

**NOTICE OF PROPOSED RULES
AND REGULATIONS OF THE
PULASKI COUNTY REGIONAL SOLID WASTE MANAGEMENT DISTRICT
D/B/A REGIONAL RECYCLING & WASTE REDUCTION DISTRICT**

The Pulaski County Regional Solid Waste Management District d/b/a Regional Recycling & Waste Reduction District (the "District") proposes to codify existing practices and procedures of the District by formally adopting rules and regulations. The proposed rules and regulations: (a) describe the District, its statutory powers and rules of governance; (b) describe the District's Solid Waste Management and Recycling Fund and current fees levied for disposition of solid waste in landfills; and (c) describe the current Hauler Licensing requirements and license fees for all haulers who collect and transport solid waste in the District. The proposed rules do not increase any fees or charges currently collected by the District.

All persons interested in submitting written comments to the District concerning the proposed rules and regulations may do so by directing such comments to Mr. Desi Ledbetter at the District offices located at 300 Spring Street, Suite 200, Little Rock, Arkansas 72201.
