

SUMMARY FOR
Pharmacy Update #74

The purpose of the proposed rule is to 1) make a clarification to Pharmacy providers on the process of subsequent license renewal, 2) to indicate that the Department name has changed to the Department of Health and Human Services effective July 1, 2005, 3) to remove some information from field 29 of the CMS-1500 claim form instructions and 4) to indicate some minor word adjustments and to correct a procedure code.

The proposed rule is necessary to ensure that all Pharmacy providers are informed of the above changes and clarifications.
