

The Arkansas Manufactured Home Commission (AMHC) is proposing an amendment to an existing rule which would change the process by which applicants obtain their certification for a retailer, establishing the need to provide documented assurance the applicant is experienced and financially responsible to fully comply with the code. The rule change is intended to help ensure Arkansans are protected from entities who may be unreliable. Comments on the proposed amendment to the rule may be made at a public hearing to be held at 1:00PM on September 13<sup>th</sup>, 2016, in the lower level Conference Room C at 101 E Capitol Ave., Little Rock, AR 72201. Written comments may be submitted via email to [aaron.howard@arkansas.gov](mailto:aaron.howard@arkansas.gov) and must be received by 4:30PM on August 31<sup>st</sup>, 2016. The proposed amendment to the rule may be viewed on the Secretary of State's website [www.sos.arkansas.gov](http://www.sos.arkansas.gov) and in the office of the AMHC.
