Explanation of Updates

Section 214.200 contains minor wording changes only.

Section 214.300 has been included to reflect a general updating of the information.

Sections 214.310 and 214.320 are new sections added for informational purposes only. They provide additional clarification about retrospective review by Arkansas Foundation for Medical Care, Inc. (AFMC). Each has a list of specific tests that are recommended for providers' use for the evaluation of occupational and physical therapy services, respectively.

Section 214.400 has been reorganized.

Section 214.410 is a new section. It is for informational purposes only. It provides additional clarification about AFMC's retrospective review process. A list of specific tests has been added and is recommended for providers' use in speech therapy evaluations.

Section 214.420 is a new section about intelligence quotient (IQ) testing. The information was previously located in section 214.400. The policy is being updated with the current IQ testing requirements and an IQ test listing recommended by AFMC.

Paper versions of this update transmittal have updated pages attached to file in your provider manual. See Section I for instructions on updating the paper version of the manual. For electronic versions, these changes will be automatically incorporated.
