

§ 600 DEFINITIONS

(a) **Ballot Question** – As used in these rules, the term “ballot question” means a question in the form of a statewide, county, municipal, or school district initiative or referendum which is submitted or intended to be submitted to a popular vote at an election, whether or not it qualifies for the ballot.

(b)(1) **Ballot Question Committee** – As used in these rules, the term “ballot question committee” means any person, located within or outside Arkansas, who receives contributions for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of any ballot question, or any person, other than an individual, located within or outside Arkansas, who makes expenditures for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of any ballot question.

(2) A person other than an individual, located within or outside Arkansas, also qualifies as a ballot question committee if two percent (2%) or more of its annual revenues, operating expenses, or funds are used to make a contribution or contributions to another ballot question committee and if such contribution or contributions exceed ten thousand dollars (\$10,000) in value.

(c)(1) **Contribution** – As used in these rules, the term “contribution” means, whether direct or indirect, advances, deposits, transfers of funds, contracts, or obligations, whether or not legally enforceable, payments, gifts, subscriptions, assessments, payment for services, dues, advancements, forbearance, loans, pledges or promises of money or anything of value, whether or not legally enforceable, to a person receiving same for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(2) “Contribution” includes the purchase of tickets for events, such as dinners, luncheons, rallies, and similar fundraising events, and the granting of discounts or rebates by television and radio stations and newspapers, not extended on an equal basis to all persons seeking to expressly advocate the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(3) “Contribution” shall not include noncompensated, nonreimbursed volunteer personal services or travel.

(d) **Contribution and Expenditure** – As used in these rules, “contribution and expenditure” shall not include activities designed solely to encourage individuals to register to vote or to vote, or any communication by a bona fide church or religious denomination to its own members or adherents for the sole purpose of protecting the right to practice the religious tenets of the church or religious denomination, and “expenditure” shall not include one made for communication by a person strictly with the person’s paid members or shareholders.

(e) **Disqualification of a Ballot Question** – As used in these rules, “disqualification of a ballot question” means any action or process, legal or otherwise, which seeks to prevent a ballot question from being on the ballot at an election.

(f) Expenditure – As used in these rules, the term “expenditure” means a purchase, payment, distribution, gift, loan, or advance of money or anything of value, and a contract, promise, or agreement to make an expenditure, for goods, services, materials, or facilities for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(g) In-kind Contribution – As used in these rules, the term “in-kind contribution” means a contribution of goods, services, or any other thing of value, or its use, other than money and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make such a contribution in the future. A person makes an “in-kind contribution” whenever, in conjunction with the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question, such person purchases, sells or leases an item, or provides a service to or on behalf of a ballot or legislative question committee without charge or for a charge which is less than the fair market value of the item or service provided. The difference between the fair market value and the charge shall be the value of the in-kind contribution.

(h) Legislative Question – As used in these rules, the term “legislative question” means a question in the form of a measure referred by the General Assembly, a quorum court, a municipality, or a school district to a popular vote at an election.

(i)(1) Legislative Question Committee – As used in these rules, the term “legislative question committee” means any person, located within or outside Arkansas, who receives contributions for the purpose of expressly advocating the passage or defeat of any legislative question or any person, other than an individual, located within or outside Arkansas, who makes expenditures for the purpose of expressly advocating the passage or defeat of any legislative question.

(2) A person other than an individual, located within or outside Arkansas, also qualifies as a legislative question committee if two percent (2%) or more of its annual revenues, operating expenses, or funds are used to make a contribution or contributions to another legislative question committee and if such contribution or contributions exceed ten thousand dollars (\$10,000) in value.

(j) Person – As used in these rules, the term “person” means any individual, business, proprietorship, firm, partnership, joint venture, syndicate, business trust, labor organization, company, corporation, association, committee, or any other organization or group of persons acting in concert. “Person” includes a public servant or governmental body using public funds to expressly advocate the qualification, disqualification, passage, or defeat of any ballot question or the passage or defeat of any legislative question.

(k) Political Party – As used in these rules, the term “political party” means any group of voters which at the last preceding general election polled for its candidate for Governor in the state or nominees for presidential electors at least three percent (3%) of the entire vote cast for the office. No group of electors shall assume a name or designation which is so similar in the opinion of the Secretary of State to that of an existing political party as to confuse or mislead the voters at an election. When any political party fails to obtain three percent (3%) of the total votes cast at an election for the office of Governor or nominees for presidential electors, it shall cease to be a political party.

(l) Qualification of a Ballot Question – As used in these rules, “qualification of a ballot question” means any action or process, legal or otherwise, through which a ballot question obtains certification to be on the ballot at an election.

§ 601 CONTRIBUTIONS AND EXPENDITURES – LIMITS

(a) No ballot question committee or legislative question committee shall accept any contribution in cash, meaning currency or coin, which exceeds one hundred dollars (\$100).

(b) No ballot question committee, legislative question committee, or individual shall make an expenditure in cash which exceeds fifty dollars (\$50.00) in conjunction with expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(c) No contributions shall be made, directly or indirectly, by any person in a name other than the name by which the person is identified for legal purposes.

(d)(1) No person shall make an anonymous contribution totaling fifty dollars (\$50.00) or more to a ballot question committee or legislative question committee.

(2) Any such anonymous contribution actually received by any ballot question committee or legislative question committee shall be promptly paid by the recipient to the Arkansas Ethics Commission for deposit in the State Treasury as general revenues.

§ 602 CONTRIBUTIONS – DATE RECEIVED

A contribution to a ballot or legislative question committee shall be deemed to have been “received” or “accepted” when it has been delivered to a committee and not returned to the contributor within five (5) business days.

§ 603 IN-KIND CONTRIBUTIONS – REPORTING AND VALUE

(a) In addition to monetary contributions, committees are required to report the receipt of any “in-kind contributions,” as defined in § 600(g) of these rules.

(b) For reporting purposes, the value of an in-kind contribution shall be its fair market value if it had been purchased, sold or leased in the ordinary course of business. An in-kind contribution constitutes a contribution. Those transactions which are specifically excluded from the definition of “contribution” are likewise excluded from the definition of “in-kind contribution.”

(c) A person making an in-kind contribution shall place the value on such contribution when given. The committee may question the value set by the donor if it appears unreasonable and shall revalue the in-kind contribution to a reasonable value. The value of an in-kind contribution is a factual determination which shall be made by the Arkansas Ethics Commission.

(d) The costs associated with any news story, commentary or editorial distributed in the ordinary course of business by a broadcasting station, newspaper or other periodical publication do not constitute an in-kind contribution.

§ 604 VOLUNTEER SERVICES – EXCEPTION TO IN-KIND CONTRIBUTION

(a) In addition to the other exceptions noted in these rules, the value of volunteer services provided without compensation do not constitute an in-kind contribution. Accordingly, an individual may volunteer any personal service provided he or she is not compensated for the service by any other individual or person. This applies both to manual tasks (*i.e.*, stuffing envelopes, answering telephones, etc.) and to specialized services (*i.e.*, services provided by musicians, accountants, etc.). Whether a contribution has occurred depends upon whether the work performed is considered “volunteer services.” Whether time is spent on a volunteer basis depends upon whether the services are rendered during time that is the individual’s own time to spend as he or she sees fit. If services are rendered after working hours, they will typically be viewed as exempted volunteer services.

(b) In accordance with subsection (a) above, certain professional services, such as legal and accounting services, which typically have fees associated with them, may be provided to a committee on a volunteer basis, provided the need for the services arises from the committee. For example, accounting or bookkeeping services involved with handling the committee’s contributions and expenditures may be provided to a committee on a volunteer basis and will not count as an “in-kind” contribution even if no fees are charged.

§ 605 EXPENDITURES – DATE MADE

(a) The date of an expenditure is the date the amount is readily ascertainable by the person making the expenditure, except as provided in subsection (b) of this section.

(b) If, under normal business practices, the amount of an expenditure is not known or readily ascertainable until receipt of a periodic bill, the date of the expenditure is the date the bill is received. Examples of expenditures to which this subsection is applicable are expenditures for utilities and telephone bills.

(c) An expenditure by credit card or in other ways charged to an account must be included in the report for the period during which the charge was made, not in the report for the period during which the statement from the credit card company or charge account was received.

§ 606 STATEMENT OF ORGANIZATION

(a)(1)(A) A ballot question committee or a legislative question committee shall file a statement of organization with the Arkansas Ethics Commission within five (5) days of receiving contributions or making expenditures in excess of five hundred dollars (\$500) for the purpose of expressly advocating the qualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(B) The Arkansas Ethics Commission shall maintain the statement of organization until notified of the committee's dissolution.

(2) A ballot question committee or legislative question committee failing to file a statement of organization required by this section shall be subject to a late filing fee not exceeding fifty dollars (\$50.00) for each day the statement remains not filed.

(b) The statement of organization shall include the following information:

(1) The name, street address, and where available, the telephone number of the committee. A committee address and telephone number may be that of the residence of an officer or director of the committee;

(2) The name, street address, and where available, the telephone number of the treasurer and other principal officers and directors of the committee;

(3) The name and address of each financial institution in which the committee deposits money or anything else of monetary value;

(4) The name of each person who is a member of the committee. A person that is not an individual may be listed by its name without also listing its own members, if any; and

(5) A brief statement identifying the substance of each ballot question, the qualification, disqualification, passage, or defeat of which the committee seeks to influence or of each legislative question, the passage or defeat of which the committee seeks to influence, and if known, the date each ballot or legislative question shall be presented to a popular vote at an election.

(c) When any of the information required in a statement of organization is changed, an amendment shall be filed within ten (10) days to reflect the change, except that changes in individual membership may be filed when the next financial report is required. A committee failing to file a change as required shall be subject to a late filing fee not exceeding twenty-five dollars (\$25.00) for each day the change remains not filed.

§ 607 FILING OF FINANCIAL REPORTS

(a) A ballot question committee or a legislative question committee which either receives contributions or makes expenditures in excess of five hundred dollars (\$500) for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question shall file with the Arkansas Ethics Commission financial reports as required by §§ 608 through 610.

(b) An individual person who on his or her own behalf expends in excess of five hundred dollars (\$500), excluding contributions, for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question shall file with the Arkansas Ethics Commission financial reports as required by §§ 608 through 610.

(c) A public servant or governmental body expending public funds in excess of five hundred dollars (\$500) for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question shall file with the Arkansas Ethics Commission financial reports as required by §§ 608 through 610.

(2) Mailed to the Arkansas Ethics Commission, properly addressed, postage prepaid, bearing a postmark indicating that it was received by the post office or common carrier on or before the date due;

(3) Received via facsimile by the Arkansas Ethics Commission on or before the date due, provided that the original is received by the Commission within ten (10) days of the transmission; or

(4) Received by the Arkansas Ethics Commission in a readable electronic format which is approved by the Commission.

(e) Whenever a report under these rules becomes due on a day which is a Saturday, Sunday, or legal holiday, the report shall be due the next day which is not a Saturday, Sunday, or legal holiday.

(f) A preelection report is timely filed if it is received by the Arkansas Ethics Commission no later than seven (7) days prior to the election for which it is filed.

Provided, however, for any month in which certain days of that month are included in a preelection financial report required under subdivision (a)(2) of this section, no monthly report for that month shall be due, but those days of that month shall be carried forward and included in the final financial report.
