

SUMMARY
VISUAL CARE UPDATE TRANSMITTAL #70 AND
ARKANSAS STATE PLAN TRANSMITTAL #2005-011

The purpose of the proposed rule is to amend the Medicaid reimbursement rate maximums paid in the Arkansas State Plan and to update the Visual Care manual to reflect a new procedure code and make a clarification in the adult coverage. The proposed rule is necessary so that the reimbursement rate maximums for eye prosthesis and polishing services will be accurate and to ensure that Visual Care providers are informed of the necessary changes and clarifications.
