## MEMORANDUM

DATE: October 17, 2018

TO: Office of the Arkansas Secretary of State

FROM: Susan Lester  
Executive Assistant to the Director

RE: Proposed Changes to the *ASBN Rules*:  
Chapter One-General Provisions  
Chapter Two- Licensure: RN, LPN, and LPTN  
Chapter Three- Registered Nurse Practitioner  
Chapter Four- Advanced Practice Registered Nurse  
Chapter Six- Standards for Nursing Education Programs  
Chapter Seven- Rules of Procedure

Our public comment period concerning this matter ends on November 16, 2018. A public hearing at our office is scheduled to take place on November 13, 2018 at 4:00 p.m.

Following is a summary of the proposed changes:

### Chapter 1

The definition of “failed drug screen” was added for clarification purposes.

### Chapter 2

The term “good moral character” was removed to reduce and/or eliminate unnecessary regulatory barriers. The Rules for the original compact are repealed and the Rules for the Enhanced Compact are included pursuant to Act 454 of 2017. Section addressing considerations for military members and their spouses were moved to Section XII to achieve a central location. In order to facilitate inactivation of licensure for participants to enter into the alternative to discipline program, the term “inactive status” was redefined. The fees for retired status of nursing licensure is being removed because we have changed our business process and will no longer accept fees and renew retired licenses in our new data base. A section was added to address considerations for military members and their spouses pursuant to Acts 248 and 204 of 2017.

---

#### **BOARD MEMBERS:**

**Ramonda Housh, MNsc, APRN, CNP, C-PNP – President • Lance Lindow, RN - Vice President • Kaci Bohn, PhD - Secretary • Janice Ivers, MSN, RN, CNE - Treasurer**

Pam Leal, RN • Renee Mihalko-Corbitt, DNP, APRN, ACNS-BC • Rachel Sims, BSN, RN • Haley Strunk, LPN

### Chapter 3

For clarification purposes, we added the statement that renewal notices are sent to the last known address of record for the licensee. In order to facilitate inactivation of licensure for participants to enter into the alternative to discipline program, the term “inactive status” was redefined.

### Chapter 4

We have waived the license renewal fee for active duty military pursuant to Act 204 of 2017. For clarification purposes, we added the statement that renewal notices are sent to the last known address of record for the licensee. In order to facilitate inactivation of licensure for participants to enter into the alternative to discipline program, the term “inactive status” was redefined. The fees for retired status of nursing licensure is being removed because we can no longer accept fees and renew retired licenses in our new data base. In compliance with Act 820 of 2017, we clarified prescribing for chronic nonmalignant pain. A section was added to address considerations for military members and their spouses pursuant to Acts 248 and 204 of 2017.

### Chapter 6

Specifications were added regarding the use of simulation as a substitute for traditional clinical experience which will allow nursing students to receive training on simulated patients because clinical spots are not always available.

### Chapter 7

For clarification purposes, supplemental definitions of unprofessional conduct to include refusing a drug screen, complying with Board actions, and establishing and maintaining a professional boundary were added.
