HSC REGULATION 300M. Home Health Methodology Amendment.

Small rural hospitals that do not have a home health agency may be approved for a home health agency to serve either the county in which the hospital is located or the townships within a twenty mile radius of the hospital. Small hospitals are defined as short term acute care hospitals of 50 or fewer licensed beds. Rural counties are defined as counties with a population of 25,000 or less in the last decennial census. Hospitals approved under this rule must have their home health agency licensed no later than twenty-four (24) months from the date of approval.
