## **010.13-008    The National Electrical Code**

**A.**    ~~The~~Except as provided in subsection B of this Rule 010.13-008, the Board hereby adopts and incorporates herein the National Electrical Code, ~~2020~~2023-edition of the National Fire Protection Association.

**B.**    The National Electrical Code, ~~2020~~2023, shall be the standard for the construction, installation, repair, and maintenance of electrical facilities and the performance of electrical work~~-, except as follows:~~

1.    The provisions of Section 210.8(F) of the 2020 National Electrical Code, dealing with the GFCI requirements for Heating, Ventilation, and Air Conditioning, ~~are~~remain excluded from the adoption of the 2023 National Electrical Code and the former adoption of the 2020 National Electrical Code.

2.    Article 210 of the National Electrical Code, 2023, is excluded from the adoption of the National Electrical Code, 2023. With the exception of Section 210.8(F), Article 210 of the National Electrical Code, 2020, shall be the standard for the construction, installation, repair, and maintenance of electrical facilities and the performance of electrical work governed by Article 210 unless and until modified by subsequent rule of the Board.

**C.**    In the event there are updates and new editions to the National Electrical Code, the Board shall, after notice and public hearing, adopt such changes and editions which it determines are necessary to insure the public health and safety.

**D.**    The statewide standards shall guarantee a uniform minimum standard for the construction, installation, and maintenance of electrical facilities and for the performance of electrical work.

**E.**    The Board hereby adopts and incorporates herein the Standard Practices for Good Workmanship in Electrical Contracting, American National Standards Institute/National Electrical Contractors Association 1-2006, as the guide for the quality and the standard of workmanship in the installation of electrical equipment.

**F.**    This rule does not include any later amendments or editions of the standards incorporated by reference.

**G.**    Copies of these standards incorporated by reference can be viewed in the offices of the Electrical Division or can be obtained by contacting the following:

**TITLE OF THIS RULE** \_\_\_\_\_

1. Does this proposed, amended, or repealed rule have a financial impact?  
Yes                      No
  
2. Is the rule based on the best reasonably obtainable scientific, technical, economic, or other evidence and information available concerning the need for, consequences of, and alternatives to the rule?  
Yes                      No
  
3. In consideration of the alternatives to this rule, was this rule determined by the agency to be the least costly rule considered? Yes                      No

If no, please explain:

(a) how the additional benefits of the more costly rule justify its additional cost;

(b) the reason for adoption of the more costly rule;

(c) whether the reason for adoption of the more costly rule is based on the interests of public health, safety, or welfare, and if so, how; and

(d) whether the reason for adoption of the more costly rule is within the scope of the agency's statutory authority, and if so, how.

4. If the purpose of this rule is to implement a *federal* rule or regulation, please state the following:  
(a) What is the cost to implement the federal rule or regulation?

**Current Fiscal Year**

General Revenue \_\_\_\_\_

7. With respect to the agency's answers to Questions #5 and #6 above, is there a new or increased cost or obligation of at least one hundred thousand dollars (\$100,000) per year to a private individual, private entity, private business, state government, county government, municipal government, or to two (2) or more of those entities combined?

Yes      No

If yes, the agency is required by Ark. Code Ann. § 25-15-204(e)(4) to file written findings at the time of filing the financial impact statement. The written findings shall be filed simultaneously with the financial impact statement and shall include, without limitation, the following:

- (1) a statement of the rule's basis and purpose;
- (2) the problem the agency seeks to address with the proposed rule, including a statement of whether a rule is required by statute;
- (3) a description of the factual evidence that:
  - (a) justifies the agency's need for the proposed rule; and
  - (b) describes how the benefits of the rule meet the relevant statutory objectives and justify the rule's costs;
- (4) a list of less costly alternatives to the proposed rule and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
- (5) a list of alternatives to the proposed rule that were suggested as a result of public comment and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
- (6) a statement of whether existing rules have created or contributed to the problem the agency seeks to address with the proposed rule and, if existing rules have created or contributed to the problem, an explanation of why amendment or repeal of the rule creating or contributing to the problem is not a sufficient response; and
- (7) an agency plan for review of the rule no less than every ten (10) years to determine whether, based upon the evidence, there remains a need for the rule including, without limitation, whether:
  - (a) the rule is achieving the statutory objectives;
  - (b) the benefits of the rule continue to justify its costs; and
  - (c) the rule can be amended or repealed to reduce costs while continuing to achieve the statutory objectives.
