Summary of Proposed Rule for Pre-Licensure Criminal Background Check and Waiver Request

Background:

The Board proposes a new rule in response to Act 990 of 2019, which mandates that the Board promulgate a rule to establish a process for an individual to petition the Board for a determination about whether their criminal conviction disqualifies them from licensure and, if so, whether they can obtain a waiver from the Board. The proposed new rule was approved by the Board on September 11, 2019.

Key Points:

The new rule:

- Establishes a petition process for a pre-licensure criminal background check
- Establishes a waiver process for individuals with criminal convictions
- Specifies that some criminal convictions are permanently disqualifying from licensure

Discussion:

The new rule allows an individual to petition the Board for a determination as to whether their criminal conviction disqualifies them from licensure. If the individual is disqualified from licensure based upon their criminal conviction, the new rule allows the individual to request a waiver from the Board, unless the conviction is one that Act 990 identifies as permanently disqualifying. The new rule aids in reducing barriers for individuals with criminal convictions who are trying to re-enter the workforce.
