Scope of Rules

These rules set forth the procedures for providing uniform and nondiscriminatory resolution of any non-HAVA related complaint alleging a violation of election and voter registration laws in accordance with Arkansas Code Annotated § 7-4-118, except as to Arkansas Code Annotated § 7-1-103(a)(1)-(4), (6), and (7), and except for any matters relating to campaign finance and disclosure laws that the Arkansas Ethics Commission shall have the power and authority to enforce according to Arkansas Code Annotated §§ 7-6-217 and 7-6-218.

§ 600 Definitions

- (a) “Complainant” means any person who files a complaint with the State Board of Election Commissioners, hereinafter referred to as the “State Board” alleging that a violation of any election or voter registration law under the State Board of Election Commissioners’ jurisdiction has occurred.
- (b) “Frivolous” means clearly lacking any basis in fact or law.¹
- (c) “HAVA” is the federal Help America Vote Act of 2002 that established the Election Assistance Commission to assist in the administration of federal elections and allocated federal funds to states for election administration improvements, including replacing punch card and lever voting machines, improving accessibility for disabled voters, implementing a statewide voter registration system, voter and election official training, and other improvements.
- (d) “Letter of Caution” means a written disposition of an allegation against any person which is advisory in nature, clearly giving notice to the respondent that his or her action or lack of action is a violation of law.
- (e) “Letter of Reprimand” means a written disposition of an allegation against any person which is condemnatory in nature, clearly giving notice to the respondent that his or her action or lack of action is a violation of the law. The reprimand will require the respondent to refrain from engaging in the same activity again. A reprimand shall be considered more severe than a caution or warning.
- (f) “Letter of Warning” means a written disposition of an allegation against any person which is condemnatory in nature, expressing strong disapproval for the respondent’s misconduct and expressing the view that the misconduct undermines public confidence in the integrity of the election process.
- (g) “Respondent” means any person whose actions are asserted, in a complaint filed with the State Board, to be in violation of any election or voter registration law under the State Board’s jurisdiction.

§601 Who May File

Any person alleging that a violation of any election or voter registration law under the State Board's jurisdiction has occurred may file a complaint. The State Board may file a complaint of its own volition.²

§ 602 Form of Complaint

To be considered, a complaint must be in writing, notarized, signed, and sworn by the Complainant under penalty of perjury, and must clearly state the alleged election irregularities or illegalities, when and where the alleged activities occurred, supporting facts surrounding the allegations, and the desired resolution.³

Filing of a frivolous complaint is considered a violation of Arkansas Code Annotated § 7-4-118.⁴

§ 603 Filing a Complaint

A written complaint must be filed with the State Board within thirty (30) days of an alleged voter registration violation or the election associated with the complaint.⁵

§ 604 Processing a Complaint

Upon receipt, every written complaint shall be stamped with the current date and forwarded to the Deputy Director. The Deputy Director, under the direction of the Director and on behalf of the State Board, shall determine if the written complaint meets the requirements of a complaint as set forth in §§ 602 and 603.

If determined that the written complaint is not timely filed or in proper form, or that there is insufficient evidence to establish a violation, the State Board acting through the Director shall dismiss the complaint and advise the complainant in writing as to why the complaint was dismissed.⁶

If determined that the written complaint meets the requirements of §§ 602 and 603 and that there is sufficient evidence to establish a violation of election or voter registration laws under the State Board's jurisdiction, the State Board may proceed to investigate the alleged violation⁷ or forward the complaint, along with the information and documentation as deemed appropriate, to the proper authority.⁸
