or managing employee of the provider and
- B. Has been convicted of a criminal offense related to that person's involvement in any program under Medicare, Medicaid or the Title XX services programs since the inception of those programs.

142.500 Conditions Related to Fraud and Abuse

12-01-03

- A. Any provider who engages in fraudulent billing practices will be immediately suspended from participation until these practices are evaluated and resolved. Also, any provider discovered to be involved in fraudulent billing practices or found to be accepting or soliciting unearned rebates, refunds or other unearned considerations, whether in the form of money or otherwise, will be referred to the appropriate legal agency for prosecution under applicable federal or state laws.
- B. Any provider who engages in abuse or over-utilization of services provided to Medicaid recipients, when such abuse or over-utilization has been determined by a peer review committee, Medicaid professional staff or medical consultants, may be terminated from participation in the Medicaid Program, required to repay monies paid by the Medicaid

Program for such services or have other appropriate action taken upon recommendation of the above-referenced parties.

- C. Except where participation has been terminated, each provider who has been sanctioned may be required to participate in a provider education program as a condition of continued participation. Provider education programs will include, at a minimum:
1. Instruction on admissions and authorization for payments.
 2. Instruction on the use and format of required program forms.
 3. Instruction on key provisions of the Medicaid Program.
 4. Instruction on reimbursement rates.
 5. Instruction on how to inquire about program requirements, payment or billing problems and the overall operation of the program.

142.600 Conditions Related to Provider Refunds to DMS 12-01-03

Within thirty days a provider must refund any money the state is obligated to repay the federal government as a result of disallowance, recoupment or other adverse action in connection with Medicaid payments to the provider.

142.700 Mandatory Assignment of Claims for “Physician” Services 12-01-03

The Omnibus Budget Reconciliation Act of 1989 requires the mandatory assignment of Medicare claims for “physician” services furnished to individuals who are eligible for Medicare and Medicaid, including those eligible as qualified Medicare beneficiaries (QMBs). According to Medicare regulations, “physician” services, for the purpose of this policy, are services furnished by physicians, dentists, optometrists, chiropractors and podiatrists.

As described above, “physician” services furnished to an individual enrolled under Medicare who is also eligible for Medicaid (“QMB-plus”), *including qualified Medicare beneficiaries (QMBs not eligible for benefits covered by Medicaid and not covered by Medicare)*, may only be made on an assignment-related basis.

150.000 ADMINISTRATIVE REMEDIES AND SANCTIONS 10-13-03

151.000 Grounds for Sanctioning Providers 10-13-03

Sanctions may be imposed against a provider for any one or more of the following reasons:

- A. Presenting or causing to be presented for payment any claim for care, services or merchandise that fails to accurately represent the care, services or merchandise provided.
- B. Submitting or causing to be submitted information for the purpose of obtaining greater compensation than that to which the provider is legally entitled, including charging Medicaid patients more than other patients receiving the same service.
- C. Submitting or causing to be submitted inaccurate or misstated information in connection with utilization controls, including prior authorization requirements.
- D. Failing to disclose or make available, upon request, to the Division of Medical Services or its authorized representative, state Medicaid Fraud Control Unit and representatives of the Department of Human Services, all records relating to any Medicaid recipient and records of payments made.
- E. Failing to provide and maintain quality services, within accepted medical community standards as adjudged by a body of peers.

-
- F. Any act or omission that is abusive to the Medicaid Program.
 - G. Breaching the terms of the Medicaid provider agreement or failing to comply with the certification standards or with the terms of the provider certification.
 - H. Inducing, furnishing, arranging, referring or otherwise causing a recipient to receive tests, examinations, service(s) or merchandise that are not medically necessary.
 - I. Rebating or accepting a fee or portion of a fee or charge for a Medicaid patient referral.
 - J. Violating any state or federal provision of the Title XIX Program or any rule or regulation pertaining to Title XIX.
 - K. Submitting a false application for provider status.
 - L. Violating any laws, regulations or code of ethics governing the conduct of occupations or professions or regulated industries.
 - M. Accepting patients for whom all required care and services obviously cannot be provided.
 - N. Being convicted of a civil or criminal offense relating to performance of a provider agreement or failure to comply with the applicable standard of care.
 - O. Failure to meet standards required by state or federal law for participation including licensure.
 - P. Exclusion from Medicare.
 - Q. Failure to accept Medicaid payment as payment in full for covered services.
 - R. Refusal to execute a new provider agreement when requested to do so.
 - S. Failure to correct deficiencies after receiving written notice of deficiencies from the Division of Medical Services or the licensing or certifying entity.
 - T. Formal reprimand or censure by a licensing, certifying or accrediting agency or entity.
 - U. Suspension, debarment, exclusion or termination from participation in another governmental program.
 - V. Failure to pay or make arrangements acceptable to the state for the repayment of any funds due to the state.
 - W. Billing the Medicaid Program for services before providing those services.
 - X. Any act or omission that subjects a provider to exclusion under DHS Policy 1088, titled DHS Participant Exclusion Rule.
 - Y. Any act or omission that violates a provision of any applicable Medicaid provider manual.

152.000 Sanctions

10-13-03

The following sanctions may be invoked against providers based on the grounds specified in Section 151.000:

- A. Termination from participation in the Medicaid Program.
- B. Suspension of participation in the Medicaid Program.
- C. Suspension, withholding, recoupment, recovery or any combination thereof, of payments to a provider.

- D. Cancellation of the provider agreement or shortening of an already existing provider agreement.
- E. Mandatory attendance at provider education sessions.
- F. Imposition of prior authorization of services.
- G. Prepayment review of some or all of the provider's billings.
- H. Referral to the State Licensing Board for investigation.
- I. Referral to the Fraud Investigation Unit.
- J. Transfer to a closed-end provider agreement not to exceed 12 months.
- K. Referral to appropriate federal or state legal agency for prosecution under applicable federal or state laws.
- L. Referral to the appropriate state professional health care association's peer review mechanism.
- M. Exclusion under Department of Human Services (DHS) Policy 1088, titled DHS Participant Exclusion Rule.

153.000 Notice of Provider Sanction

10-13-03

- A. When a provider has been sanctioned, the Department of Human Services shall notify the applicable professional society, and any licensing, certifying or accrediting agency of the findings made and the sanctions imposed.
- B. Where a provider's participation in the Medicaid Program has been suspended or terminated, the Department of Human Services will notify the recipients for whom the provider claims payment for services that such provider has been suspended or terminated. Such notice may include the reason for suspension or termination.

154.000 Rules Governing the Imposition and Extent of Sanction

10-13-03

- A. Imposition of a Sanction
 - 1. The Director of the Division of Medical Services shall determine the sanction to be imposed as provided in paragraph A3.
 - 2. The following factors shall be considered in determining the sanction(s) to be imposed:
 - a. Seriousness of the offense(s)
 - b. Extent of violation(s)
 - c. History of prior violation(s)
 - d. Whether an indictment or information was filed against the provider or a related party as defined in DHS Policy 1088, titled DHS Participant Exclusion Rule
 - 3. Whenever a provider has been convicted of any Medicaid Program violation or is suspended or terminated from the Medicare Program for cause, the Department of Human Services shall institute proceedings to terminate the provider from the Medicaid Program.
- B. Scope of Sanction
 - 1. A sanction applies to all related parties as defined in DHS Policy 1088.

2. Suspension or termination from participation of any provider shall preclude such provider from submitting claims for payment, either personally or through claims submitted by a clinic, group, corporation or other association to DHS for any services or supplies provided after the suspension or termination.
3. No provider shall submit claims for payment for any goods or services provided by a person who has been debarred, excluded, suspended or terminated from participation in the Medicaid Program except for those services or supplies provided before the suspension or termination.
4. Any provider violating the provisions of paragraph B.3, along with the provider's related parties as defined in DHS Policy 1088, shall be suspended, terminated or excluded from participation.

160.000 REMEDIES FOR NON-COMPLIANCE

10-13-03

161.000 Notice of Violation

10-13-03

If the Division of Medical Services identifies an act or omission for which a sanction may be issued, the Division will notify the provider of the act or omission. The notification will be in writing and will set forth:

- A. The nature of the act or omission.
- B. The amount of any overpayment, recoupment or recovery, if known.
- C. The method of computing such amount.
- D. The sanction or sanctions to be imposed.
- E. Notification of any actions required of the provider and the provider's right to appeal.

161.100 Withholding of Medicaid Payments

10-13-03

The Division of Medical Services may withhold Medicaid payments, in whole or in part, to a provider upon receipt of reliable evidence that circumstances involve fraud, willful misrepresentation or both.

The Division of Medical Services may withhold payments without first notifying the provider of its intention to withhold.

The provider may request and will be granted administrative review. See Section 161.200.

Within five days of taking the action, the Division of Medical Services will send the Notice of Non-Compliance (form DMS-635) that explains the reasons for withholding payment and the provider's right for administrative review.

All withholdings or payment actions will be temporary and will not continue after:

- A. The Division of Medical Services or the prosecuting authorities determine that there is insufficient evidence of fraud or willful misrepresentation or
- B. Legal proceedings relating to the provider's alleged fraud or willful misrepresentations are completed.

161.200 Right to Informal Reconsideration

10-13-03

Within 10 calendar days after notice of adverse action, the provider may request an informal reconsideration. Requests must be in writing. Within 20 calendar days after the request, the

provider must submit, in writing, all alleged facts, including supporting documentation and legal arguments that the provider asserts in opposition to the adverse action. Informal reconsideration does not postpone any adverse action that may be imposed pending appeal.

Unless a timely and complete request for informal reconsideration or appeal is received by the Department of Human Services, the findings of DHS shall be considered a final and binding administrative determination.

Within 20 days of receiving a timely and complete request for informal reconsideration, the Director of the Division of Medical Services will designate an individual who did not participate in the determination leading to the adverse action who is knowledgeable in the subject matter of the informal reconsideration to review the informal reconsideration request and associated documents. The reviewer shall recommend to the director that the adverse action be sustained, reversed or modified. The director may adopt or reject the recommendation in whole or in part.

No informal reconsideration or appeal is allowed if the adverse action is due to loss of licensure, accreditation or certification.

161.300 Appeal

10-13-03

Within 20 days of receiving notice of adverse action, or 10 days of receiving an informal reconsideration decision that upholds all or part of any adverse action, whichever is later, the provider may appeal. Each notice of appeal must be in writing and state with particularity all findings, determinations, and adverse actions that the provider alleges are not supported by the facts or the applicable laws (including state and federal laws and rules, and applicable professional standards) or both. Within 20 days of receiving a notice of appeal the Director of the Division of Medical Services shall designate a hearing officer and set a date for the formal hearing.

162.000 Notice of Appeal Hearing

10-13-03

When an appeal hearing is scheduled, the Division of Medical Services shall notify the provider or; if the provider is represented by an attorney, the provider's attorney, in writing, of the date, time and place of the hearing. Notice shall be mailed not less than 10 calendar days before the scheduled date of the hearing.

162.100 Conduct of Hearing

10-13-03

- A. The hearing shall be conducted by a hearing officer who is authorized by the Director of the Division of Medical Services to conduct such hearings.
- B. Testimony shall be taken only under oath, affirmation or penalty of perjury.
- C. Each party shall have the right to call and examine parties and witnesses, to introduce exhibits, to question opposing witnesses and parties on any matter relevant to the issue even though the matter was not covered in the direct examination. Each party has the right to impeach any witness regardless of which party first called him to testify. Each party has the right to rebut the opposing evidence.
- D. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs regardless of the existence of any common law or statutory rule that might make improper the admission of such evidence over objection in civil or criminal actions.
- E. The hearing officer may provide for discovery by any means permitted by the Arkansas Rules of Civil Procedure and may assess the expense to the requesting party.
- F. The hearing officer may question any party or witness and may admit any relevant and material evidence.

- G. The hearing officer shall control the taking of evidence in a manner best suited to ascertain the facts and safeguard the rights of the parties. Before taking evidence, the hearing officer shall explain the issues and the order in which evidence will be received.
- H. The provider shall have the burden of proving by a preponderance of the evidence that it delivered all billed services in conformity with all applicable requirements.
- I. Except as provide in H, the burden of producing evidence as to a particular fact is on the party against whom a finding on that fact would be required in the absence of further evidence.

162.200 Representation of Provider at a Hearing

10-13-03

Individual providers may represent themselves. A partner may represent the partnership. A limited liability company or corporation may be represented by an officer or the chief operating official. A professional association may be represented by a principal of the association. Representatives must be courteous in all activities undertaken in connection with the appeal, and must obey the orders of the hearing officer regarding the presentation of the appeal. Failure to do so may result in exclusion from the appeal hearing, or the entry of an order denying discovery.

162.300 Right to Counsel

10-13-03

Any party may appear and be heard at any proceeding described herein through an attorney-at-law. All attorneys shall conform to the standards of conduct practiced by attorneys before the courts of Arkansas. If an attorney does not conform to those standards, the hearing officer may exclude the attorney from the proceeding.

162.400 Appearance in Representative Capacity

10-13-03

A person appearing in a representative capacity shall file a written notice of appearance on behalf of a provider identifying himself by name, address and telephone number; identifying the party represented and shall have a written authorization to appear on behalf of the provider. The Department of Human Services shall notify the provider in writing of the name and telephone number of its representative.

163.000 Form of Papers

10-13-03

All papers filed in any proceeding shall be typewritten on legal-sized white paper using one side of the paper only. They shall bear a caption clearly showing the title of the proceeding in connection with which they are filed together with the docket number, if any.

The party and/or his authorized representative or attorney shall sign all papers, and all papers shall contain his address and telephone number. At a minimum, an original and two copies of all papers shall be filed with the Division of Medical Services.

163.100 Notice, Service and Proof of Service

10-13-03

- A. All papers, notices and other documents shall be served by the party filing same upon all parties to the proceeding. Proof of such service upon all parties shall be filed with the Division of Medical Services.
- B. Service shall be made by delivering, in person or by mail, properly addressed with postage prepaid, one copy to each party entitled thereto. When any party or parties have appeared by attorney, service upon the attorney shall be deemed service upon the party or parties.
- C. Proof of service of any paper shall be by certificate of attorney, affidavit or acknowledgement.

- D. Wherever notice or notification by the Division of Medical Services is indicated or required, notification shall be effective upon the date of first class mailing to a provider's or other party's business address or residence.
- E. In addition to the methods provided for in these regulations, a provider may be served in any manner permitted by law.

164.000 Witnesses

10-13-03

A party shall arrange for the presence of his or her witnesses at the hearing.

165.000 Amendments

10-13-03

At any time prior to the completion of the hearing, amendments to the adverse action, the provider's notice of appeal, or both, may be allowed on just and reasonable terms to add any party who ought to have been joined, discontinued as to any party, change the allegations or defenses or add new causes of action or defenses.

Where the Division of Medical Services seeks to add a party or a cause of action or change an allegation, notice shall be given pursuant to Section 161.000, "Notice of Violation," and Section 163.100, "Notice, Service and Proof of Service," to the appropriate parties except that the provisions of Section 161.200, "Right to Informal Reconsideration," and Section 162.000, "Notice of Appeal Hearing," shall not apply.

Where a party other than the Division of Medical Services seeks to add a party or change a defense, notice shall be given pursuant to Section 163.100, "Notice, Service and Proof of Service."

The hearing officer shall continue the hearing for such time as he deems appropriate, and notice of the new date shall be given pursuant to Section 166.000, "Continuances or Further Hearings."

166.000 Continuances or Further Hearings

10-13-03

- A. The hearing officer may continue a hearing to another time or place or order a further hearing on his or her own motion or upon showing of good cause at the request of any party.
- B. Where the hearing officer determines that additional evidence is necessary for the proper determination of the case, he or she may, at his or her discretion:
 - 1. Continue the hearing to a later date and order the party to produce additional evidence or
 - 2. Conclude the hearing and hold the record open in order to permit the introduction of additional documentary evidence. Any evidence so submitted shall be made available to both parties, and each party shall have the opportunity for rebuttal.

Written notice of the time and place of a continued or further hearing shall be given, except that when a continuance or further hearing is ordered following a hearing, oral notice of the time and place of the hearing may be given to each party present at the hearing.

167.000 Failure to Appear

10-13-03

If a party fails to appear at a hearing, the hearing officer may dismiss the appeal or enter a determination adverse to the non-appearing party. A copy of the decision shall be mailed to each party together with a statement of the provider's right to reopen the hearing

168.000 Record of Hearing

10-13-03

The Division of Medical Services (DMS) shall tape-record the hearings, or cause the hearings to be tape-recorded. If the final DMS determination is appealed, the tape recording shall be transcribed, and copies of other documentary evidence shall be reproduced for filing under the Administrative Procedures Act.

169.000**Decision****10-13-03**

- A. At the conclusion of the hearing, the hearing officer shall take the matter under consideration and shall submit a proposed decision to the Director of the Division of Medical Services.
- B. The proposed decision shall be in writing and shall contain findings of fact, conclusions of and a proposed order.
- C. The director may adopt the proposed decision, or he may reject the proposed decision and have a decision prepared based upon the record, or he may remand the matter to the hearing officer to take additional evidence. In the latter case, the hearing officer, thereafter, shall submit to the director a new proposed decision.
- D. The director's decision is the final agency determination under the Administrative Procedures Act. The director shall cause a copy of the decision to be mailed to the provider at the provider's last known address, or, if the provider was represented by an attorney, to the address provided by the attorney.

170.000**THE ARKANSAS MEDICAID PRIMARY CARE CASE MANAGEMENT PROGRAM****10-13-03**

Arkansas Medicaid's Primary Care Case Management Program, ConnectCare, is a statewide program that operates under the authority of a Social Security Act Section 1915(b)(2) waiver. Most Medicaid recipients and all ARKids First-B participants must enroll with a primary care physician (PCP). The PCP provides primary care services and health education. They make referrals for medically necessary specialty physician's services, hospital care and other services.

PCPs assist their enrollees in locating services to which he or she refers them. PCPs coordinate and monitor, on behalf of their enrollees, prescribed medical and rehabilitation services. ConnectCare enrollees may receive services only from their PCP unless their PCP refers them to another provider, or unless they obtain a service that does not require a PCP referral. Section 176.000 lists services that do not require a PCP referral.

171.000**Medicaid-Eligible Individuals that may not Enroll with a PCP****10-13-03**

All Medicaid-eligible individuals and ARKids First-B eligibles must enroll with a PCP unless they are among the following:

- A. Individuals with Medicare as their primary insurance.
- B. Individuals in a long term care aid category that are residents of a nursing facility.
- C. Individuals who reside in an intermediate care facility for the mentally retarded (ICF/MR).
- D. Individuals in Medically Needy-Spend Down categories of eligibility. See Section 124.000 for aid category information.
- E. Individuals with a retroactive eligibility period. Medicaid does not require PCP enrollment for the period between the beginning of the retroactive eligibility segment and the date of the eligibility authorization. If eligibility extends beyond the authorization date, Medicaid requires enrollment with a PCP unless the recipient is otherwise exempt from PCP program requirements.

172.000 PCP-Qualified Physicians and Single-Entity Providers 10-13-03

- A. Physicians whose sole or primary specialty is among those listed below (except obstetrician/gynecologists) must enroll as ConnectCare primary care physicians (PCPs). Physicians with multiple specialties may elect to enroll as PCPs if a secondary or tertiary specialty in their Medicaid provider file is listed below.
 - 1. Family Practitioner
 - 2. General Practitioner
 - 3. Internal Medicine
 - 4. Obstetrician/gynecologist
 - 5. Pediatrician
- B. Certain clinics have been designated single-entity PCPs. Individuals enrolled with a single-entity PCP may see anyone at that clinic without a referral. Qualified single-entity PCP providers are listed below.
 - 1. Area Health Education Centers (AHEC)
 - 2. Federally Qualified Health Centers (FQHC)
 - 3. Family practice and internal medicine clinics at the University of Arkansas Medical Sciences campus

173.000 Selecting and Enrolling with a PCP 10-13-03

- A. Medicaid-eligible individuals, who are not exempt from ConnectCare PCP enrollment requirements, need PCP referrals to access many Medicaid-covered services. All newly eligible individuals are given opportunities to enroll. Those who do not enroll with a PCP at their first opportunity receive regular reminders from ConnectCare of the advantages of PCP enrollment. There are several ways to enroll.
- B. An individual must select a PCP that is located near his or her residence. He or she may select a PCP in his or her county of residence, counties adjacent to the county of residence or counties that adjoin the counties adjacent to the county of residence. When the county of residence is an Arkansas county bordering another state, the individual may select a PCP in the state bordering the county of residence.

173.100 PCP Selection at Local County DHS Offices 10-13-03

The individual will receive information from the county office staff describing and explaining ConnectCare. An Arkansas Medicaid Primary Care Physician Managed Care Program Primary Care Physician Selection and Change Form (form DCO-2609) is completed for and signed by the recipient for each person included in the medical assistance. Each Medicaid person in a family may select the same physician or different physicians. The form is designed for three entries: an individual's first, second and third choices. When Medicaid or ARKids First-B eligibility is determined, a DHS worker uses a Web-based application or a telephonic voice response system to complete the PCP enrollment, beginning with the first choice. If the first PCP on a DCO-2609 form has a full caseload, the worker tries the second choice and so on. The county office forwards confirmation of the PCP enrollment to each new enrollee.

Individuals applying for ARKids First A and B indicate their preference for a primary care physician on the mail-in application, form DCO-995.

173.200 PCP Selection at PCP Offices and Clinics 10-13-03

Physician and single-entity PCPs may enroll Medicaid-eligibles by means of the telephonic voice response system (VRS). A selection and change form must be completed, dated and signed by the enrollee. The enrollee may request and receive a copy of the form.

Enrollees must document their PCP choice on the Primary Care Physician Selection and Change form (form DCO-2609). Enrolling the patient is performed by accessing the VRS and following the instructions. The PCP office must retain a copy of the form in the enrollee's file.

[View or print Voice Response System \(VRS\) contact information.](#)

When a PCP wants to enroll a patient but the PCP's Medicaid caseload is full, or a PCP wants to increase or decrease the caseload limit for any reason, the PCP may write Provider Enrollment to request the desired revision. Caseload limits may be raised or lowered by 10 or more slots per written request.

173.300 PCP Enrollment Through ConnectCare Helpline

10-13-03

Enrollment through the ConnectCare Helpline is simple and convenient. ConnectCare Helpline is a service performed by Medicaid Outreach and Education for ConnectCare and ARKids First-B.

ConnectCare staff is available for PCP enrollments and transfers 24 hours a day. The Helpline number is prominently displayed in ConnectCare publications, frequently in more than one place.

[View or print ConnectCare contact information.](#)

Helpline staff members help potential enrollees locate PCPs in their area. They also help non-English-speaking individuals locate PCP offices or clinics where they can communicate in their native language.

173.400 PCP Selection and Enrollment at Participating Hospitals

10-13-03

- A. Most hospital services require PCP referral.
 - 1. Some hospital services do not require a referral but are covered only if the patient is enrolled with a PCP.
 - 2. Additionally, the referral requirement is waived for certain hospital services when the effective date of the PCP enrollment is one day before the date of service or the same as the date of service.
- B. Arkansas Medicaid pays acute care hospitals for helping Medicaid beneficiaries enroll with PCPs.
 - 1. Enrollment is by means of the Selection and Change form, form DCO-2609, and the voice response system (VRS).
 - 2. Hospital personnel enter the PCP selection via the VRS.
 - 3. The enrollment is effective immediately upon its acceptance by the online transaction processor (OLTP) that interfaces with the VRS.
 - 4. The OLTP automatically updates the Medicaid Management Information System (MMIS) within 24 hours, but in the meantime, the enrollment information is part of the Medicaid eligibility file in the system.
 - 5. The date the enrollment is electronically accepted is the effective date of the PCP enrollment.
 - 6. The enrollee may request and receive a copy of the completed selection form.
 - 7. The hospital staff must forward a copy of the selection form to the PCP accepted by the VRS.

173.500 **PCP Selection for Medicaid Beneficiaries with Supplemental Security Income (SSI) Benefits** **10-13-03**

Individuals that are eligible for Medicaid because they are Supplemental Security Income (SSI) beneficiaries do not have an opportunity to select a PCP when they apply for SSI, because SSI application is made in a federal government office.

When an SSI beneficiary's Medicaid eligibility determination is made, EDS generates a letter that describes ConnectCare. The letter lists the services that do not require PCP referral and the groups of individuals that are not required to enroll with PCPs. It explains how to select and enroll with a PCP and how to transfer from one PCP to another.

A Primary Care Physician Selection and Change form, DCO-2609, is enclosed in the mailing. SSI beneficiaries may enroll with PCPs by any of the methods used by other Medicaid eligibles.

174.000 **Automated PCP Enrollment Verification** **10-13-03**

An enrollee's Medicaid electronic eligibility verification response includes the PCP's name and telephone number and the beginning date of the current enrollment period. If there is no current PCP listed on the eligibility response, the individual is not enrolled with a PCP. He or she should be referred to the ConnectCare Helpline for information and assistance. [View or print the ConnectCare Helpline contact information.](#) ConnectCare enrollees are responsible for any charges for services they receive without obtaining required referrals.

175.000 **Transferring PCP Enrollment** **10-13-03**

175.100 **PCP Transfers by Enrollee Request** **10-13-03**

ConnectCare enrollees may change PCPs at any time, for any stated reason.

PCP transfer for any reason may be done at the local county office in the enrollee's county of residence. Enrollees transferring PCP enrollment at their local county DHS office must request the transfer in person and in writing by means of form DCO-2609. DHS staff will enter the change in real time by VRS or a Web-based application. The enrollment is effective immediately.

Enrollees transferring their PCP enrollment because the arrangement is unacceptable to the enrollee or because the arrangement is unacceptable to the PCP must do so only at their local DHS county office. In such a case, the enrollee must state in writing that the arrangement with the PCP is unacceptable to him or her, or that he or she has been instructed in writing by the PCP to transfer his or her enrollment.

The ConnectCare Helpline is authorized to transfer a PCP enrollment by telephone for any stated reason except those that must go through a DHS county office. [View or print the ConnectCare Helpline contact information.](#)

175.200 **PCP Transfers by PCP Request** **10-13-03**

Only DHS county offices are authorized to transfer an individual's enrollment when his or her PCP states that the arrangement with the enrollee is unacceptable. To transfer a patient's enrollment, a PCP must submit a written change request to the local county DHS office. The county office will send a Selection and Change form to the enrollee with instructions to make a new selection.

At least 30 days in advance of the effective date of the termination, the PCP must give the enrollee written notice that the enrollee's removal from the PCP's caseload has been requested. The notice must further state that the enrollee has 30 days to enroll with a different PCP. The

PCP continues as the enrollee's primary care physician during the 30 days or until the enrollee transfers to another PCP, whichever comes first.

A PCP may request that a recipient transfer PCP enrollment because the arrangement with the recipient is not acceptable to the PCP. Examples of unacceptable arrangements include, but are not limited to:

- A. The enrollee fails to appear for 2 or more appointments without contacting the PCP before the scheduled appointment time.
- B. The recipient is abusive to the PCP.
- C. The recipient does not comply with the PCP's medical instruction.

The PCP must request the transfer in writing, forwarding a copy to the enrollee and to the local DHS office in the recipient's county of residence.

175.300 PCP Enrollment Transfers Initiated by the State

10-13-03

- A. The state may initiate PCP enrollment transfers whenever they are necessary. State-initiated enrollment transfers come about because DMS, in exercising its regulatory function, sometimes must sanction, suspend or terminate a provider. For instance, a provider may lose his or her PCP or Medicaid contract for:
 - 1. Failure to meet PCP or Medicaid contractual obligations,
 - 2. Proven and consistent excessive utilization or
 - 3. Unnecessarily *limited* utilization of medically necessary services.
- B. When the state terminates a physician's provider application (form DMS-652) or Medicaid contract (form DMS-653), DMS contacts the Medicaid beneficiaries on the physician's caseload with instructions for transferring their PCP enrollment.
- C. Occasionally, the Division of Medical Services (DMS) must cancel a provider's Medicaid contract for legal reasons. When the terminated provider is a PCP, DMS contacts all the PCP's enrollees by mail with instructions for locating and enrolling with another PCP.

176.000 Services Not Requiring a Primary Care Physician Referral

10-13-03

Most non-physician services and most medical services that a PCP does not provide require PCP referrals. However, Medicaid beneficiaries may access some services without being referred by their PCP. The services listed below do not require a PCP referral.

- A. Alternatives for Adults with Physical Disabilities (Alternatives Program) Waiver services.
- B. Ambulance (emergency and non-emergency) services and non-emergency medical transportation.
- C. Anesthesia services, except outpatient pain management.
- D. Assessment in the emergency department of an acute care hospital (including the physician's assessment) to determine whether an emergency or non-emergency condition exists. The physician and facility assessment services are exempt from PCP referral requirements only if the Medicaid recipient is enrolled with a PCP.
- E. DDS Alternative Community Services (ACS) Waiver services.
- F. Dental services.
- G. Developmental Day Treatment Clinic Services (DDTCS).

-
- H. Disease control services for communicable diseases, including sexually transmitted diseases, human immunodeficiency virus (HIV), and acquired immune deficiency syndrome (AIDS). Medicaid imposes no PCP referral requirement on testing for and treatment of diseases that the Arkansas Department of Health requires practitioners to report to the Division of Epidemiology.
 - I. Domiciliary Care.
 - J. ElderChoices waiver services.
 - K. Emergency services in an acute care hospital emergency department, including emergency physician services.
 - L. Family Planning services.
 - M. Gynecological care.
 - N. Nursing facility services and intermediate care facility for mentally retarded (ICF/MR) services.
 - O. Obstetrical (antepartum, delivery and postpartum care) services. When a woman's obstetrician is not her PCP, she must obtain PCP referrals for her non-obstetrical, non-gynecological services. A woman's obstetrician or the PCP may order home health care for postpartum complications. The PCP must perform other medical services for a pregnant woman or refer her to an appropriate provider.
 - P. Pharmacy services.
 - Q. Physician services for inpatients in an acute care hospital. This includes direct patient care (initial and subsequent evaluation and management services, surgery, etc.) and indirect care (pathology, interpretation of X-rays, etc.).
 - R. Physician visits in the outpatient departments of acute care hospitals, when the Medicaid beneficiary is enrolled with a PCP and the services are within applicable benefit limits.
 - S. Professional components of diagnostic laboratory, radiology and machine tests in the outpatient departments of acute care hospitals. Medicaid covers these services without a PCP referral only if the Medicaid recipient is enrolled with a PCP and the services are within applicable benefit limitations.
 - T. Visual care services, including eye examinations, eyeglasses, and the treatment of diseases and conditions of the eye. Visual care services do not require PCP referral, whether performed by medical doctors or optometrists.
 - U. ConnectCare may waive the PCP referral requirement for other services not listed in this section if restricting access to them would create unnecessary hardship for Medicaid beneficiaries or providers. This category currently includes:
 - 1. Critical care (physician critical care services).
 - 2. Sexual abuse examinations.

177.000

**PCP Referral Requirements for Medicaid Waiver Program
Participants**

10-13-03

Some participants become Medicaid eligible under the guidelines of the home and community based waiver programs and do not need a PCP referral for their waiver services. When accessing any other Medicaid services, participants in those waiver programs are subject to all ConnectCare requirements.

178.000 Primary Care Physician Participation 10-13-03
178.100 Mandatory PCP Enrollment 10-13-03

Only the physicians and clinics listed in Section 172.000 may qualify as PCPs. Physicians whose only specialty is emergency care or who practice exclusively in hospital emergency departments may not enroll as PCPs. Physicians practicing in PCP qualified specialties must enroll as PCPs. Obstetricians and gynecologists may choose whether to enroll as PCPs.

178.200 Additional Conditions of Participation 10-13-03

- A. A federally qualified health center (FQHC) or a Medicaid-enrolled physician practicing in a PCP-qualified specialty is required to sign an agreement to participate as a screening provider in the Child Health Services (EPSDT) Program and an agreement to participate in ConnectCare as a primary care physician.
 - 1. Internal medicine practitioners, obstetricians and gynecologists are exempt from mandatory Child Health Services (EPSDT) enrollment.
 - 2. Area Health Education Centers (AHECs), and the family practice and internal medicine clinics at the University of Arkansas Medical Sciences campus, are the only physician group providers that may enroll as single-entity primary care physician providers.
- B. A PCP must be physically located in Arkansas with the following exceptions:
 - 1. The trade-area cities: Monroe and Shreveport, Louisiana; Clarksdale and Greenville, Mississippi; Poplar Bluff, Missouri; Poteau and Salisaw, Oklahoma; Memphis, Tennessee and Texarkana, Texas.
 - 2. To help ensure adequate access to service, the state may enroll physicians in bordering state cities that are not trade-area cities. The state considers, on a case-by-case basis, requests by those physicians to participate in ConnectCare as PCPs.
- C. A physician must have hospital admitting privileges in order to enroll as a PCP. The state may waive this requirement to help insure adequate access to services. On the primary care physician participation agreement, a physician may name a physician that has hospital admitting privileges and with whom he or she has an agreement by which they handle hospital admissions. A copy of the agreement must be submitted with the PCP agreement.
- D. A physician whose only specialty is emergency care may not enroll as a PCP.
- E. A PCP may not refuse to enroll and may not otherwise discriminate against, a beneficiary because of the individual's age, sex, race, national origin or type of illness or condition. A PCP may refuse an enrollee if it is customary for a physician or if it is the practice of his or her specialty not to accept certain types of patients. For instance:
 - 1. A pediatrician may refuse to enroll an individual aged 14 years or older.
 - 2. An obstetrician/gynecologist may refuse to enroll a male.
 - 3. An obstetrician/gynecologist may refuse to enroll a female under the age of 12.
 - 4. A PCP whose specialty is internal medicine may refuse to enroll an individual 16 or younger.
- F. A PCP must give an enrollee written notice, 30 days in advance of the effective date of termination, that the PCP has requested the enrollee's removal from his or her caseload and that the enrollee must enroll with another PCP. The enrollee may remain on the PCP's caseload for 30 days.

- G. A PCP must perform an examination and/or make necessary referral within 24 hours of contact by government officials in alleged or substantiated cases of abuse, neglect or severe maltreatment of a Medicaid-eligible individual and when the state has custody of a Medicaid-eligible individual.
- H. A PCP must contact the Arkansas Department of Health Immunizations Data Entry Office to determine the immunization status and requirements of any Medicaid-eligible individual under the age of 21 for whom the PCP does not have this information. [View or print the Immunizations Data Entry Office contact information.](#)
- I. A PCP must monitor and maintain the Child Health Services (EPSDT) screening periodicity for each of his or her enrollees under the age of 21. The date of the most recent EPSDT screens are displayed on electronic responses. Users select the screen types they want displayed. PCPs may refer enrollees to other providers for EPSDT screens. The screening providers must report the results to the referring PCPs. The PCPs are responsible for coordinating and monitoring subsequent referrals, treatment or testing.

179.000 PCP Caseload Requirements

10-13-03

Each PCP may establish his or her Medicaid caseload limit, from a minimum of 10 enrollees to a maximum of 1000. The state may permit higher maximum caseloads in areas the federal government has designated as medically underserved. The state may permit higher maximum caseloads for PCPs who so request because the limit would create a hardship on their practice. The state will not require any PCP to accept a caseload greater than the PCP's requested caseload maximum. A PCP may increase or decrease his or her maximum desired caseload by 10 or more slots at a time by submitting a signed request to the Division of Medical Services, Provider Enrollment Unit.

180.000 REQUIRED PCP SERVICES AND ACTIVITIES

10-13-03

A primary care physician (PCP) provides primary care physician services as well as these additional services:

- A. Health education.
- B. Assessment of each enrollee's medical condition, initiating and recommending treatment or therapy when needed.
- C. Referrals to specialty physicians, hospital care and other medically necessary services.
- D. Assistance with locating needed medical services.
- E. Coordination of prescribed medical and rehabilitation services with other professionals.
- F. Monitoring the enrollees' prescribed medical and rehabilitation services.

181.000 Access Requirements for Primary Care Physicians

10-13-03

A PCP must have hours of operation that are reasonable and adequate to serve his or her caseload. The office must be open to Medicaid enrollees **during the same hours and for the same number of hours as it is for self-pay and insured patients.**

ConnectCare enrollees must have the same access as private pay and insured persons to emergency and non-emergency medical services. A PCP must make available 24-hour, 7 days per week telephone access to a live voice (an employee of the primary care physician or an answering service) or to an answering machine that will immediately page an on-call medical professional. The on-call professional will provide information and instructions for treating emergency and non-emergency conditions, make appropriate referrals for non-emergency

services and provide information regarding accessing other services and handling medical problems during hours the PCP's office is closed. Response to after-hours calls regarding non-emergencies must be within 30 minutes.

All PCPs are subject to the same access requirements. However, ConnectCare recognizes that there are insufficient physicians available in some areas to provide 24-hour "on-call" coverage, limiting alternative means of access to after-hours care. PCPs in under-served and sparsely populated areas may refer their patients to the nearest facility available, but enrollees must be able to obtain the necessary instructions by telephone. PCPs must make the telephone number as widely available as possible to their patients. When employing an answering machine with recorded instructions for after-hours callers, they should regularly check to ensure that the machine functions correctly and that the instructions are up to date.

In areas where physicians customarily rotate call, PCPs are required to provide the same level of service for their ConnectCare enrollees.

Physicians and facilities treating a PCP's enrollees after hours must report diagnosis, treatment, significant findings, recommendations and any other pertinent information to the PCP, for inclusion in the patient's medical record.

PCPs are not allowed to refer ConnectCare enrollees to emergency departments for non-emergency conditions during the PCP's regular office hours.

182.000 PCP Referrals

10-13-03

PCPs may make only medically necessary referrals. ConnectCare enrollees must obtain Medicaid covered services, except for the services listed in Section 176.000 from their PCP or by referrals from their PCP to other providers.

A PCP may not restrict an enrollee's right to choose which provider he or she may see for a PCP-referred service. A PCP may refer an enrollee to a specific provider by name only if the PCP allows the enrollee free choice by naming two or more providers of the same type or specialty.

PCP enrollees are responsible for any charges they incur for services obtained without PCP referrals except for the services listed in Section 176.000.

PCPs are not required to make retroactive referrals.

PCPs are responsible for coordinating and monitoring all medical and rehabilitative services received by their enrollees. Therefore, they must accept co-responsibility for the ongoing care of patients they refer to other professionals.

Services requiring PCP referrals may not begin until the PCP makes the referral. PCP referrals expire on the date specified by the PCP, upon receipt of the number or amount of services specified by the PCP or in six months, whichever occurs first. There is no limit on the number of times a referral may be renewed, but renewals must be medically necessary and at least every six months. It is left to a PCP's judgment whether it is necessary to see a patient before making or renewing a referral.

182.100 Referral Form (DMS-2610)

10-13-03

Medicaid provides an optional referral form, the DMS-2610, which the PCP may use to facilitate referrals. [View or print form DMS-2610.](#) PCP referrals may also be oral, by note or by letter. Medicaid requires documentation of the referral in the enrollee's medical record, regardless of the means by which the PCP makes the referral. Medicaid also requires the documentation of the referral by the provider to whom the referral is made. Providers of referred services must correspond with the PCP as necessary to coordinate patient care and as requested by the PCP.

182.200 PCP Substitutes 10-13-03
182.210 PCP Substitutes; General Requirements 10-13-03

Medicaid permits physicians to substitute for PCPs in some situations. In addition to the requirements found in the Physicians/Independent Lab/CRNA/Radiation Therapy Center provider manual, the following requirements apply to all PCP substitutions *by physicians*.

- A. The PCP and the substitute physician must document the substitution in the patient's record(s) as a referral, and include the specific reason for the substitution.
- B. The substitute physician must provide the PCP's name and provider number to any other service provider to whom he or she refers the patient.
- C. The substitute physician need not be a PCP.

182.220 PCP Substitutes; Rural Health Clinics and Physician Group Practices 10-13-03

Physicians affiliated with a rural health clinic or enrolled in a Medicaid-enrolled physician group may substitute for an enrollee's PCP when the PCP is unavailable.

Acceptable reasons for a PCP not to be available are: the PCP's schedule is full because of an unusual number of urgent or time-consuming cases; enrollees require services outside the PCP's normal working hours; or the PCP is ill, on vacation or other leave of absence or in surgery.

Habitual over scheduling of patients is not an acceptable reason for a PCP's use of a substitute. PCPs and substitutes must document each substitution as a PCP referral.

182.230 PCP Substitutes; Individual Practitioners 10-13-03

A PCP that is an individual practitioner must designate a substitute physician to take telephone calls, see enrollees and make appropriate referrals when the PCP is unavailable.

Acceptable reasons for a PCP not to be available are: enrollees require services outside the PCP's normal working hours; or the PCP is ill, on vacation or other leave of absence or in surgery.

Habitual over scheduling or having too great a caseload are not acceptable reasons for a PCPs use of a substitute. PCPs and substitutes must document each substitution as a PCP referral.

182.240 Nurse Practitioners and Physician Assistants in Rural Health Clinics 10-13-03

Licensed nurse practitioners or licensed physician assistants employed by a Medicaid-enrolled rural health clinic (RHC) provider may not function as PCP substitutes. However, they may provide primary care for the PCP recipients, with certain restrictions.

- A. The PCP affiliated with the RHC must issue a standing referral for primary care services furnished by nurse practitioners and physician assistants in or on behalf of the RHC.
- B. Nurse practitioners and physician assistants may not make referrals for medical services except for pharmacy services per established protocol.
- C. The PCP must maintain a supervisory relationship with the nurse practitioners and physician assistants.

183.000**Primary Care Physician Case Management Fee****10-13-03**

PCP reimbursement for physician services is on a fee for service basis. Additionally, Medicaid pays a monthly, per enrollee case management fee. The amount due for each month is determined by multiplying the established fee by the number of enrollees on the last day of the month. Medicaid pays case management fees quarterly, in October, January, April and July. An accompanying Medicaid Remittance and Status Report itemizes the payments, number of enrollee and enrollment month. Enrollees are listed alphabetically with their Medicaid identification numbers and addresses included.

200.000	DIVISION OF YOUTH SERVICES (DYS) AND DIVISION OF CHILDREN AND FAMILY SERVICES (DCFS) TARGETED CASE MANAGEMENT GENERAL INFORMATION	4-1-05
----------------	--	---------------

201.000	Arkansas Medicaid Participation Requirements for DYS and DCFS Providers of Targeted Case Management Services	4-1-05
----------------	---	---------------

201.100	Participation Requirements for DYS Case Management Providers	4-1-05
----------------	---	---------------

201.110	Billing Providers of DYS Targeted Case Management Services	4-1-05
----------------	---	---------------

Billing providers of DYS targeted case management services must meet the following criteria in order to be eligible for participation in the Arkansas Medicaid Program:

- A. DYS targeted case management billing providers must complete a provider application (form DMS-652), the Medicaid contract (form DMS-653) and the Request for Taxpayer Identification Number and Certification (Form W-9). [View or print a provider application \(form DMS-652\), Medicaid contract \(form DMS-653\) and Request for Taxpayer Identification Number and Certification \(Form W-9\).](#)
- B. The Arkansas Medicaid Program must approve the provider application (form DMS-652) and the Medicaid contract (form DMS-653) as a condition of participation in the Medicaid Program. Persons and entities that are excluded or debarred under any state or federal law, regulation, or rule are not eligible to enroll, or to remain enrolled, as Medicaid providers.

201.120	Performing Providers of DYS Targeted Case Management Services	4-1-05
----------------	--	---------------

Performing providers of DYS targeted case management services must meet the following criteria in order to be eligible for participation in the Arkansas Medicaid Program.

- A. DYS targeted case management performing providers must complete a provider application (form DMS-652), the Medicaid contract (form DMS-653) and the Request for Taxpayer Identification Number and Certification (Form W-9). [View or print a provider application \(form DMS-652\), Medicaid contract \(form DMS-653\) and Request for Taxpayer Identification Number and Certification \(Form W-9\).](#)
- B. The performing provider must be certified by the DYS as having programs and professional staff capable of delivering the targeted case management services offered under the Arkansas State Plan. A copy of the applicant's certification must accompany the provider application and the Medicaid contract. Subsequent certification renewals must be provided for continuous enrollment.
- C. The Arkansas Medicaid Program must approve the provider application (form DMS-652) and the Medicaid contract (form DMS-653) as a condition of participation in the Medicaid Program. Persons and entities that are excluded or debarred under any state or federal law, regulation or rule are not eligible to enroll, or to remain enrolled, as Medicaid providers.

201.200	Participation Requirements for DCFS Targeted Case Management Providers	4-1-05
----------------	---	---------------

Providers of DCFS targeted case management services must meet the following criteria in order to be eligible for participation in the Arkansas Medicaid Program.

PROPOSED

- A. DCFS targeted case management providers must complete a provider application (form DMS-652), the Medicaid contract (form DMS-653) and the Request for Taxpayer Identification Number and Certification (Form W-9). [View or print a provider application \(form DMS-652\), Medicaid contract \(form DMS-653\) and Request for Taxpayer Identification Number and Certification \(Form W-9\).](#)
- B. The Arkansas Medicaid Program must approve the provider application (form DMS-652) and the Medicaid contract (form DMS-653) as a condition of participation in the Medicaid Program. Persons and entities that are excluded or debarred under any state or federal law, regulation or rule are not eligible to enroll, or to remain enrolled, as Medicaid providers.

202.000 Qualifications of Providers 4-1-05

202.100 Qualifications of DYS Targeted Case Management Provider Agencies 4-1-05

DYS targeted case management services are provided only through qualified provider agencies. Qualified case management provider agencies must meet the following criteria:

- A. The agency must have full access to all pertinent records concerning the child's needs for services including records of the Arkansas District Judicial Courts, the Division of Youth Services/Alexander Youth Services Center and its designated service providers and any Department of Human Services/DYS-funded county and state youth services agencies.
- B. They must have established referral systems and demonstrated linkages and referral ability with community resources required by the target population.
- C. They must have a minimum of one year's experience in providing all core elements of case management services to the target populations.
- D. The agency must have an administrative capacity to ensure quality of services in accordance with state and federal requirements.
- E. The provider agency must have a financial management capacity and system that provides documentation of services and costs in conformity with generally accepted accounting principles.
- F. They must have a capacity to document and maintain individual case records in accordance with state and federal requirements.
- G. The agency must have demonstrated the ability to meet all state and federal laws governing the participation of providers in the state Medicaid Program, including the ability to meet federal and state requirements for documentation billing and audits.

202.200 DCFS Targeted Case Management Provider Agencies 4-1-05

DCFS case management services will be provided only through qualified provider agencies. Qualified targeted case management service provider agencies must meet the following criteria:

- A. They must have full access to all pertinent records concerning the child's needs for services including records of the Arkansas Family Courts and the State Child Welfare and Protection Agency.
- B. They must ensure 24-hour availability of case management services and continuity of those services.

PROPOSED

- C. The provider agency must have established referral systems and demonstrated linkages and referral ability with community resources required by the target population.
- D. They must have a minimum of five years of experience in providing all core elements of case management services to the target populations.
- E. The agency must have an administrative capacity to ensure quality of services in accordance with state and federal requirements.
- F. They must have a financial management capacity and system that provides documentation of services and costs in conformity with generally accepted accounting principles.
- G. They must have a capacity to document and maintain individual case records in accordance with state and federal requirements.
- H. The agency must have a demonstrated ability to meet all state and federal laws governing the participation of providers in the state Medicaid Program, including the ability to meet federal and state requirements for documentation, billing and audits.

202.210 **Qualifications of Individual Case Managers within the DCFS** **4-1-05**
Targeted Case Management Provider Agency

Individual case managers, denoted as Family Service Workers (FSW), who work for the provider agencies must meet the following two minimum qualifications:

- A. The individual must have a minimum of a bachelor's degree in social work, sociology, psychology or a related field.
- B. The individual is supervised by another person who, at a minimum, possesses the formal education equivalent of a bachelor's degree in social work, sociology, or a related field plus four years of experience in child welfare or human services.

203.000 **Targeted Case Management Providers in Bordering and** **4-1-05**
Non-Bordering States

The Arkansas Medicaid DYS and DCFS Targeted Case Management programs are limited to in-state providers only.

210.000 **PROGRAM COVERAGE** **4-1-05**

211.000 **Scope** **4-1-05**

Targeted case management is a service that assists individuals in gaining access to necessary medical, social, educational and other care and services appropriate to the needs of the individual. Medicaid-covered targeted case management services include client intake activities, assessment activities, case planning activities, service coordination and monitoring activities and case plan reassessments that assist recipients in accessing needed medical, social, educational and other services appropriate to the recipient's needs.

Targeted case management services are reimbursable when they are:

- A. Medically necessary;
- B. Provided to outpatients only;
- C. Provided by a qualified provider enrolled to serve the target group in which the recipient belongs;

PROPOSED

- A. Concurrent targeted case management services provided to recipients who are receiving case management services. Payments for targeted case management services will be limited to one provider for each date of service. The fiscal agent will pay for the earliest billed targeted case management services from a provider for a specific date of service and will deny all later billed services by other providers for the same or overlapping date of service.
- B. The actual provision of services or treatment, including but not limited to:
 - 1. Training in daily living skills;
 - 2. Training in work skills, social skills and/or exercise;
 - 3. Grooming and other personal care services;
 - 4. Training in housekeeping, laundry, cooking;
 - 5. Transportation services;
 - 6. Counseling/crisis intervention services.
- C. Services that go beyond assisting individuals in gaining access to needed services. Examples include but are not limited to:
 - 1. Supervisory activities;
 - 2. Paying bills and/or balancing the recipient's checkbook;
 - 3. Completing application forms, paper work, evaluations and reports;
 - 4. Observing a recipient receiving a service, e.g., physical therapy, speech therapy, classroom instruction;
 - 5. Escorting recipients to scheduled medical appointments;
 - 6. Attending meetings, conferences or court hearings to provide information regarding the recipient and/or the recipient's family;
 - 7. Home visits to observe the recipient and family's interactions or the condition of the home for child protection purposes;
 - 8. Travel and/or waiting time.
- D. Case management services that duplicate payments made to public agencies or private entities under other program authorities for the same purpose.
- E. Case management services that duplicate integral and inseparable parts of other Medicaid or Medicare services.
- F. Case management services provided to inpatients of Title XIX institutions.
- G. Case management services provided while transporting a recipient.

215.000 Retention of Records

4-1-05

All records must be completed promptly, filed and retained for a minimum of five (5) years from the date of service or until all audit questions, appeal hearings, investigations or court cases are resolved, whichever is longer. The records must be available for audit by the Arkansas Division of Medical Services, the Arkansas DYS, the Arkansas DCFS, the state Medicaid Fraud Control Unit, representatives of the Department of Health and Human Services and their authorized agents or officials.

216.000 Documentation

4-1-05

Targeted case management providers must keep and make available to authorized representatives of the Arkansas Division of Medical Services (DMS), the Arkansas DYS or the Arkansas DCFS, the state Medicaid Fraud Control Unit and representatives of the Department of Health and Human Services and their authorized agents or officials the following records.

216.100 General Records**4-1-05**

- A. A copy of the provider's license and/or certification required for provider enrollment and
- B. A copy of the Medicaid contract (DMS-653) to participate in the Arkansas Medicaid Program.

216.200 Documentation in Recipient Files**4-1-05**

The targeted case management provider must develop and maintain sufficient written documentation to support each service for which billing is made. All entries in a recipient's file must be signed and dated by the targeted case manager or qualified provider agency staff who provided the service, along with the individual's title. The documentation must be kept in the recipient's case file.

This documentation must consist of, at a minimum, material that includes:

- A. When applicable, a copy of the original and all updates of the recipient's case plan;
- B. The specific services rendered;
- C. The date and actual clock time for the service rendered;
- D. The recipient's name;
- E. The name of the provider agency, if applicable, and person providing the service;
- F. The place of service;
- G. The number of units billed; and
- H. Updates describing the nature and extent of the case management services delivered.

216.300 Record Keeping Requirements**4-1-05**

All records must be completed promptly, filed and retained for a period of five (5) years from the date of service or until all audit questions, appeal hearings, investigations or court cases are resolved, whichever is longer.

All documentation must be made available to authorized representatives of the Arkansas DMS, the Arkansas DYS, the Arkansas DCFS, the state Medicaid Fraud Control Unit, representatives of the Department of Health and Human Services and its authorized agents or officials.

At the time of an audit by the DMS Medicaid Field Audit Unit, all documentation must be available at the provider's place of business during normal business hours. Requested documentation that is stored off-site must be made available to DMS personnel within three business days. The provider is allowed 30 calendar days from notification of audit findings to provide additional documentation to reconcile/dispute findings. No additional documentation will be accepted at a later date.

If an audit determines that recovery of Medicaid payments is necessary, DMS will accept additional documentation for thirty calendar days after the date of the notification for recovery. Additional documentation will not be accepted later.

Failure to furnish records upon request may result in sanctions being imposed. For information regarding sanctions, providers may refer to section 150.000.

240.000 PRIOR AUTHORIZATION

4-1-05

Prior authorization (PA) is not required for targeted case management services for the DYS or the DCFS recipients.

250.000 REIMBURSEMENT

4-1-05

251.000 Method of Reimbursement

4-1-05

Reimbursement is based on the lesser of the billed amount or the Title XIX (Medicaid) maximum allowable for each procedure.

Reimbursement is contingent upon eligibility of both the recipient and provider at the time the service is provided and upon accuracy and completeness of the claim filed for the service. The provider is responsible for verifying the recipient is eligible for Medicaid prior to rendering services.

251.100 Rate Appeal Process

4-1-05

A provider may request reconsideration of a Program decision by writing to the Assistant Director, Division of Medical Services (DMS). This request must be received within twenty (20) calendar days following the application of policy and/or procedure or the notification of the provider of its rate. Upon receipt of the request for review, the Assistant Director will determine the need for a Program/Provider conference and will contact the provider to arrange a conference if needed. Regardless of the Program decision, the provider will be afforded the opportunity for a conference, if he/she so wishes, for a full explanation of the factors involved and the Program decision. Following review of the matter, the Assistant Director will notify the provider of the action to be taken by the Division within twenty (20) calendar days of receipt of the request for review or the date of the Program/Provider conference.

When the provider disagrees with the decision made by the Assistant Director, DMS, the provider may appeal the question to a standing Rate Review Panel established by the Director of the DMS. The Rate Review Panel will include one member of the DMS, a representative of the provider association and a member of the Department of Human Services (DHS) Management Staff, who will serve as chairperson.

The request for review by the Rate Review Panel must be postmarked within fifteen (15) calendar days following the notification of the initial decision by the Assistant Director, DMS. The Rate Review Panel will meet to consider the question(s) within fifteen (15) calendar days after receipt of a request for such appeal. The panel will hear the question(s) and will submit a recommendation to the Director of the DMS.

260.000 BILLING PROCEDURES

4-1-05

261.000 Introduction to Billing

4-1-05

DYS/DCFS targeted case management providers use the CMS-1500 form to bill the Arkansas Medicaid Program on paper for services provided to eligible Medicaid recipients. Each claim may contain charges for only one recipient.

Section III of this manual contains information about Provider Electronic Solutions (PES) and other options available for electronic claims submission.

262.000 CMS-1500 Billing Procedures 4-1-05

262.100 DYS/DCFS Targeted Case Management Procedure Codes 4-1-05

Section 262.200 describes the billing procedure and the procedure code payable for the DYS Targeted Case Management program.

Section 262.300 describes the billing procedure and the procedure code payable for the DCFS Targeted Case Management program.

262.200 DYS Procedure Codes 4-1-05

National Code	Required Modifier	Required Modifier	Description
T1017	U1	22	DYS targeted case management

262.300 DCFS Procedure Codes 4-1-05

National Code	Required Modifier	Required Modifier	Description
T1017	U3	22	DCFS targeted case management

263.000 Place of Service and Type of Service Codes 4-1-05

Below is a list of the place of service (POS) and type of service (TOS) codes for the DYS and DCFS targeted case management procedures.

263.100 DYS Place of Service and Type of Service Codes 10-13-03

Place of Service	Paper Claims	Electronic Claims
Other Locations	0	99
Type of Service (paper only)		
9 - Other Medical Service		

263.200 DCFS Place of Service and Type of Service Codes 4-1-05

Place of Service	Paper Claims	Electronic Claims
Other Locations	0	99
Type of Service (paper only)		
9 - Other Medical Service		

264.000 Billing Instructions - Paper Only**4-1-05**

The DYS/DCFS targeted case management provider must complete the CMS-1500 claim form for each recipient of DYS/DCFS targeted case management services. The provider's signature is required in field 31 of the form. [View a CMS-1500 sample form.](#)

It is the provider's responsibility to obtain the parent's or legal guardian's signature on the claim form. The parent or legal guardian must sign in field 13 to certify that the information reported on the form (e.g., dates of service, units of service) is correct.

The provider **must** retain a copy of the completed form (with both signatures) for his or her records. (See Section 216.000 of this manual for documentation requirements.)

264.100 Completion of CMS-1500 Claim Form**4-1-05**

Field Name and Number	Instructions for Completion
1. Type of Coverage	This field is not required for Medicaid.
1a. Insured's I.D. Number	Enter the patient's 10-digit Medicaid identification number.
2. Patient's Name	Enter the patient's <u>last</u> name and <u>first</u> name.
3. Patient's Birth Date	Enter the patient's date of birth in MM/DD/YY format as it appears on the Medicaid identification card.
Sex	Check "M" for male or "F" for female.
4. Insured's Name	Required if there is insurance affecting this claim. Enter the insured's <u>last</u> name, <u>first</u> name and <u>middle</u> initial.
5. Patient's Address	Optional entry. Enter the patient's full mailing address, including street number and name (post office box or RFD), city name, state name and ZIP Code.
6. Patient Relationship to Insured	Check the appropriate box indicating the patient's relationship to the insured if there is insurance affecting this claim.
7. Insured's Address	Required if insured's address is different from the patient's address.
8. Patient Status	This field is not required for Medicaid.
9. Other Insured's Name	If patient has other insurance coverage as indicated in Field 11D, enter the other insured's <u>last</u> name, <u>first</u> name and <u>middle</u> initial.
a. Other Insured's Policy or Group Number	Enter the policy or group number of the other insured.
b. Other Insured's Date of Birth	This field is not required for Medicaid.
Sex	This field is not required for Medicaid.
c. Employer's Name or School Name	Enter the employer's name or school name.

PROPOSED

**Division of Youth Services (DYS) and Division of Children
and Family Services (DCFS) Targeted Case Management**

Section II

d.	Insurance Plan Name or Program Name	Enter the name of the insurance company.
10.	Is Patient's Condition Related to:	
a.	Employment	Not applicable to DYS/DCFS Targeted Case Management Services.
b.	Auto Accident	Not applicable to DYS/DCFS Targeted Case Management Services.
c.	Other Accident	Not applicable to DYS/DCFS Targeted Case Management Services.
10d.	Reserved for Local Use	This field is not required for Medicaid.
11.	Insured's Policy Group or FECA Number	Enter the insured's policy group or FECA number.
a.	Insured's Date of Birth	This field is not required for Medicaid.
	Sex	This field is not required for Medicaid.
b.	Employer's Name or School Name	Enter the insured's employer's name or school name.
c.	Insurance Plan Name or Program Name	Enter the name of the insurance company.
d.	Is There Another Health Benefit Plan?	Check the appropriate box indicating whether there is another health benefit plan.
12.	Patient's or Authorized Person's Signature	This field is not required for Medicaid.
13.	Insured's or Authorized Person's Signature	This field is not required for Medicaid.
14.	Date of Current: Illness Injury Pregnancy	Not applicable to DYS/DCFS Targeted Case Management Services.
15.	If Patient Has Had Same or Similar Illness, Give First Date	This field is not required for Medicaid.
16.	Dates Patient Unable to Work in Current Occupation	This field is not required for Medicaid.
17.	Name of Referring Physician or Other Source	Primary Care Physician (PCP) referral is not required for CMS Respite Care. If services are the result of a Child Health Services (EPSDT) screening/ referral, enter the referral source, including name and title.
17a.	I.D. Number of Referring Physician	Enter the 9-digit Medicaid provider number of the referring physician.
18.	Hospitalization Dates Related to Current Services	Not applicable to DYS/DCFS Targeted Case Management Services.
19.	Reserved for Local Use	Not applicable to DYS/DCFS Targeted Case Management Services.
20.	Outside Lab?	This field is not required for Medicaid.

PROPOSED

21. Diagnosis or Nature of Illness or Injury	Enter the diagnosis code from the ICD-9-CM. Up to four diagnoses may be listed. Arkansas Medicaid requires providers to comply with CMS diagnosis coding requirements found in the ICD-9-CM edition current for the claim dates of service.
22. Medicaid Resubmission Code	Reserved for future use.
Original Ref No.	Reserved for future use.
23. Prior Authorization Number	Not applicable to DYS/DCFS Targeted Case Management Services.
24. A. Dates of Service	Enter the "from" and "to" dates of service, in MM/DD/YY format, for each billed service. - On a single claim detail (one charge on one line), bill only for services within a single calendar month. - Providers may bill, on the same claim detail, for two (2) or more <i>sequential</i> dates of service within the same calendar month when the provider furnished equal amounts of service on each day of the span.
B. Place of Service	Enter the appropriate place of service code. See sections 263.100 and 263.200 for codes.
C. Type of Service	Enter the appropriate type of service code. See sections 263.100 and 263.200 for codes.
D. Procedures, Services or Supplies	
CPT/HCPCS	Enter the correct CPT or HCPCS procedure code.
Modifier	Not applicable to DYS/DCFS Targeted Case Management Services.
E. Diagnosis Code	Enter a diagnosis code that corresponds to the diagnosis in Field 21. If preferred, simply enter the corresponding line number ("1," "2," "3," "4") from Field 21 on the appropriate line in Field 24E instead of reentering the actual corresponding diagnosis code. Enter only <u>one</u> diagnosis code or one diagnosis code line number on each line of the claim. If two or more diagnosis codes apply to a service, use the code most appropriate to that service. The diagnosis codes are found in the ICD-9-CM.
F. \$ Charges	Enter the charge for the service. This charge should be the provider's usual charge to private clients. If more than one unit of service is being billed, enter the charge for the total number of units billed.
G. Days or Units	Enter the units (in whole numbers) of service rendered within the time frame indicated in Field 24A.
H. EPSDT/Family Plan	Enter "E" if services rendered were a result of a Child Health Services (EPSDT) screening/referral.
I. EMG	Emergency - This field is not required for Medicaid.
J. COB	Coordination of Benefit - This field is not required for Medicaid.

PROPOSED

K. Reserved for Local Use	When billing for a clinic or group practice, enter the 9-digit Medicaid provider number of the performing provider in this field and enter the group provider number in Field 33 after "GRP#." When billing for an individual practitioner whose income is reported by 1099 under a Social Security number, DO NOT enter the provider number here. Enter the number in Field 33 after "GRP#."
25. Federal Tax I.D. Number	This field is not required for Medicaid. This information is carried in the provider's Medicaid file. If it changes, please contact Provider Enrollment.
26. Patient's Account No.	This is an optional entry that may be used for accounting purposes. Enter the patient's account number, if applicable. Up to 16 numeric or alphabetic characters will be accepted.
27. Accept Assignment	This field is not required for Medicaid. Assignment is automatically accepted by the provider when billing Medicaid.
28. Total Charge	Enter the total of Column 24F. This field should contain a sum of charges for all services indicated on the claim form. (See NOTE below Field 30.)
29. Amount Paid	Enter the total amount of funds received from other sources. The source of payment should be indicated in Field 11 and/or Field 9. Do not enter any amount previously paid by Medicaid. Do not enter any payment by the recipient, unless the recipient has an insurer that requires co-pay. In such a case, enter the sum of the insurer's payment and the recipient's co-pay. (See NOTE below Field 30.)
30. Balance Due	Enter the net charge. This amount is obtained by subtracting the amount received from other sources from the total charge. NOTE: For Fields 28, 29 and 30, up to 26 lines may be billed per claim. To bill a continued claim, enter the page number of the continued claim here (e.g., page 1 of 3, page 2 of 3). On the last page of the claim, enter the total charges due.
31. Signature of Physician or Supplier, Including Degrees or Credentials	The provider or designated authorized individual must sign and date the claim certifying that the services were personally rendered by the provider or under the provider's direction. "Provider's signature" is defined as the provider's actual signature, a rubber stamp of the provider's signature, an automated signature, a typewritten signature or the signature of an individual authorized by the provider rendering the service. The name of a clinic or group is not acceptable.
32. Name and Address of Facility Where Services Were Rendered (If Other Than Home or Office)	If other than home or office, enter the name and address, specifying the street, city, state and ZIP code of the facility where services were performed.

PROPOSED

Division of Youth Services (DYS) and Division of Children
and Family Services (DCFS) Targeted Case Management

Section II

33. Physician's/Supplier's Billing Name, Address, ZIP Code & Phone #	Enter the billing provider's name and complete address. Telephone number is requested but not required.
PIN #	This field is not required for Medicaid.
GRP #	Clinic or Group Providers: Enter the 9-digit pay-to provider number in Field 33 after "GRP#" and the individual practitioner's number in Field 24K. Individual Providers: Enter the 9-digit pay-to provider number in Field 33 after "GRP#."

10-13-03

301.000 Introduction

10-13-03

The purpose of Section III of the Arkansas Medicaid Manual is to explain the general procedures for billing in the Arkansas Medicaid Program.

Two major areas are covered in this section:

- A. General Information: This section contains information about electronic options, timely filing of claims, claim inquiries and supply procedures.
- B. Financial Information: This section contains information on the paper Remittance and Status Report, or Remittance Advice (RA), adjustments, refunds and additional payment sources.

301.100 Electronic Claims Submission

10-13-03

EDS furnishes software and X.12/NCPDP companion documents at no charge to the provider for all transactions utilized by Arkansas Medicaid.

When submitting claims electronically, Medicaid providers use the following claim types: ASC X.12N 4010A 837P (professional), 837I (institutional and long-term care), 837D (dental), NCPDP 5.1/1.1 (pharmacy). Your provider type is determined by the last two digits of your Arkansas Medicaid provider ID. For example, the provider type of a hospital with the Arkansas Medicaid provider ID 123456705 is 05.

The following provider types can bill on an 837P:

01	02	03	04	05	08	09	10	15	16
17	18	19	20	21	22	23	24	26	27
28	29	30	31	32	33	34	35	37	38
39	40	41	42	43	44	45	46	48	49
50	51	52	53	54	55	56	57	58	59
60	61	62	63	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80

PROPOSED

Section III

81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	

The following provider types can bill on an 837I:

05	11	12	13	14	15	21	25	26	27
28	29	36	41	42	47	64	99		

The following provider types can bill on an 837D:

08	30	31	79	80					
----	----	----	----	----	--	--	--	--	--

The following provider types can bill on an NCPDP:

07	16								
----	----	--	--	--	--	--	--	--	--

EDS processes each week's accumulations of claims during a weekend cycle. The deadline for each weekend cycle is midnight Friday.

Providers submitting claims electronically must maintain a daily electronic claim transaction summary, signed by an authorized individual. Please refer to the Provider Contract (Form DMS-653), Item "K." [View or print form DMS-653.](#)

301.105

Replacement of Types of Service With Modifiers For Electronic Billing

10-13-03

Effective October 13, 2003, electronic claims may require modifiers in addition to local codes and National Standard Codes. The following table shows all modifiers associated with each provider type, based on the type of service being rendered. Your provider type is determined by the last two digits of your Arkansas Medicaid provider ID. For example, the provider type of a hospital with the Arkansas Medicaid provider ID 123456705 is 05.

Provider Type Code	Provider type	Modifier	Description	Former Type of Service Code
01	Physician, MD	EP	Service provided as part of Medicaid EPSDT program	6
		FP	Service provided as part of Medicaid Family Planning Program	A
		26	Professional component, lab and X-ray procedures	P

301.110 Provider Electronic Solutions (PES) Application Software

10-13-03

Provider Electronic Solutions (PES) Application software is available at no cost to any provider who submits Medicaid claims. PES supports submission of claims in a batch mode only. The software requires, at a minimum, a Pentium II processor with 64 MB RAM, a 28.8 kb/s (or greater) modem, 100 MB free space, a CD-ROM drive, a monitor with 800 x 600 resolution, and Windows 98/2000/XP. Claims can be transmitted for processing by almost any modem, with the exception of "Win voice" modems. The software supports all claim types. In addition to submitting claims, providers can also view claim responses using the PES software. Instructions for using the PES application software are available by using the application's Help feature.

301.120 Web Application

10-13-03

Providers with PCs can now submit claims via the Web using an internet browser such as Internet Explorer (minimum 5.0) or Netscape Navigator (minimum 6.0). All claim types can be submitted via the Web, including long-term care census. Claims can only be submitted interactively (one at a time). Access this site via the Arkansas Medicaid Web site at <http://www.medicaid.state.ar.us/>.

Instructions for submitting claims and verifying eligibility via the Web are available by using the site's online Help feature.

301.130 Vendor Systems**10-13-03**

Providers who have office management systems can opt to have their vendors upgrade their systems to support online transactions. EDS provides X.12 companion guides to interested vendors. The cost of upgrading the provider's system to support online transactions is the responsibility of the provider.

301.200 Electronic Transactions**10-13-03**

With the implementation of the new Health Insurance Portability and Accountability Act (HIPAA) regulations, EDS offers a variety of transactions to improve providers' access to information. These transactions are available for submission through multiple means.

301.210 Eligibility Verification**10-13-03**

Providers can check a recipient's eligibility through the PES software or via the Web. Eligibility requests can be submitted through PES in a batch or interactive (one at a time) mode. Eligibility requests can be submitted interactively (one at a time) via the Web. Instructions for verifying eligibility via the Web are available by using the site's online Help feature. Instructions for using the PES software are available by using the application's Help feature.

Providers with vendor systems can also verify eligibility by utilizing the ASC X.12 4010A 270/271 transactions with the appropriate X.12 companion guide.

301.220 Claim Status Inquiry**10-13-03**

Providers can check the status of one or more claims through the PES software or via the Web. Claim status requests can be submitted through PES in a batch mode. Claim status requests can be submitted interactively (one at a time) via the Web. Instructions for checking a claim status via the web are available by using the site's online Help feature. Instructions for checking a claim status using the PES software are available using the application's help feature.

The claim status feature will only be available for claims submitted after October 12, 2003.

Providers with vendor systems can also check a claim's status by utilizing the ASC X.12 4010A 276/277 transactions with the appropriate X.12 companion guide.

301.230 Electronic Remittance Advices**10-13-03**

Providers can retrieve their electronic remittance advices through the PES software. Because the HIPAA standard for remittance advices does not support the reporting of pended claim information, this information will be available using a separate screen within the PES software. Instructions for retrieving a remittance advice and pended claim information using the PES software are available using the application's Help feature.

Providers with vendor systems can also receive remittance advices by utilizing the ASC X.12 4010A 835 transaction with the appropriate X.12 companion guide.

Because the ASC X.12 835 does not support the reporting of pended claim information, EDS will create a separate ASC X.12 4010A 277 transaction that will accompany the ASC X.12 4010A 835 transaction.

301.240 Prior Authorization Request**10-13-03**

With the implementation of the new HIPAA regulations, providers can submit electronic prior authorization requests through the PES software in a batch mode. PES supports electronic submission of CMS, DDS, Benefit Extensions, Hyperalimenation, Personal Care, Home Health, Dental, DME, Hearing and Vision prior authorization requests. Providers can retrieve prior authorization determinations through PES. Timeframes for prior authorization determinations are dependent upon the guidelines established by the reviewing department. Instructions for submitting prior authorization requests and retrieving determinations using the PES software are available by using the application's Help feature.

The prior authorization feature will only be available for requests submitted after October 12, 2003.

Providers with vendor systems can also submit prior authorization requests and retrieve determinations by utilizing the ASC X.12 4010A 278 transaction with the appropriate X.12 companion guide.

301.250 National Council for Prescription Drug Programs (NCPDP) 10-13-03
Eligibility Verification

Pharmacy providers can check a recipient's eligibility via the Web. Eligibility requests can be submitted through the Web in an interactive (one at a time) mode. Instructions for verifying eligibility via the Web are available by using the site's online Help feature.

Providers with vendor systems can also verify eligibility by utilizing the NCPDP 5.1 eligibility transaction with the appropriate companion guide.

301.260 NCPDP Reversal 10-13-03

Pharmacy providers can reverse a pharmacy claim with dates of service within one year through the PES software or via the Web. Reversals can be submitted in an interactive (one at a time) mode. Instructions for submitting reversals via the Web are available using the site's online Help feature. Instructions for using the PES application software are available by using the application's Help feature.

Providers with vendor systems can also submit reversals using the NCPDP 5.1 transaction with the appropriate companion guide.

301.300 Contacts 10-13-03

EDS maintains a Provider Assistance Center (PAC) to assist Medicaid providers during regular business hours from 8:00 a.m. to 4:30 p.m. Central Standard Time. [View or print EDS PAC contact information.](#)

EDS has a staff of representatives available during regular business hours from 8:00 a.m. to 4:30 p.m. to assist with any needs concerning electronic solutions. [View or print EDS PAC contact information.](#)

EDS has a full-time staff of Provider Representatives available for consultation regarding billing problems that cannot be resolved through the Provider Assistance Center. Provider Representatives are also available to visit providers' offices to provide training on billing.

302.000 Timely Filing 10-13-03

The Code of Federal Regulations (42 CFR), at 447.45 (d) (1), states "The Medicaid agency must require providers to submit all claims no later than 12 months from the date of service." The 12-month filing deadline applies to all claims, including:

- A. Claims for services provided to recipients with joint Medicare/Medicaid eligibility.

- B. Adjustment requests and resubmissions of claims previously considered.
- C. Claims for services provided to individuals who acquire Medicaid eligibility retroactively.

There are no exceptions to the 12-month filing deadline policy. However, the definitions and additional federal regulations in the next section will permit some flexibility for those who adhere closely to them.

302.100 Medicare/Medicaid Crossover Claims

10-13-03

Federal regulations dictate that providers must file the Medicaid portion of claims for dually eligible beneficiaries within 12 months of the beginning date of service. The Medicare claim will establish timely filing for Medicaid, if the provider files with Medicare during the 12-month Medicaid filing deadline. Medicaid may then consider payment of a Medicare deductible and/or coinsurance, even if the Medicare intermediary or carrier crosses the claim to Medicaid after more than a year has passed since the date of service. Medicaid may also consider such a claim for payment if Medicare notifies only the provider and does not electronically forward the claim to Medicaid. Federal regulations permit Medicaid to pay its portion of the claim within 6 months after the Medicaid "agency or the provider receives notice of the disposition of the Medicare claim."

Providers may not electronically transmit to EDS any claims for dates of service over 12 months in the past. To submit a Medicare/Medicaid crossover claim meeting the timely filing conditions in the first paragraph above, please refer to *Patients With Joint Medicare/Medicaid Coverage*, Section 332.000 of this manual. In addition to following the billing procedures explained in Section 332.000, enclose a signed cover memo or Medicaid Claim Inquiry Form requesting payment for the Medicaid portion of a Medicare claim filed to Medicare within 12 months of the date of service and that Medicare adjudicated more than 12 months after the date of service.

302.200 Clean Claims and New Claims

10-13-03

The definitions of the terms *clean claim* and *new claim* help to determine which claims and adjustments Medicaid may consider for payment when more than 12 months have passed since the beginning date of service.

42 CFR, at 447.45 (b), defines a clean claim as a claim that Medicaid can process "...without obtaining additional information from the provider of the service or from a third party." The definition "...includes a claim with errors originating in a State's claims system."

A claim that denies for omitted or incorrect data or for missing attachments is not a clean claim. A claim filed more than 12 months after the beginning date of service is not a clean claim, except under the special circumstances described below.

A new claim is a claim that is unique, differing from all other claims in at least one material fact. It is very important to note that identical claims received by Medicaid on different days differ in the material fact of their receipt date and are both new claims unless defined otherwise in the next paragraph.

302.300 Claims Paid or Denied Incorrectly

10-13-03

Sometimes a clean claim pays incorrectly or denies incorrectly. When a provider files an adjustment request for such a claim, or refiles the claim after 12 months have passed from the beginning date of service, the submission is not necessarily a new claim. The adjustment or claim may be within the filing deadline. For Medicaid to consider that the submission is not a new claim and therefore within the filing deadline, the adjustment or claim must meet two requirements:

- A. The only material fact that differs between the two filings is the claim receipt date, because the Medicaid agency or its fiscal agent processed the initial claim incorrectly *and*

-
- B. The provider includes documentation that the Medicaid agency or fiscal agent error prevented resubmittal within the 12-month filing deadline.

302.400 Claims With Retroactive Eligibility**10-13-03**

Retroactive eligibility does not constitute an exception to the filing deadline policy. If an appeal or other administrative action delays an eligibility determination, the provider must submit the claim within the 12-month filing deadline. If the claim is denied for recipient ineligibility, the provider may resubmit the claim when the patient becomes eligible for the retroactive date(s) of service. Medicaid may then consider the claim for payment because the provider submitted the initial claim within the 12-month filing deadline and the denial was not the result of an error by the provider.

To submit a claim for services rendered to a patient who is not yet eligible for Medicaid enter, on the claim form or on the electronic format, a pseudo Medicaid recipient identification number, 9999999999. Medicaid will deny the claim. Retain the denial or rejection for proof of timely filing if eligibility determination occurs more than 12 months after the date of service.

Occasionally the state Medicaid agency or a federal agency, such as the Social Security Administration, is unable to complete a Medicaid eligibility determination in time for service providers to file timely claims. Arkansas Medicaid's claims processing system is unable to accept a claim for services rendered to an ineligible individual or to suspend that claim until the individual is retroactively eligible for the claim dates of service. To resolve this dilemma, Arkansas Medicaid considers the pseudo recipient identification number 9999999999 to represent an "...error originating within (the) State's claims system." Therefore, a claim containing that number is a clean claim if it contains all other information necessary for correct processing. By defining the initial claim as a clean claim denied by processing error, we may allow the provider to refile the claim when the government agency completes the eligibility determination. With the claim, the provider must submit proof of the initial filing and a letter or other documentation sufficient to explain that administrative processes (such as determination of SSI eligibility) prevented the resubmittal before the filing deadline.

302.500 Submitting Adjustments and Resubmitting Claims**10-13-03**

When it is necessary to submit an adjustment or resubmit a claim to Medicaid after 12 months have passed since the beginning date of service, the procedures below must be followed.

302.510 Adjustments**10-13-03**

If the fiscal agent has incorrectly paid a clean claim and the error has made it impossible to adjust the payment before 12 months have passed since the beginning date of service, a completed Adjustment Request Form (EDS-AR-004) must be submitted to the address specified on the form. Attach the documentation necessary to explain why the error has prevented refiling the claim until more than 12 months have passed after the beginning date of service. [View or print form EDS-AR-004 and instructions for completion.](#)

302.520 Claims Denied Incorrectly**10-13-03**

Submit a paper claim to the address below, attaching:

- A. A copy of the Remittance and Status Report or Remittance Advice (RA) page that documents a denial within 12 months after the beginning date of service, *or*
- B. A copy of the error response to an electronic transmission, **computer-dated** within twelve (12) months after the beginning date of service and
- C. Additional documentation to prove that the denial or rejection was due to the error of the Division of Medical Services or the fiscal agent. Explain why the error has prevented

refiling the claim until more than 12 months have passed after the beginning date of service.

Send these materials to the Provider Assistance Center (PAC). [View or print PAC contact information.](#)

302.530 Claims Involving Retroactive Eligibility

10-13-03

Submit a paper claim to the address below, attaching:

- A. A copy of the Remittance and Status Report page, or Remittance Advice (RA) page, documenting a denial of the claim with 9999999999 as the Medicaid recipient identification number, dated within 12 months after the beginning date of service, *or*
- B. A copy of the error response to an electronic transmission of the claim with 9999999999 as the Medicaid recipient identification number, the error response **computer-dated** within 12 months after the beginning date of service *and*
- C. Any additional documentation necessary to explain why the error has prevented refiling the claim until more than 12 months have passed after the beginning date of service.

Send these materials to the Provider Assistance Center (PAC). [View or print PAC contact information.](#)

302.600 ClaimCheck® Enhancement

10-13-03

To solve some of the billing problems associated with differing interpretations of procedure code descriptions, EDS implemented the ClaimCheck® enhancement to the Arkansas Medicaid Management Information System (MMIS). This software analyzes procedure codes and compares them to nationally accepted published standards to recommend more accurate billing. If you think your claim was paid incorrectly, see Section 320.000 for information about how to use the Adjustment Request Form. If you think your claim was denied incorrectly, contact the Provider Assistance Center (PAC).

ClaimCheck® developers based the software's edits on the guidelines contained in the *Physicians' Current Procedural Terminology* (CPT) book, and Arkansas Medicaid customized the software for local policy and procedure codes. Please note that ClaimCheck® implementation does not affect Medicaid policy.

If there are other questions regarding the function of ClaimCheck® edits, contact the Provider Assistance Center (PAC). [View or print PAC contact information.](#)

303.000 Claim Inquiries

10-13-03

The Arkansas Medicaid Program distributes a weekly Remittance and Status Report, or Remittance Advice (RA), to each provider with claims paid, denied or pending, as of the previous weekend processing cycle. (Sections 310.000 through 314.800 of this manual contain a complete explanation of the paper RA.) Use the RA to verify claim receipt and to track claims through the system. Claims transmitted electronically will appear on the RA within two weeks of transmission. Paper claims and adjustments may take as long as six weeks to appear on the RA.

If a claim does not appear on the RA within the amount of time appropriate for its method of submission, contact the EDS Provider Assistance Center (PAC). [View or print PAC contact information.](#) A Provider Assistance Center representative can explain what system activity, if any, regarding the submission has occurred since EDS printed and mailed the last RA. If the transaction on the RA cannot be understood or is in error, the representative can explain its status and suggest remedies when appropriate. If there is no record of the transaction, the representative will suggest that the claim be resubmitted.

A provider can also perform a claim status inquiry via the Web or the PES software, as described in Section 301.220.

303.100 Claim Inquiry Form

10-13-03

When a written response to a claim inquiry is preferred, use the Medicaid Claim Inquiry Form, EDS-CI-003, provided by EDS. [View or print form EDS-CI-003](#). A separate form for each claim in question must be used. EDS is required to respond in writing only if they can determine the nature of the questions. The Medicaid Claim Inquiry Form is for use in locating a claim transaction and understanding its disposition. If help is needed with an incorrect claim payment, refer to Section 320.000 of this manual for the Adjustment Request Form (EDS-AR-004) and information regarding adjustments. [View or print form EDS-AR-004 and instructions for completion.](#)

303.200 Completion of the Claim Inquiry Form

10-13-03

To inquire about a claim, providers must complete the following items on the Medicaid Claim Inquiry Form (EDS-CI-003). In order for your inquiry to be answered as quickly and accurately as possible, please follow these instructions:

- A. Submit one Medicaid Claim Inquiry Form (EDS-CI-003) for each claim inquiry.
- B. Include supporting documents for your inquiry. (Use claim copies, electronic transaction printouts, RA copies and/or medical documents as appropriate.)
- C. Provide as much information as possible in Field 9. This information makes it possible to identify the specific problem in question and to answer your inquiry.

[View or print form EDS-CI-003 and instructions for completion.](#)

304.000 Supply Procedures

10-13-03

304.100 Ordering Forms from EDS

10-13-03

To order EDS-supplied forms, please use the Medicaid Form Request (EDS-MFR-001). [View or print form EDS-MFR-001](#). [View or print a list of EDS-supplied forms](#). Complete the Medicaid Form Request and indicate the quantity needed for each form. Send these materials to the Provider Assistance Center (PAC). [View or print PAC contact information.](#)

The Medicaid Program does not provide copies of the CMS-1500 (formerly HCFA-1500) claim form. The provider may request a supply of this claim form from any available vendor. [View a CMS-1500 sample form.](#)

The Medicaid Program does not provide copies of the CMS-1450 (formerly UB-92) claim form. The provider may request a copy of this claim form from any available vendor. [View a CMS-1450 sample form.](#)

An available vendor is the U.S. Government Printing Office. Orders may be submitted to the U.S. Government Printing Office via phone, fax, letter, e-mail or the Internet. [View or print the U.S. Government Printing Office contact information.](#) EDS requires the use of red-ink (sensor coded) CMS-1500 (formerly HCFA-1500) claim originals instead of copies. A new processing system uses scanners to distinguish between red ink of the form fields and blue or black ink claim data (provider number, Recipient Identification Number (RID), procedure codes, etc.).

310.000 PAPER REMITTANCE AND STATUS REPORT

10-13-03

311.000 Introduction of Remittance and Status Report 10-13-03

The Remittance and Status Report, or Remittance Advice (RA), is a computer-generated paper document that reports the status and payment breakdown of all claims submitted to Medicaid for processing. It is designed to simplify provider accounting by facilitating reconciliation of claim and payment records.

An RA is generated and mailed each week a provider has claims paid, denied or in process. Once a week, all claims completed in a daily cycle are processed through the financial cycle. The RA is produced at the time checks are issued. The RA explains the provider's payment on a claim-by-claim basis. Only providers who have finalized claims or claims in process (claims that have been through at least one financial cycle) will receive an RA.

Since the RA is a provider's only record of paid and denied claims, it is necessary for the provider to retain all copies of the RAs.

311.100 Electronic Funds Transfer (EFT) 10-13-03

Electronic Funds Transfer (EFT) allows providers to have their Medicaid payments automatically deposited instead of receiving a check. See Section I of the provider manual for an enrollment form and additional information.

312.000 Purpose of the RA 10-13-03

The RA is a status report of active claims. It is the first source of reference to resolve questions regarding a claim. If the RA does not resolve the question, it may be necessary to contact the EDS Provider Assistance Center (PAC). PAC will need the claim number from the RA to research the question. [View or print the PAC contact information.](#)

If a claim does not appear on the RA within six weeks after submission, contact PAC. If PAC can find no record of the claim, the representative will suggest resubmitting it.

313.000 Segments of the RA 10-13-03

There are nine main segments of an RA:

- Report Heading
- Paid Claims
- Denied Claims
- Adjusted Claims
- Claims In Process
- Financial Items
- Electronic Transactions
- Claims Payment Summary
- HEOB Codes/Messages

313.100 Remittance Advice Descriptions and Samples 10-13-03

The printed column headings at the top of each example page and the numbered field headings are described to help in reading the RA.

View or print Remittance Advice samples for the following provider types: [Dental](#), [Institutional](#), [Pharmacy](#) or [Professional](#).

View or print Remittance Advice field names and descriptions for the following provider types: [Dental](#), [Institutional](#), [Pharmacy](#) or [Professional](#).

314.000 Explanation of the Remittance and Status Report 10-13-03

There are four different types of remittance and status reports: Institutional, Professional, Pharmacy and Dental. The remittance advice a provider receives will depend upon the claim types submitted. Each remittance type contains the same categories of information. These categories are described in the following subsections. Detailed descriptions of each remittance type, as well as samples of each type, are located in Section 313.100.

314.100 Report Heading 10-13-03

This section contains provider information and any remittance advice messages.

314.200 Paid Claims 10-13-03

This section shows the claims that have been paid, or partially paid, since the previous checkwrite.

314.300 Denied Claims 10-13-03

This section identifies denied claims and denied adjustments. Denial reasons may include ineligible status, non-covered services and claims billed beyond the filing time limits. Claims in this section will be referenced alphabetically by the recipient's last name, thereby facilitating reconciliation with provider records. Up to three code numbers appear in the column for HEOB (HIPAA Explanation of Benefits) codes. Definitions of HEOB codes are on the last page of the RA. The HEOB messages regarding denied claims specify the reason EDS is unable to process the claims further.

Denied claims are final. No additional action will be taken on denied claims.

Denied claims are listed on the RA in the same format as paid claims.

314.400 Adjusted Claims 10-13-03

Payment errors, such as underpayments and overpayments as well as payments for the wrong procedure code, wrong dates of service, wrong place of service, etc., can be adjusted by canceling ("voiding") the incorrectly adjudicated claim and processing the claim as if it were a new claim. Most adjustment transactions appear in the *Adjusted Claims* section of the RA. Denied adjustments appear at the end of the *Denied Claims* section of the RA.

The simplest explanation of an adjustment transaction is:

- A. EDS subtracts from today's check total the full amount paid on a claim that contained at least one payment error.
- B. EDS reprocesses the claim - or processes the corrected claim - and pays the correct amount.
- C. EDS adds the difference to the remittance advice (or subtracts the difference if it is a negative amount).

Adjustments sometimes appear complicated because the necessary accounting and documentation procedures add a number of elements to an otherwise routine transaction. Also, there are variations in the accounting and documentation procedures, because there is more

than one way to submit an adjustment and there is more than one way to adjudicate and record adjustments. There are positive (additional payment is paid to the provider) and negative (the provider owes EDS additional funds) adjustments, adjustments involving withholding of previously paid amounts, adjustments submitted with check payments and denied adjustments. The following sections thoroughly explain adjustments, how they appear on the RA, and the meaning, from a bookkeeping perspective, of each significant element.

314.410 The Adjustment Transaction

10-13-03

The *Adjusted Claims* section has two parts. Each part is divided into two segments. The first part is the adjustment transaction. The adjustment transaction is divided into a “Credit To” segment and a “Debit To” segment.

314.411 The “Credit To” Segment

10-13-03

The first segment of the adjustment transaction is the “Credit To” segment. In this section, EDS identifies the adjustment transaction, the adjusted claim and the previously paid amount EDS will withhold from today’s check as a result of this adjustment. The adjustment transaction is identified by an internal control number (ICN) that follows the field heading “Claim Number.” Adjustment ICNs are formatted in the same way as claim numbers; the first two digits of an adjustment ICN are “50.” Immediately to the right of the adjustment ICN are the words “Credit To,” followed by the claim number and paid date of the original claim that was paid in error.

Underneath the “Credit To” line are displayed the recipient’s Medicaid ID number, the claim beginning and ending dates of service and the provider’s medical record number (or the patient account number) from the original claim, followed by the original billed amount. Keep in mind that EDS adjusts the entire claim, even if only one detail paid in error, so the total billed amount shown here is the total billed amount of the entire claim being adjusted. At the right end of this line, in the “Paid Amount” column, is the amount originally paid on the claim, which is the amount EDS will withhold from today’s remittance.

The actual withholding of the original paid amount does not occur in the *Adjusted Claims* section; it occurs in the *Financial Items* section of the RA. Adjustments are listed in *Financial Items*, with the appropriate amounts displayed under the field headings “Original Amount,” “Beginning Balance,” “Applied Amount” and “New Balance.” (See the discussion of *Financial Items* in Section 314.600.) Finally, the total of all amounts withheld from the remittance (except transaction fees) is displayed under “Withheld Amount,” in the *Claims Payment Summary* section of the RA.

314.412 The “Debit To” Segment

10-13-03

- A. The second segment of the adjustment transaction is the “Debit To” segment. In this segment, EDS displays the adjudication of the reprocessed claim and, for informational purposes, the net adjustment amount. The net adjustment amount is the additional amount to be paid in this remittance because of the adjustment, or it is the amount by which the remittance will be less than the total of all paid claims minus transaction fees and other withheld amounts.
- B. The “Net Adjustment” amount—the amount due to EDS when adjusting an overpayment, or the amount due to the provider when adjusting an underpayment—is on the second line of the “Debit To” segment.
 1. In the case of an adjustment of an underpayment, the “Net Adjustment” amount will be added to the total paid claims amount on today’s remittance.
 2. If EDS is due the amount shown as the net adjustment, the letters “CR” will immediately follow the amount. “CR” means that the claim’s original paid amount is greater than the new paid amount (as when the original payment is an overpayment), and the amount denoted by “CR” is the (negative) difference.

- C. Adjudication:
Immediately following the "Net Adjustment" line is the complete adjudication of the reprocessed claim, cross-referenced to the original claim number. The last line displays the new paid amount. The difference between the paid amount in the "Credit To" segment and the paid amount in the "Debit To" segment is the amount shown in "Net Adjustment." (See part B, above.)

314.420 Adjusted Claims Totals**10-13-03**

At the end of the adjustment transactions is the total number of adjusted claims in today's RA, the total of all billed amounts, the total non-allowed amounts and the total of all paid amounts, the last being the total "Debit To" amount, as well.

For information purposes, the last segment is the total of all "Net Adjustment" amounts in today's RA. Net adjustment amounts displayed with "CR" are treated as negative numbers in the calculation of the net adjustment total.

314.430 Adjustment Submitted with Check Payment**10-13-03**

Some providers prefer to send a check for the overpayment amount with their adjustment request. In such a case, the original paid amount displayed in the "Credit To" segment is listed in the *Financial Items* section of the RA with an HEOB code indicating that EDS has received a check for that amount. Also, since EDS does not withhold that amount from the remittance, it appears in the *Claims Payment Summary* section under "Credit Amount" (instead of appearing under "Withheld Amount"). If EDS acknowledges more than one payment by check in *Financial Items*, the total of those check payments appears under "Credit Amount" in the *Claims Payment Summary* section. Amounts shown under "Credit Amount" are never deducted from the remittance because they are already paid.

314.440 Denied Adjustments**10-13-03**

Occasionally an adjusted claim is denied. Adjustments can be denied for any of the reasons for which any other claim can be denied. Denied adjustments do not appear in the *Adjusted Claims* section. Denied adjustments do not have "Credit To" segments. Denied adjustments do not reflect a cross-reference to the original claim. Denied adjustments appear at the end of the *Denied Claims* section. Their adjudication is displayed by detail, in the same manner as an adjustment "Debit To" segment. The original paid amount of the claim intended to be adjusted is withheld from the remittance and it is so indicated in the *Financial Items* section, listed under the adjustment ICN.

314.500 Claims In Process**10-13-03**

This section lists claims that have been entered into the processing system but have not reached final disposition. Do not rebill a claim shown in this section, because it is already being processed and will result in a rejection as a duplicate claim. These claims will appear in this section until they are paid or denied.

Summary totals follow this section.

314.600 Financial Items**10-13-03**

This section lists payments refunded by the provider, amounts recouped since the previous checkwrite, payouts and other transactions. It also includes other recoupment activities that will negatively affect the provider's total earnings for the year. The HIPAA Explanation of Benefit codes beside each item indicate the action taken.

The “Credit To” entries from the *Adjusted Claims* section that are being recouped are listed in the *Financial Items* section. The “Credit To” portion of adjusted claims appears in the *Adjusted Claims* section as information only and is actually applied in the *Financial Items* section.

314.700 Electronic Transactions

10-13-03

This section lists all electronic transactions by the transaction category and transaction type submitted by the provider. It also contains separate totals for claim transactions, reversal transactions and total transactions for this provider.

314.800 Claims Payment Summary

10-13-03

This section summarizes Medicaid payments and credits made to the provider for the specific RA pay period under “Current Processed” and for the year under “Year to Date Total.”

320.000 ADJUSTMENT REQUEST FORM

10-13-03

Use the Adjustment Request Form (EDS-AR-004) to correct a claim payment (even if the paid amount is \$0.00) or to correct erroneous information on a paid claim. Include sufficient information on the request form to process the adjustment correctly. A copy of the corrected claim or transaction and a copy of the page of the RA it was paid on may be attached to offer further clarification. However, on joint Medicare/Medicaid claims, the appropriate redlined Medicare-Medicaid Crossover Invoice must be attached. If a provider submits an Adjustment Request Form that is not valid, the EDS Adjustment Unit will notify the provider by mail.

Adjustment Request Forms should be filed as soon as the incorrect payment has been identified. Requests for correction or review must be submitted to EDS within the 12-month timely filing deadline. Adjustment requests cannot be processed if more than 12 months have passed since the date of service.

[View or print form EDS-AR-004 and instructions for completion.](#) Read the instructions carefully. Be sure to complete all Adjustment Request Forms thoroughly and accurately so that they may be processed efficiently and correctly.

321.000 Explanation of Check Refund Form

10-13-03

If an overpayment occurs, the provider is responsible for refunding the Medicaid Program.

Providers may refund the Medicaid Program by sending a check in the amount of the overpayment, made payable to the Arkansas Medicaid Program or by returning the original check issued by EDS. Submit a completed Explanation of Check Refund Form (EDS-CR-002) with the refund. [View or print form EDS-CR-002 and instructions for completion.](#)

In instances of underpayment, some providers prefer returning the original check or forwarding a check in the amount of the underpayment instead of requesting an adjustment. When EDS posts the refund, the amount of the refund appears in the *Claims Payment Summary* section of the RA. Once the refund is posted, the provider may resubmit the original or corrected claim for correct adjudication and payment.

Provide the following information in the appropriate fields on an Explanation of Check Refund Form (EDS-CR-002) for each refund you send to EDS:

- A. Provider Name and Medicaid Provider Number
- B. Refund Check Number, Check Date and Check Amount
- C. 13-digit Claim Number (from RA)

- D. Recipient ID Number and Name (as it appears on the RA)
- E. Dates of Service on claim
- F. Date of Medicaid Payment
- G. Date of Service Being Refunded
- H. Services Being Refunded (Enter procedure codes for all claims. Enter the type of service codes for paper claims only.)
- I. Amount of Refund
- J. Amount of Insurance Received
- K. Insurance Name, Address and Policy Number
- L. Reason for Return (from codes listed on form)
- M. Signature, Date and Telephone Number

This information allows the refund to be processed accurately and efficiently.

330.000 ADDITIONAL PAYMENT SOURCES

10-13-03

331.000 Introduction

10-13-03

The Medicaid Program is required by federal regulations to utilize all third party sources and to seek reimbursement for services that have also been paid by Medicaid. "Third party" means an individual, institution, corporation or public or private agency that is liable for payment of all or part of the medical cost of injury, disease or disability of a Medicaid recipient. Examples of third party resources are:

- A. Medicare (Title XVIII)
- B. Railroad Retirement Act
- C. Insurance Policies
 - 1. Private health
 - 2. Group health
 - 3. Liability
 - 4. Automobile/medical insurance
 - 5. Family health insurance carried by an absent parent
- D. Worker's Compensation
- E. Veteran's Administration
- F. CHAMPUS
- G. Social Security Disability Determination

The Medicaid policies concerning the handling of cases involving dual Medicare/Medicaid eligibility and coverage differ from the policies concerning other third party coverage.

Arkansas Rehabilitation Services (ARS) is not a third party source. If ARS and Medicaid pay for the same service, refund ARS.

332.000 Patients With Joint Medicare-Medicaid Coverage**10-13-03**

The following provider types accept Medicare-Medicaid Crossovers: Ambulatory Surgical Center, Chiropractic, Clinics, Dental, Domiciliary Care, Family Planning, Federally Qualified Health Center, Health Department, Hearing Services, Hemodialysis, Home Health, Hospital, Hyperalimentation, Independent Laboratory, Independent Radiology, Inpatient Psychiatric Services for Under Age 21, Nurse Practitioner, Nursing Home, Occupational, Physical and Speech Therapy Services, Physician, Podiatrist, Prosthetics, Rehabilitation Center, Rehabilitative Services for Persons with Mental Illness, Rural Health Clinic Services, Transportation, Ventilator Equipment and Visual Care.

Claim filing procedures for these provider types are in Sections 332.100 through 332.300.

332.100 Medicare-Medicaid Crossover Claim Filing Procedures**10-13-03**

If medical services are provided in Arkansas to a patient who is entitled to Medicare under the Social Security Act and also to Medicaid benefits, it is necessary to file a claim only with Medicare. If the Medicare fiscal intermediary is Arkansas Blue Cross/Blue Shield or Mississippi Blue Cross/Blue Shield (Medicare intermediary for Louisiana, Missouri and Mississippi), the claim should be filed according to Medicare's instructions and sent to the Medicare intermediary. The claim will automatically cross to Medicaid. Mississippi Blue Cross/Blue Shield will cross over only Medicare Part A claims.

If you provide services under the Prosthetics Program, your Medicare fiscal intermediary is Palmetto Government Benefits. You must submit a letter from Palmetto that reflects place of service and Medicare provider number for each location that you currently have enrolled in the Arkansas Medicaid Program. Failure to do this will result in your Medicare claims not crossing over from Medicare electronically.

According to the terms of the Medicaid provider contract, a provider must "accept Medicare assignment under Title XVIII in order to receive payment under Title XIX for any appropriate deductible or coinsurance which may be due and payable under Title XIX."

When the Medicare intermediary or carrier completes the processing of the claim, they will forward it to EDS on computer tape. EDS will process it in the next weekend cycle for payment of coinsurance and deductible. The transaction will usually appear on the Medicaid RA within three weeks of payment by Medicare. If it does not appear within that time, payment should be requested according to the instructions below.

When a provider learns of a patient's Medicaid eligibility only after filing a claim to Medicare, the instructions below should be followed after Medicare pays the claim.

Some Medicare carriers and intermediaries do not cross claims to Arkansas Medicaid. Claims for Medicare beneficiaries entitled under the Railroad Retirement Act never cross to Medicaid.

EDS provides software with which to electronically bill Medicaid for crossover claims that do not cross to Medicaid. Institutional providers and those without electronic billing capability must mail a red-lined copy of the appropriate crossover invoice to the address on the top of the form.

To order copies of the appropriate Medicare-Medicaid crossover invoice, please use the Medicaid Form Request (EDS-MFR-001). [View or print form EDS-MFR-001](#). Instructions for filling out the invoice are included with the ordered forms. Indicate the quantity of each form needed and send the request to the Provider Assistance Center (PAC). [View or print PAC contact information](#).

When you complete the appropriate red-lined Medicare-Medicaid crossover form, sign and date the form and mail it to the address printed at the top of the form.

332.200 Denial of Claim by Medicare 10-13-03

Any charges denied by Medicare will not be automatically forwarded to Medicaid for reimbursement. In cases where the patient does not have Medicare coverage but is eligible for Medicaid, it will be necessary for the provider to file a claim with Medicaid. A Medicaid claim form should be completed as usual and a copy of the Medicare denial statement attached. Claims of this nature should be forwarded to the Provider Assistance Center (PAC) for processing. [View or print PAC contact information.](#)

332.300 Adjustments by Medicare 10-13-03

Any adjustment made by Medicare will not be automatically forwarded to Medicaid. If Medicare makes an adjustment that results in an overpayment or underpayment by Medicaid, the provider may submit an adjustment using the PES software provided by EDS. Alternatively, providers may submit an Adjustment Request Form (EDS-AR-004) with a copy of the appropriate red-lined crossover form reflecting Medicare's adjustment. Enter the Medicaid provider number and the patient's Medicaid identification number on the red-lined crossover form.

340.000 OTHER PAYMENT SOURCES 10-13-03

341.000 General Information 10-13-03

Many persons eligible for Arkansas Medicaid are covered by private insurance or may sustain injuries for which a third party could be liable. The following is an explanation of the patient's and the provider's role in the detection of third party sources and in the reimbursement of the third party payment to the Medicaid Program for services that have been reimbursed by Medicaid.

EDS has a full-time staff of trained professionals available to assist with any questions or problems regarding third party liability, including payment of claims involving third party liability and requests for insurance information. Providers should contact the EDS Provider Assistance Center (PAC) for any questions regarding third party liability. [View or print PAC contact information.](#)

342.000 Patient's Responsibility 10-13-03

It is the responsibility of the recipient to report the name and policy number of any other payment source to the provider of medical services at the time services are provided. The recipient must also authorize the insurance payment to be made directly to the provider.

343.000 Provider's Responsibility 10-13-03

It is the provider's responsibility to be alert to the possibility of third party sources and to make every effort to obtain third party insurance information. The provider should also inquire about liability coverage in accident cases and pursue this or notify Medicaid. It is the responsibility of the provider to file a claim with the third party source and to report the third party payment to the Medicaid Program. If a provider is aware that a Medicaid recipient has other insurance that is not reflected by the system, the insurance information should be faxed to the DMS Third Party Liability Unit. [View or print Third Party Liability Unit contact information.](#)

All Medicaid claims, including claims that involve third party liability, are filed on an assignment basis. In no case may the recipient be billed for charges above the Medicaid allowable on paid claims. A claim is considered paid even though the actual Medicaid payment has been reduced to zero by the amount of third party liability. This applies whether the third party payment was reported on the original claim or was refunded by way of an adjustment or by personal check. All paid services that are limited by the Medicaid Program count toward the patient's benefit limits

even when the amount of Medicaid payment is reduced to zero by the amount of third party liability, except for Medicare crossover claims with no secondary payer other than Medicaid.

The system provides fields to capture any third party liability (TPL) information the provider may obtain. The provider is required to record TPL for each claim submitted.

When a user enters an electronic claim for services to a recipient who has other insurance coverage for the service and enters a TPL paid amount of \$0.00, the software prompts the user to enter the date of the denial HIPAA Explanation of Benefits (HEOB) or the date of the HEOB showing that the allowed amount was applied to the insurance deductible.

350.000 REFERENCE BOOKS

10-13-03

351.000 Diagnosis Code Reference

10-13-03

The Arkansas Medicaid Program uses the current version of the *International Classification of Diseases* as a reference for coding primary and secondary diagnoses for all providers required to file claims with diagnosis codes completed.

Providers can order the current *ICD*. [View or print ICD ordering information.](#)

352.000 HCPCS Procedure Code Reference

10-13-03

The State of Arkansas uses the HCFA Common Procedure Coding System (HCPCS). HCPCS is composed of Level I-CPT codes, Level II-HCPCS national codes and Level III-HCPCS local codes. If applicable, the state-assigned codes are listed in the Billing Procedures section of this manual. *The Current Procedural Terminology (CPT)* is the professional component of the Healthcare Common Procedure Coding System (HCPCS). The *CPT* book and the HCPCS-Level II book also include modifiers, which are used in conjunction with some procedure codes. Revenue codes, which are used for institutional claims, can be found in the CMS-1450 data specifications manual.

Providers can order the *CPT*. [View or print CPT ordering information.](#)

CPT is a systematic listing of medical terms and identifying codes for reporting medical services provided by physicians. Each procedure or service is identified with a 5-digit code. The use of CPT codes simplifies the reporting of services.

SECTION IV - GLOSSARY

400.000

10-13-03

AAFP	American Academy of Family Physicians
AAP	American Academy of Pediatrics
ABESPA	Arkansas Board of Examiners in Speech-Language Pathology and Audiology
ACD	Augmentative Communication Device
ACIP	Advisory Committee on Immunization Practices
ACES	Arkansas Client Eligibility System
ACS	Alternative Community Services
ADE	Arkansas Department of Education
ADH	Arkansas Department of Health
ADL	Activities of Daily Living
AFDC	Aid to Families with Dependent Children (replaced by the Transitional Employment Assistance Program)
AFMC	Arkansas Foundation for Medical Care, Inc.
AHEC	Area Health Education Centers
ALF	Assisted Living Facilities
ALS	Advance Life Support
ALTE	Apparent Life Threatening Events
AMA	American Medical Association
APD	Adults with Physical Disabilities
ARS	Arkansas Rehabilitation Services
ASC	Ambulatory Surgical Centers
ASHA	American Speech-Language-Hearing Association
BIPA	Benefits Improvement and Protection Act
BLS	Basic Life Support
CARF	Commission on Accreditation of Rehabilitation Facilities
CCRC	Children's Case Review Committee
CFA	One Counseling and Fiscal Agent
CFR	Code of Federal Regulations
CHMS	Child Health Management Services
CLIA	Clinical Laboratory Improvement Amendments
CME	Continuing Medical Education
CMHC	Community Mental Health Center
CMS	Centers for Medicare and Medicaid Services (formerly HCFA)
COA	Council on Accreditation
CON	Certification of Need
CPT	Physicians' Current Procedural Terminology

CRNA	Certified Registered Nurse Anesthetist
CSHCN	Children with Special Health Care Needs
CSWE	Council on Social Work Education
D&E	Diagnosis and Evaluation
DAAS	Division of Aging and Adult Services
DBS	Division of Blind Services
DCFS	Division of Children and Family Services
DCO	Division of County Operations
DD	Developmentally Disabled
DDS	Developmental Disabilities Services
DDTCS	Developmental Day Treatment Clinic Services
DHS	Department of Human Services
DLS	Daily Living Skills
DME	Durable Medical Equipment
DMHS	Division of Mental Health Services
DMS	Division of Medical Services (Medicaid)
DOS	Date of Service
DRG	Diagnosis Related Group
DRS	Developmental Rehabilitative Services
DSH	Disproportionate Share Hospital
DURC	Drug Utilization Review Committees
DYS	Division of Youth Services
EAC	Estimated Acquisition Cost
EDS	Electronic Data Systems
EFT	Electronic Funds Transfer
EIN	Employer Identification Number
EOB	Explanation of Benefits
EOMB	Explanation of Medicaid Benefits. EOMB may also refer to Explanation of Medicare Benefits.
EPSDT	Early and Periodic Screening, Diagnosis and Treatment
ESC	Education Services Cooperative
FEIN	Federal Employee Identification Number
FPL	Federal Poverty Level
FQHC	Federally Qualified Health Center
GME	Graduate Medical Education
GUL	Generic Upper Limit
HCBS	Home and Community Based Services
HCFA	Health Care Financing Administration (renamed Centers for Medicare and Medicaid Services)

HCPCS	Healthcare Common Procedure Coding System
HDC	Human Development Center
HHS	The Federal Department of Health and Human Services
HIC Number	Health Insurance Claim Number
HIPAA	Health Insurance Portability and Accountability Act of 1996
HMO	Health Maintenance Organization
IADL	Instrumental Activities of Daily Living
ICD-9-CM	International Classification of Diseases, Ninth Edition, Clinical Modification
ICF/MR	Intermediate Care Facility/ Mental Retardation
ICN	Internal Control Number
IDEA	Individuals with Disabilities Education Act
IDG	Interdisciplinary Group
IEP	Individualized Educational Program
IFSP	Individualized Family Service Plan
IMD	Institution for Mental Diseases
IPP	Individual Program Plan
IUD	Intrauterine Devices
JCAHO	Joint Commission on Accreditation of Healthcare Organization
LAC	Licensed Associate Counselor
LCSW	Licensed Certified Social Worker
LEA	Local Education Agencies
LMFT	Licensed Marriage and Family Therapist
LMHP	Licensed Mental Health Practitioner
LPC	Licensed Professional Counselor
LPE	Licensed Psychological Examiner
LSPS	Licensed School Psychology Specialist
LTC	Long Term Care
MAC	Maximum Allowable Cost
MAPS	Multi-agency Pan of Services
MART	Medicaid Agency Review Team
MEI	Medicare Economic Index
MMIS	Medicaid Management Information System
MNIL	Medically Needy Income Limit
MPPPP	Medicaid Prudent Pharmaceutical Purchasing Program
MSA	Metropolitan Statistical Area
MUMP	Medicaid Utilization Management Program
NBCOT	National Board for Certification of Occupational Therapy
NCATE	North Central Accreditation for Teacher Education

NDC	National Drug Code
NET	Non-Emergency Transportation Services
NF	Nursing Facility
OBRA	Omnibus Budget Reconciliation Act
OHCDs	Organized Health Care Delivery System
OTC	Over the Counter
PA	Prior Authorization
PAC	Provider Assistance Center
PCP	Primary Care Physician
PERS	Personal Emergency Response Systems
PES	Provider Electronic Solutions
PHS	Public Health Services
PIM	Provider Information Memorandum
PL	Public Law
POC	Plan of Care
POS	Place of Service
PPS	Prospective Payment System
PRN	Pro Re Nata or "As Needed"
PRO	Professional Review Organization
ProDUR	Prospective Drug Utilization Review
QMB	Qualified Medicare Beneficiary
QMRP	Qualified Mental Retardation Professional
RA	Remittance Advice. Also called Remittance and Status Report.
RFP	Request for Proposal
RHC	Rural Health Clinic
RID	Recipient Identification Number
RSPD	Rehabilitative Services for Persons with Physical Disabilities
RSPMI	Rehabilitation Services for Persons with Mental Illness
RSYC	Rehabilitative Services for Youth and Children
RTC	Residential Treatment Centers
RTP	Return to Provider
RTU	Residential Treatment Units
SBMH	School Based Mental Health Services
SD	Spend Down
SFY	State Fiscal Year
SMB	Special Low Income Qualified Medicare Beneficiaries
SNF	Skilled Nursing Facility
SSA	Social Security Administration

SSI	Supplemental Security Income
SURS	Surveillance and Utilization Review Subsystem
TCM	Targeted Case Management
TEA	Transitional Employment Assistance
TEFRA	Tax Equity and Fiscal Responsibility Act
TOS	Type of Service
TPL	Third Party Liability
UPL	Upper Payment Limit
UR	Utilization Review
VFC	Vaccines for Children
VRS	Voice Response System
Accommodation	A type of hospital room, e.g., private, semiprivate, ward, etc.
Activities of Daily Living (ADL)	Personal tasks which are ordinarily performed on a daily basis and include eating, mobility/transfer, dressing, bathing, toileting and grooming.
Adjudicate	To determine whether a claim is to be paid or denied.
Adjustments	Transactions to correct claims paid in error or to adjust payments from a retroactive change.
Admission	Actual entry and continuous stay of the recipient as an inpatient to an institutional facility.
Affiliates	Persons having an overt or covert relationship such that any one of them directly or indirectly controls or has the power to control another.
Agency	The Division of Medical Services.
Aid Category	A designation within SSI or state regulations under which a person may be eligible for public assistance.
Aid to Families with Dependent Children (AFDC)	A Medicaid eligibility category.
Allowed Amount	The maximum amount Medicaid will pay for a service as billed before applying recipient coinsurance or copay, previous TPL payment, spend down liability or other deducted charges.
American Medical Association (AMA)	National association of physicians.
Ancillary Services	Services available to a patient other than room and board. For example: pharmacy, X-ray, lab and central supplies.
Arkansas Client Eligibility System (ACES)	A state computer system in which data is entered to update assistance eligibility information and recipient files.
Arkansas Foundation for Medical Care, Inc. (AFMC)	State professional review organization.
Attending Physician	See Performing Physician.
Automated Eligibility Verification Claims Submission (AEVCS)	On-line system for providers to verify eligibility of recipients and submit claims to fiscal agent.

Base Charge	A set amount allowed for a participating provider according to specialty.
Benefits	Services available under the Arkansas Medicaid Program.
Billed Amount	The amount billed to Medicaid for a rendered service.
Buy-In	A process whereby the state enters into an agreement with the Bureau of Health Insurance, Social Security Administration, to obtain supplementary medical insurance benefits (Medicare, Part A or B) for eligible recipients. The state pays the monthly premium on behalf of the recipient.
Care Plan	See Plan of Care (POC)
Casehead	An adult responsible for an AFDC or Medicaid child.
Categorically Needy	All individuals receiving financial assistance under the state's approved plan under Title I, IV-A, X, XIV and XVI of the Social Security Act or in need under the state's standards for financial eligibility in such a plan.
Centers for Medicare and Medicaid Services	Federal agency which administers federal Medicaid funding.
Child Health Services	Arkansas Medicaid's Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program.
Children's Medical Services (CMS)	A Title V Children with Special Health Care Needs Program administered by the Arkansas Division of Developmental Disabilities Services to provide medical care and service coordination to chronically and disabled children.
Claim	A request for payment for services rendered.
Claim Detail	See Line Item.
Clinic	(1) A facility for diagnosis and treatment of outpatients. (2) A group practice in which several physicians work together.
Closed-end Provider Agreement	An agreement for a specific period of time not to exceed 12 months which must be renewed in order for the provider to continue to participate in the Title XIX Program.
Coinsurance	The portion of allowed charges the patient is responsible for under Medicare. This may be covered by other insurance such as Medi-Pak or Medicaid (if entitled). This also refers to the portion of a Medicaid covered inpatient hospital stay for which the recipient is responsible.
Contract	Written agreement between a provider of medical services and the Arkansas Division of Medical Services. A contract must be signed by each provider of services participating in the Medicaid Program.
Co-pay	The portion of the total charge for medical services that the insured or recipient must pay.
Cosmetic Surgery	Any surgical procedure directed at improving appearance but not medically necessary.
Covered Service	Service which is within the scope of the Arkansas Medicaid Program.
Current Procedural Terminology	A listing of current medical terms and identifying codes published by the AMA and used for reporting medical services and procedures performed by physicians.
Credit Claim	A claim transaction which has a negative effect on a previously processed claim.
Crossover Claim	A claim for which both Titles XVIII (Medicare) and XIX (Medicaid) are liable for services rendered to a recipient entitled to benefits under both programs.
Date of Service	Date or dates on which a recipient receives a covered service. Documentation

	of services and units received must be in the recipient's record for each date of service.
Deductible	The amount the Medicare recipient must pay toward covered benefits before Medicare or insurance payment can be made for additional benefits. Medicare Part A and Part B deductibles are paid by Medicaid within the program limits.
Debit Claim	A claim transaction which has a positive effect on a previously processed claim.
Denial	A claim for which payment is disallowed.
Department of Health and Human Services (HHS)	Federal health and human services agency.
Department of Human Services	State human services agency.
Dependent	A spouse or child of the individual who is entitled to benefits under the Medicaid Program.
Diagnosis	The identity of a condition, cause or disease.
Diagnostic Admission	Admission to a hospital primarily for the purpose of diagnosis.
Disallow	To subtract a portion of a billed charge which exceeds the Medicaid maximum allowable fee or to deny an entire charge because Medicaid pays Medicare Part A and B deductibles subject to program limitations for eligible recipients.
Discounts	A discount is defined as the lowest available price charged by a provider to a client or third party payor, including any discount, for a specific service during a specific period of time by an individual provider. If a Medicaid provider offers a professional or volume discount to any customer, the same discount must exist for claims submitted to Medicaid. Example: If a laboratory provider charges a private physician or clinic a discounted rate for services, the charge submitted to Medicaid for the same service must not exceed the discounted price charged to the physician or clinic. Medicaid must be given the benefit of discounts and price concessions the lab gives any one of its customers.
Duplicate Claim	A claim which has been submitted or paid previously or a claim which is identical to a claim in process.
Durable Medical Equipment	Equipment which (1) can withstand repeated use and (2) is used to serve a medical purpose. Examples include a wheelchair or hospital bed.
Early and Periodic Screening, Diagnosis and Treatment (EPSDT)	A federally mandated Medicaid program for eligible individuals under the age of 21. See Child Health Services.
Electronic Data Systems Corporation (EDS)	Current fiscal agent for the state Medicaid program.
Eligible	(1) To be qualified for Medicaid benefits. (2) One who is qualified for benefits.
Eligibility File	A file containing individual records for all persons who are eligible or have been eligible for Medicaid.
Emergency Services	Inpatient or outpatient hospital services that a prudent layperson with an average knowledge of health and medicine would reasonably believe are necessary to prevent death or serious impairment of health and which, because of the danger to life or health, require use of the most accessible

	hospital available and equipped to furnish those services.
	Source: 42 U.S. Code of Federal Regulations §422.2 and §424.101.
Error Code	A numeric code indicating the type of error found in processing a claim.
Estimated Acquisition Cost	The estimated amount a pharmacy actually pays to obtain a drug.
Experimental Surgery	Any surgical procedure considered experimental in nature.
Explanation of Medicaid Benefits (EOMB)	A statement mailed once per month to selected recipients to allow them to confirm the Medicaid service which they received.
Family Planning Services	Any medically approved diagnosis, treatment, counseling, drugs, supplies or devices which are prescribed or furnished by a physician, nurse practitioner, certified nurse-midwife or the Health Department to individuals of child-bearing age for purposes of enabling such individuals freedom to determine the number and spacing of their children.
Field Audit	An activity performed whereby a provider's facilities, procedures, records and books are audited for conformance to Medicaid standards. A field audit may be conducted on a routine basis, or on a special basis.
Fiscal Agent	An organization authorized by the State of Arkansas to process Medicaid claims.
Fiscal Agent Intermediary	A private business firm which has entered into a contract with the Arkansas Department of Human Services to process Medicaid claims.
Fiscal Year	The twelve-month period between settlements of financial accounts.
Generic Upper Limit (GUL)	The maximum drug cost which may be used to compute reimbursement for specified multiple-source drugs unless the provisions for a Generic Upper Limit override have been met. The Generic Upper Limit may be established or revised by the Centers for Medicare and Medicaid Services (CMS) or by the State Agency.
Group Practice	A medical practice in which several practitioners render and bill for services under a single provider number.
Healthcare Common Procedure Coding System (HCPCS)	Federally defined procedure codes.
Health Care Financing Administration (HCFA)	Federal agency which administers federal Medicaid funding. (Renamed Centers for Medicare and Medicaid Services)
Health Insurance Claim Number	Number assigned to Medicare recipients and individuals eligible for SSI.
Hospital	An institution which meets the following qualifications: Provides diagnostic and rehabilitation services to inpatients. Maintains clinical records on all patients. Has by-laws with respect to its staff of physicians. Requires each patient to be under the care of a physician, dentist or certified nurse-midwife. Provides 24-hour nursing service. Has a hospital utilization review plan in effect.

	Is licensed by the State.
	Meets other health and safety requirements set by the Secretary of Health and Human Services.
Hospital-Based Physician	A physician who is a hospital employee and is paid for services by the hospital.
ID Card	An identification card issued to Medicaid recipients containing the encoded data to permit a provider to access the recipient's Medicaid eligibility information.
Inpatient	A patient admitted to a hospital or skilled nursing facility who occupies a bed and receives inpatient services.
In-Process Claim (Pending Claim)	A claim which suspends during system processing for suspected error conditions because all processing requirements are not met. These conditions must be reviewed by EDS or DMS and resolved before processing of the claim can be completed. (See suspended claim.)
Inquiry	A request for information.
Institutional Care	Care in an authorized private, non-profit, public or state institution or facility. Such facilities include schools for the deaf, and/or blind and institutions for the handicapped.
Instrumental Activities of Daily Living (IADL)	Tasks which are ordinarily performed on a daily or weekly basis and include meal preparation, housework, laundry, shopping, taking medications and travel/transportation.
Intensive Care	Isolated and constant observation care to patients critically ill or injured.
Interim Billing	A claim for less than the full length of an inpatient hospital stay. Also, a claim which is billed for services provided to a particular date even though more services will be provided. It may or may not be the final bill for a particular recipient's services.
Internal Control Number (ICN)	The unique 13 digit claim number which appears on a Remittance Advice.
International Classification of Diseases, Ninth Edition, Clinical Modification (ICD-9CM)	A diagnosis coding system for identifying a patient's diagnosis on a claim used by medical providers.
Investigational Product	Any product which is considered investigational, experimental and not approved by the Food and Drug Administration. The Arkansas Medicaid Program does not cover investigational products.
Julian Date	Chronological date of the year, 001 through 365 or 366, preceded by a two (2) digit year designation. Claim number example: 03231.
Length Of Stay	Period of time a patient is in the hospital. Also, the number of days covered by Medicaid within a single inpatient stay.
Line Item	A service provided to a recipient. A claim may be made up of one or more line items for the same recipient. Also called a claim detail.
Long Term Care (LTC)	An office within the Arkansas Division of Medical Services responsible for nursing facilities.
Long Term Care Facility	A nursing facility.
Maximum Allowable	The maximum drug cost which may be reimbursed for specified multi-source

Cost (MAC)	drugs. This term is interchangeable with generic upper limit.
Medicaid Management Information System (MMIS)	The automated system utilized to process Medicaid claims.
Medical Assistance Section	A section within the Arkansas Division of Medical Services responsible for administering the Arkansas Medical Assistance Program.
Medically Needy	Individuals whose income and resources exceed the levels for assistance established under a state or federal plan for categorically needy, but are insufficient to meet costs of health and medical services.
Medical Necessity	All Medicaid benefits are based upon medical necessity. A service is "medically necessary" if it is reasonably calculated to prevent, diagnose, correct, cure, alleviate or prevent the worsening of conditions which endanger life, cause suffering or pain, result in illness or injury, threaten to cause or aggravate a handicap or cause physical deformity or malfunction and if there is no other equally effective (although more conservative or less costly) course of treatment available or suitable for the recipient requesting the service. For this purpose, a "course of treatment" may include mere observation or (where appropriate) no treatment at all. The determination of medical necessity may be made by the Medical Director for the Medicaid Program, Professional Review Organization or Peer Review Committee for the Medicaid Program. Coverage may be denied if the requested service is not medically necessary according to the preceding criteria or is generally regarded by the medical profession as experimental or unacceptable, unless objective clinical evidence demonstrates circumstances making the requested services necessary.
Mis-Utilization	Any usage of the Medicaid Program by any of its providers and/or recipients which is not in conformance with both State and Federal regulations and laws (includes fraud, abuse and defects in level and quality of care).
National Drug Code	The unique eleven digit number assigned to drugs which identifies the manufacturer, drug, strength and package size of each drug.
Non-Covered Services	Services not medically necessary, services provided for the personal convenience of the patient or services not covered under the Medicaid Program.
Nonpatient	An individual who receives services, such as laboratory tests, performed by a hospital, but who is not a patient of the hospital.
Nurse Practitioner	A professional nurse with credentials which meet the requirements for licensure as a nurse practitioner in the State of Arkansas.
Outpatient	A patient receiving medical services, but not admitted as an inpatient to a hospital.
Over-Utilization	Any over usage of the Medicaid Program by any of its providers and/or recipients not in conformance with professional judgment and both State and Federal regulations and laws (includes fraud and abuse).
Participant	A provider of services who: (1) provides the service, (2) submits the claim and (3) accepts the amount determined to be the reasonable charge for the services provided as payment in full.
Patient	A person under the treatment or care, of a physician or surgeon, or in a hospital.
Payment	Reimbursement to the provider of services for rendering a Medicaid covered benefit.
Pay to Provider	A person, organization or institution authorized to receive payment for services

	provided to eligible Medicaid recipients by a person or persons who are a part of the entity.
Pay to Provider Number	A 9-digit number assigned to each Pay to Provider. Medicaid reports provider payments to the Internal Revenue Service under the Employee Identification Number "Tax ID" linked in the Medicaid Provider File to the pay to provider number.
Peer	A person or committee in the same profession as the provider.
Peer Review	An activity performed by a group or groups of practitioners or other providers, by which the practices of their peers are reviewed for conformance to generally accepted standards.
Per Diem	A daily rate paid to institutional providers.
Performing Physician	The physician providing, supervising, or both, a medical service and claiming primary responsibility for ensuring that services are delivered as billed.
Person	Any natural person, company, firm, association, corporation or other legal entity.
Place of Service (POS)	An alpha or numeric code denoting the actual place services are provided.
Plan of Care	A document utilized by a provider to plan, direct or deliver care to a patient to meet specific measurable goals. Also called care plan, service plan or treatment plan.
Postpayment Utilization Review	The review of services and practice after payment.
Practitioner	An individual provider; one who practices in a health or medical service profession.
Prepayment Utilization Review	The review of services and practice patterns before payment.
Prescription	A health care professional's legal order for a drug which, in accordance with federal and/or state statutes, may not be obtained otherwise. Also means an order for a particular Medicaid covered service.
Prescription Drug (RX)	A drug which, in accordance with federal and/or state statutes, may not be obtained without a valid prescription.
Primary Care Physician (PCP)	A physician responsible for the management of a recipient's total medical care. Selected by the recipient to provide primary care services and health education. The PCP will monitor on an ongoing basis the recipient's condition, health care needs and service delivery and also be responsible for locating, coordinating and monitoring medical and rehabilitation services on behalf of the recipient and refer the recipient for most specialty services, hospital care and other services.
Prior Authorization (PA)	The approval by the Arkansas Division of Medical Services or a designee of the Division of Medical Services, for specified services for a specified recipient to a specified provider before the requested services may be performed and before payment will be made.
Procedure Code	A five-digit numeric or alpha numeric code to identify medical services and procedures on medical claims.
Professional Component	A physician's interpretation or supervision and interpretation of laboratory, X-ray or machine test procedures.
Profile	A detailed view of an individual provider's charges to Medicaid for health care services or a detailed view of a recipient's usage of health care services.

Provider	A person, organization or institution enrolled to provide health or medical care services authorized under the State Title XIX Medicaid Program.
Provider Number	A nine-character code assigned to each provider of services in the Arkansas Medicaid Program for identification purposes.
Provider Relations	The activity within the Medicaid Program which handles all relationships with Medicaid providers.
Quality Assurance	Determination of quality and appropriateness of services rendered.
Quality Improvement Organization	The Quality Improvement Organization is the federally mandated review organization for the state under the authority of the Arkansas Foundation for Medical Care, Inc. This organization monitors hospital and physician services billed to the state's Medicare intermediary and the Medicaid program to assure high quality, medical necessity and appropriate care for each patient's needs.
Railroad Claim Number	The number issued by the Railroad Retirement Board to control payments of annuities and pensions under the Railroad Retirement Act. The claim number begins with a one to three letter alphabetic prefix denoting the type of payment, followed by six or nine numeric digits.
Recipient	Person who meets the Medicaid eligibility requirements, receives an ID card and is eligible for Medicaid services.
Referral	An authorization from a Medicaid enrolled provider to a second Medicaid enrolled provider. The receiving provider is expected to exercise independent professional judgment and discretion, to the extent permitted by laws and rules governing the practice of the receiving practitioner, and develop and deliver medically necessary services covered by the Medicaid program. The provider making the referral may be a physician or another qualified practitioner acting within the scope of practice permitted by laws or rules. Medicaid requires documentation of the referral in the recipient's medical record, regardless of the means the referring provider makes the referral. Medicaid requires the receiving provider to document the referral also, and to correspond with the referring provider regarding the case when appropriate and when the referring provider so requests.
Reimbursement	The amount of money remitted to a provider.
Rejected Claim	A claim for which payment is refused.
Relative Value	A weighting scale used to relate the worth of one surgical procedure to any other. This evaluation, expressed in units, is based upon the skill, time and the experience of the physician in its performance.
Remittance	A remittance advice.
Remittance Advice (RA)	A notice sent to providers advising the status of claims received, including paid, denied, in-process and adjusted claims. It includes year-to-date payment summaries and other financial information.
Reported Charge	The total amount submitted in a claim detail by a provider of services for reimbursement.
Retroactive Medicaid Eligibility	Medicaid eligibility which may begin up to three (3) months prior to the date of application provided all eligibility factors are met in those months.
Returned Claim	A claim which is returned by the Medicaid Program to the provider for correction or change to allow it to be processed properly.
Sanction	Any corrective action taken against a provider.
Screening	The use of quick, simple medical procedures carried out among large groups of people to sort out apparently well persons from those who may have a disease or abnormality and to identify those in need of more definitive

	examination or treatment.
Signature	Signature or initials means the person's original signature, or the person's signature or initials may be recorded by an electronic or digital method executed or adopted by the person with the intent to be bound by or to authenticate a record. An electronic signature must comply with Arkansas Code Annotated § 25-31-101-105, including verification through an electronic signature verification company and data links invalidating the electronic signature if the data is changed.
Single State Agency	The state agency authorized to administer or supervise the administration of the Medicaid Program on a statewide basis.
Skilled Nursing Facility (SNF)	A nursing home, or a distinct part of a facility, licensed by the Office of Long Term Care as meeting the Skilled Nursing Facility Federal/State licensure and certification regulations. A health facility which provides skilled nursing care and supportive care on a 24-hour basis to residents whose primary need is for availability of skilled nursing care on an extended basis.
Social Security Administration (SSA)	A federal agency which makes disability and blindness determinations for the Secretary of the HHS.
Social Security Claim Number	The account number used by SSA to identify the individual on whose earnings SSA benefits are being paid. It is the Social Security Account Number followed by a suffix, sometimes as many as three characters, designating the type of beneficiary (e.g., wife, widow, child, etc.).
Source of Care	A hospital, clinic, physician or other facility which provides services to a beneficiary under the Medicaid Program.
Specialty	The specialized area of practice of a physician or dentist.
Spend Down (SD)	The amount of money a recipient must pay toward medical expenses when income exceeds the Medicaid financial guidelines. A component of the medically needy program allows an individual or family whose income is over the medically needy income limit (MNIL) to use medical bills to spend excess income down to the MNIL. The individual(s) will have a spend down liability. The spend down column of the remittance advice indicates the amount which the provider may bill the recipient. The spend down liability occurs only on the first day of Medicaid eligibility.
Status Report	A remittance advice.
Supplemental Security Income (SSI)	A program administered by the Social Security Administration. This program replaced previous state administered programs for aged, blind or disabled recipients (except in Guam, Puerto Rico and the Virgin Islands). This term may also refer to the Bureau of Supplemental Security Income within SSA which administers the program.
Suspended Claim	An "In-Process Claim" which must be reviewed and resolved.
Suspension from Participation	An exclusion from participation for a specified period of time.
Suspension of Payments	The withholding of all payments due to a provider until the resolution of a matter in dispute between the provider and the state agency.
Termination from Participation	A permanent exclusion from participation in the Title XIX Program.
Third Party Liability (TPL)	A condition whereby a person or an organization, other than the recipient or the state agency, is responsible for all or some portion of the costs for health or medical services incurred by the Medicaid recipient (e.g., a health insurance company, a casualty insurance company or another person in the case of an accident, etc.).

Utilization Review (UR)	The section of the Arkansas Division of Medical Services which performs the monitoring and controlling of the quantity and quality of health care services delivered under the Medicaid Program.
Void	A transaction which deletes.
Voice Response System (VRS)	Voice activated system to request prior authorization for prescription drugs and for PCP assignment and change.
Ward	An accommodation of five or more beds.
Withholding of Payments	A reduction or adjustment of the amounts paid to a provider on pending and subsequently due payments.
Worker's Compensation	A type of Third-Party Liability for medical services rendered as the result of an on-the-job accident or injury to a recipient for which the employer's insurance company may be obligated under the Worker's Compensation Act.

Claim Forms

Red-ink Claim Forms

The following is a listing of the red-ink claim forms required by Arkansas Medicaid. The forms below cannot be printed from this manual for use. Information on where to get the forms and links to samples of the forms are available below. To view a sample of the form click on the form name.

Claim type	Where to get them
<u>Professional – CMS-1500</u>	Business Form Supplier
<u>Institutional – CMS-1450</u>	Business Form Supplier
<u>EPSDT – DMS-694</u>	EDS - 1-800-457-4454
<u>Visual Care – DMS-26-V</u>	EDS - 1-800-457-4454
<u>Outpatient Crossover – EDS-MC-003</u>	EDS - 1-800-457-4454
<u>Professional Crossover – EDS-MC-004</u>	EDS - 1-800-457-4454
<u>Inpatient Crossover – EDS-MC-001</u>	EDS - 1-800-457-4454
<u>Long Term Care Crossover – EDS-MC-002</u>	EDS - 1-800-457-4454

Claim Forms

The following is a listing of the non-red-ink claim forms required by Arkansas Medicaid. Information on where to get a supply of the forms and links to samples of the forms are available below. To view a sample of the form click on the form name.

Claim type	Where to get them
<u>Alternatives Attendant Care Provider Claim Form - AAS-9559</u>	Client Employer
<u>Dental – ADA-J510</u>	Business Form Supplier
<u>Hospice/INH Claim Form – DHS-754</u>	EDS – 1-800-457-4454
