

LEGAL NOTICE

The East Arkansas Regional Solid Waste Management District is submitting this Notice of Intent to update the East Arkansas Regional Solid Waste Management District Rules Regarding Procedure for Obtaining Certificate of Need. This regulation sets forth the procedure and process for the East Arkansas Regional Solid Waste Management District to issue or deny certificates of need to an applicant for a solid waste disposal facility or transfer station within its district pursuant to the provisions of Arkansas Code Annotated §8-6-706. This regulation provides the process and procedure by which an applicant seeks to obtain a certificate of need and the review process by which the East Arkansas Regional Solid Waste Management District either issues or denies the certificate of need.

Written comments may be sent to Tim Phillips, East Arkansas Solid Waste District P.O. Box 1403, 2905 King Street, Jonesboro, AR 72404.

Public comments can be made at a Public Meeting to be held on June 26 at 10:00 a.m. at the Wynne Fire Station, 1111 N. Falls Blvd, Wynne, AR.

Written comments will be accepted for 30 days from the first date of this notice.
