

**ARKANSAS COMMISSION FOR PUBLIC SCHOOL FACILITIES
AND TRANSPORTATION
RULES GOVERNING THE ACADEMIC FACILITIES PARTNERSHIP
PROGRAM**

1.00 AUTHORITY

- 1.01 The Arkansas Commission for Public School Academic Facilities and Transportation's authority for promulgating these rules is pursuant to Ark. Code Ann. §§ 6-21-113 (Act 1327 of 2005), 6-20-2508 (Act 2206 of 2005), 6-20-2512 (Act 2206 of 2005) and 25-15-201 *et seq.*
- 1.02 These rules shall be known as the Arkansas Division of Public School Academic Facilities and Transportation Rules Governing the Academic Facilities Partnership Program.

2.00 PURPOSE

- 2.01 The purpose of these rules is to establish a process whereby the Arkansas Division of Public School Academic Facilities and Transportation shall provide state financial participation based upon a school district's academic facilities wealth index in the form of cash payments to a school district for eligible new construction projects.

3.00 DEFINITIONS - For the purpose of these Rules, the following terms mean:

- 3.01 "Academic Facilities Partnership Program" - the process under which the Arkansas Division of Public School Academic Facilities and Transportation shall provide state financial participation based upon a school district's academic facilities wealth index in the form of cash payments to a school district for eligible new construction projects.
- 3.02 "Academic facilities wealth index" - a percentage derived from the following computations:
 - (1) Determine the value of one (1) mill per student in each school district as follows:
 - (a) Multiply the value of one (1) mill by the total assessed valuation of taxable real, personal, and utility property in the school district as shown by the applicable county assessment for the most recent year; and

- (b) Divide the product from (1)(a) above by the greater of the prior year average daily membership of the school district or the prior three-year average of the school district's average daily membership;
 - (2) Determine student millage rankings by listing the computation under (1) above of this section for each school district from students with the lowest value per mill to students with the highest value per mill;
 - (3) Allocate the student millage rankings into percentiles with the first percentile containing the one percent (1%) of students with the lowest value per mill and the one-hundredth percentile containing the one percent (1%) of students with the highest value per mill; and
 - (4) Divide the value of one (1) mill per student in each school district as computed under (1) above by the amount corresponding to the ninety-fifth percentile of the student millage rankings under (3) above.
 - (5) The percentage derived from the computation under (4) above is the academic facilities wealth index for a school district, which shall be computed annually and used to determine the amount of the school district's share of financial participation in a local academic facilities project eligible for state financial participation under priorities established by the Division of Public School Academic Facilities and Transportation.
- 3.03 "Commission" - the Arkansas Commission for Public School Academic Facilities and Transportation
 - 3.04 "Division" - the Arkansas Division of Public School Academic Facilities and Transportation.
 - 3.05 "Facilities master plan" - a ten-year plan developed by a school district that contains current enrollment projections and details the school district's strategy for maintaining, repairing, renovating, and improving through new construction or otherwise the school district's academic facilities and equipment.
 - 3.06 "Local Resources" - any moneys lawfully generated by a school district for the purpose of funding the school district's share of financial participation in any academic facilities project for which a school district

is eligible to receive state financial participation under priorities established by the Division.

- 3.07 "New Construction" - any improvement to an academic facility and, if necessary, related areas such as the physical plant and grounds, that brings the state of condition or efficiency of the academic facility to a state of condition or efficiency better than the academic facility's original condition of completeness or efficiency. "New construction" includes additions to existing academic facilities and new academic facilities.
- 3.08 "Project" - an undertaking in which a school district engages in:
 - (a) Maintenance, repair, and renovation activities with regard to an academic facility;
 - (b) New construction of an academic facility; or
 - (c) Any combination of maintenance, repair, and renovation and new construction activities with regard to an academic facility.
- 3.09 "Resolution" - a written document voted upon and approved by at least a majority of a quorum of a school district's Board of Directors at a lawfully called meeting, which certifies the school district's dedication of local resources to meet the school district's share of financial participation in the new construction project.
- 3.10 "School district" - a geographic area with an elected board of directors that qualifies as a taxing unit for purposes of ad valorem property taxes under Title 26 of the Arkansas Code and which board conducts the daily affairs of public schools under the supervisory authority vested in it by the General Assembly and Title 6 of the Arkansas Code.
- 3.11 "State financial participation" - the state's share of financial participation in a local academic facilities project eligible for state financial participation under priorities established by the Division is the percentage derived from subtracting the school district's percentage share of financial participation determined under computation number five (5) of Section 3.02 of these Rules from one hundred percent (100%).

4.00 ELIGIBILITY FOR PARTICIPATION

- 4.01 In order to apply for state financial participation in a new construction project, a school district shall provide the Division with a copy of the design plans for the project and evidence of:

- 4.01.1 Preparation for the new construction project as demonstrated by inclusion of the new construction project in the school district's facilities master plan;
- 4.01.2 (i) The adoption of a resolution certifying to the Division the school district's dedication of local resources to meet the school district's share of financial participation in the new construction project.

(ii) The resolution shall specify the approximate date that the board of directors of the school district intends to seek elector approval of any bond or tax measures or to apply other local resources to pay the school district's share of financial participation in the new construction project;
- 4.01.3 The total estimated cost of the new construction project;
- 4.01.4 The new construction project's conformance with sound educational practices;
- 4.01.5 The new construction project's compliance with current academic facilities standards, including, without limitation, appropriate space utilization of existing academic facilities in the district as determined by the Division;
- 4.01.6 The allocation of project costs between new construction activities and maintenance, repair, and renovation activities if the new construction project includes improvements that could be classified as maintenance, repair, and renovation; and
- 4.01.7 How the new construction project supports the prudent and resourceful expenditure of state funds and improves the school district's ability to deliver an adequate and equitable education to public school students in the district.

5.00 DIVISION'S EVALUTION OF SCHOOL DISTRICT'S APPLICATION

- 5.01 The Division shall use criteria to evaluate a school district's application for state financial participation in a new construction project, which shall include, without limitation, the following:
 - 5.01.1 How the school district's facilities master plan and current academic facilities do not address the following:
 - (i) Student health and safety, including, without limitation, but not limited to, critical health and safety needs;

- (ii) Compliance with current academic facilities standards, including, without limitation, appropriate space utilization of existing academic facilities in the district;
- (iii) Conformance with sound educational practices;
- (iv) Curriculum improvement and diversification, including, without limitation, the use of instructional technology, distance learning, and access to advanced courses in science, mathematics, language arts, and social studies;
- (v) Multischool, multidistrict, and regional planning to achieve the most effective and efficient instructional delivery system;
- (vi) Reasonable travel time and practical means of addressing other demographic considerations; and
- (vii) Regularly scheduled maintenance, repair, and renovation;

5.01.2 How the school district's facilities master plan and any new construction project under the facilities master plan address the following:

- (i) Student health and safety, including, without limitation, critical health and safety needs;
- (ii) Compliance with current academic facilities standards, including, without limitation, appropriate space utilization of existing academic facilities in the district;
- (iii) Conformance with sound educational practices;
- (iv) Curriculum improvement and diversification, including, without limitation, the use of instructional technology, distance learning, and access to advanced courses in science, mathematics, language arts, and social studies;
- (v) Multischool, multidistrict, and regional planning to achieve the most effective and efficient instructional delivery system;
- (vi) Reasonable travel time and practical means of addressing other demographic considerations; and
- (vii) Regularly scheduled maintenance, repair, and renovation;

5.01.3 How the new construction project supports the prudent and resourceful expenditure of state funds and improves the school district's ability to deliver an adequate and equitable education to public school students in the district;

5.01.4 How the new construction project has been prioritized by the school district; and

5.01.5 The allocation and expenditure of funds in accordance with this subchapter and the Arkansas Public School Academic Facility Program Act, Ark. Code Ann. § 6-21-801 *et seq.*

6.00 AVAILABILITY OF STATE FINANCIAL PARTICIPATION AND TIMELINES

6.01 State financial participation under the academic facilities partnership program is not available until July 1, 2006. The Division shall give priority in state financial participation to school district proposals relating to academic facilities with the highest facilities condition index.

6.02 (i) With regard to an academic facilities project for which a school district intends to apply for state financial participation during fiscal year 2006-2007, the Division shall notify the school district of the Division's decision on the application and, if applicable, the estimated amount of state financial participation in the new construction project no later than May 1, 2006.

(ii) Beginning in 2007, the Division shall notify the school district of the Division's decision on the application and, if applicable, the estimated amount of state financial participation in the new construction project no later than May 1 of each odd-numbered year.

6.03 The Division's notice of its decision on a school district's application for state financial participation in a new construction project shall include an explanation of the evaluation factors underlying the decision of the Division to provide or not provide state financial participation in support of the new construction project.

7.00 AGREEMENT BETWEEN THE DIVISION AND THE SCHOOL DISTRICT CONCERNING STATE FINANCIAL PARTICIPATION

7.01 If the Division determines that the new construction project is eligible for state financial participation, the Division and the school district shall enter

into an agreement specifying the terms of the state's financial participation and the conditions that must be satisfied by the school district.

7.02 At a minimum, the agreement shall:

- (i) Identify the estimated amount of local financial participation and state financial participation in the new construction project;
- (ii) Define the method of and schedule for transferring state financial participation funds to the school district;
- (iii) Identify whether the new construction project includes any improvements that are classified as maintenance, repair, and renovation, and how the project costs will be allocated between new construction activities and maintenance, repair, and renovation activities;
- (iv) Provide that changes to the plans for the new construction project shall be made in consultation with the Division;
- (v) Provide that the Division or any person acting on behalf of the Division may conduct on-site inspections of the new construction project as frequently as the Division deems necessary to assure the prudent and resourceful expenditure of state funds with regard to public school academic facilities;
- (vi) Determine how risk will be allocated between the school district and the state if the new construction project is not completed;
- (vii) Describe how changes in the school district's wealth index over the course of the new construction project will be treated; and
- (viii) Specify that the agreement is void and the state will have no further obligation to provide state funds to the school district for the new construction project that is the subject of the agreement if the school district does not raise local resources and apply local resources toward the new construction project as provided under the agreement.

8.00 DISTRIBUTION AND TRACKING OF STATE FINANCIAL PARTICIPATION

- 8.01 If a school district qualifies for state financial participation under this section, the Division shall certify the amount of state financial participation to the Commission for oversight purposes. The Commission

shall certify the amount to the Arkansas Department of Education for payment.

- 8.02 For tracking purposes, the school district shall account for the funds received as state financial participation under this section as restricted funds and shall account for the funds in accordance with provisions of law, including, without limitation, the Arkansas Educational Financial Accounting and Reporting Act of 2005, Ark. Code Ann. § 6-20-2201 *et seq.* and Rules established by the Arkansas State Board of Education and the Commission.
