### **NOTICE OF RULEMAKING**

Pursuant to Arkansas Code Annotated §25-15-201 et seq., notice is hereby given that the Capitol Zoning District Commission (CZDC) is considering revisions to the Capitol Zoning General Standards.

The proposed revisions to the Standards would define setbacks, reduce the required side yard setback in residential zones, and allow the Commission to further reduce the required setbacks in all zones on a case-by-case basis.

The proposed rule changes are posted at [czdc.arkansas.gov](http://czdc.arkansas.gov) and on the Secretary of State's website. One may also contact the Commission to obtain a written copy. Written comments from the public will be accepted if received prior to close of business on Friday, April 12, 2013. Written comments may be mailed to CZDC at 410 South Battery Street, Little Rock, AR 72201. They may also be faxed to 501-324-9631 or emailed to [boyd.maher@arkansas.gov](mailto:boyd.maher@arkansas.gov). In addition to written comments, the agency will also accept comments at a public hearing to be held on Thursday, March 28, 2013 at 5:30pm at the CZDC offices at 410 South Battery Street in Little Rock.
