Dear Ms. Priest:

Enclosed are transmittal sheets for Board of Pharmacy Regulation 24, 38, and 48. These regulations have been promulgated and reviewed by Legislative Council. We have asked that the regulation go into effect 10 days from the filing date.

We will also appreciate receiving a certified copy of each regulation which has been dated and stamped by your office. This will tell us when the effective date is on the regulations. Therefore, if these copies could show the effective date, it would be appreciated.

Thank you in advance for your cooperation.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sheila Castin".
