FINAL RULE
AGENCY NO. 092.00

092.00.1-15. MILITARY AUTOMATIC LICENSURE
(Adopted 9/11/2019)

27. As used in this subsection, “returning military veteran” means a former member of the United States Armed Forces who was discharged from active duty under circumstances other than dishonorable.

A. The Board must grant automatic licensure to an individual who holds a substantially equivalent occupational license in good standing in another state, territory, or district of the United States and is:

- (1) An active duty military service member stationed in Arkansas;
- (2) A returning military veteran applying for an occupational license within one (1) year of his or her discharge from active duty; or
- (3) The spouse of a person under A. (1) or (2) above.

B. The Board must grant such automatic licensure upon receipt of all items listed below:

- (1) Evidence that the applicant is a holder in good standing of a substantially equivalent occupational license in another state, territory, or district of the United States; and
- (2) Evidence that the applicant is a qualified applicant under A. (1), (2), or (3) above.

MILITARY AUTOMATIC LICENSURE PROPOSED RULE COMMENT SUMMARY

One (1) comment received that included multiple concerns. The main concern was that “automatic licensure” was not defined in the rule. Other concerns included a preference in using the word “shall” instead of “must” throughout the rule, and that the language was too vague in subsection 27. B. (1) and (2), so more specific direction needed to be given

Based on the public comment received, the Arkansas Veterinary Medical Examining Board (Board) voted at its meeting on April 30, 2020, to include the definition of automatic licensure in the rule.

Summary of Proposed Rule for Military Automatic Licensure

Background:

The Board proposes a new rule in response to Act 820 of 2019, which mandates that the Board promulgate a rule to establish a process by which the Board will issue automatic licensure to certain members of the military and their spouses. The proposed new rule was approved by the Board on September 11, 2019.

Key Points:

The new rule:

- Explains what the term “returning military veteran” means
- Explains who the individuals are who qualify for automatic licensure
- Explains what items are needed from the individual before automatic licensure can be granted

Discussion:

The new rule requires the Board to grant automatic licensure to active duty military service members, returning military veterans, and their spouses, if they hold a substantially equivalent occupational license in good standing in another state, territory, or district of the United States. The new rule will help to reduce any barriers these individuals might face in obtaining a license to practice veterinary medicine or a certificate to practice veterinary technology when relocating to Arkansas.
