

**Notice of Hearing to Accept Comments on Proposed Revision of
The Arkansas Natural Resources Commission's Rules Governing Public Water Authorities
(Title 17)**

Pursuant to the Arkansas Administrative Procedure Act, ANRC proposes to revise its rules governing public water authorities, Title 17. ANRC is revising its rules to include public entities providing sewer services or collecting solid and industrial waste among those entities eligible to convert or transfer to a water authority. Revisions also emphasize that an entity providing water or sewer service must obtain separate approval of its service area through ANRC's water plan compliance procedures (Title 6).

A public hearing on the draft rules will be held June 11, 2014, at 2:00 p.m. at the address below. Oral and written comments will be accepted at the hearing. In the interest of accuracy, written statements are preferred and will be considered if received by June 24, 2014, at 4:30 p.m. These rules are posted on ANRC's website at <http://www.anrc.arkansas.gov/> or may be requested at the number below.

Given this 19th day of May, 2014.
