EMERGENCY RULE

The Health Services Commission placed a six (6) month moratorium on the acceptance of Permit of Approval applications for Residential Care Facilities (RCF). During this time period the Commission will form a Committee to recommend standards and criteria. The only applications accepted for review after July 18th will be from applicants that have previously contacted the Office of Long Term Care or the Health Services Agency about a specific RCF proposal and can provide written documentation of that contact.

Re: Filing of Emergency Rules and Regulations  
(Moratorium on Residential Care Facilities)

Dear Mr. Hearn:

I have been authorized by the Health Services Commission to submit for filing the attached emergency rule which was adopted at today's Commission meeting.

It is the Commission's intent that the rule become effective immediately upon filing. Failure to adopt the rule today would have resulted in imminent peril to public health.

Sincerely,

Orson Berry  
Director
