RULE 9-9

RETIREMENT APPLICATION

- I. A copy the ATRS retirement application can be downloaded from the ATRS website or requested from ATRS.
- II. In order for a retirement application to be timely filed, there is a three (3) month "window" to apply for retirement benefits.
For active members currently employed, the window for filing your retirement application is:
 - A. No sooner than four (4) months prior to your Effective Retirement Date; and,
 - B. No later than one (1) month before your Effective Retirement Date.
- III. A. The member's Effective Retirement Date for purposes of ATRS retirement benefits is the 1st day of the month in which the member requests to receive retirement benefits and for which the member has submitted a timely retirement application.
B. For an inactive, vested, immediately eligible-to-retire member, retirement benefits are payable the month after the retirement application is received.
- IV. A. If a retirement application is received by ATRS before the three (3) month window begins for the member's anticipated Effective Retirement Date, the application is not timely filed, and ATRS will reject the application and notify the member of the dates that their retirement application can be filed timely and the procedure to do so.
B. If a retirement application is received after the three (3) month window ends for the member's anticipated Effective Retirement Date, the retirement application is not timely filed and the member will receive a new Effective Retirement Date beginning on the 1st day of the next month.
- V. This Rule does not apply to an application for disability retirement or survivor benefits.

Rule 9-9 Retirement Application **Rules and Deadlines**

Substantive changes

This new rule is necessary for the proper administration of retirement applications and benefits. It sets a "window" of three (3) months in which a member may apply for retirement benefits before their effective date of retirement. (The Arkansas Public Employees Retirement System has such an application window for its members.) In addition, it allows ATRS to hold a member's application if the member applies too early or too late, and requires the member to fill out a simple form once an allowable date is reached, directing ATRS to file the application at that later date.

This new rule applies to voluntary retirement, early retirement, and T-DROP. It does not apply to disability retirement or survivor benefits.

Non-substantive changes

None.
