(E) Any additional documentation required by the system.

(4) A surviving spouse who is immediately eligible to receive a monthly survivor annuity benefit after the death of the qualifying member shall receive monthly survivor annuity benefits:

(A) Beginning the month after the death of the qualifying member if the survivor application is filed by the end of the sixth full calendar month following the date of the qualifying member's death; or

- (i) Accumulated at least twenty-five (25) years of credited service and was eligible to receive a voluntary retirement or early retirement annuity; or
- (ii) Reached sixty (60) years of age and was eligible to receive a deferred retirement annuity.

(5) A surviving spouse who is not immediately eligible to receive a monthly survivor annuity benefit shall receive monthly survivor annuity benefits beginning the later of either the:
